,1924 **The Magazine of Business** ,1913 **Norfolk and Western Magazine** Norfolk and Western Railway
Company,1939 **The Business of Sports Betting** Becky Harris,John T. Holden,Gil Fried,2024-02-29 With the repeal of
the Professional and Amateur Sports Protection Act in 2018 regulated sports betting has exploded in the United States with
more than half the states adopting legalized sports betting and many more poised for business As a result career
opportunities with sportsbook operators and venues sport leagues teams and sponsors and gaming regulatory agencies
abound for today s students The arrival of *The Business of Sports Betting* introduces the first dedicated text written by a
team of academic faculty and internationally recognized experts in the field covering every aspect of the sports betting
industry It begins with a historical overview of sports betting and key legislation that has led to legalized betting today
Included are the various types of wagers available to bettors the sports in which betting can take place and the industry s
major stakeholders Next readers will examine the multiple layers of sports betting regulations in the United States and the
interplay between federal laws state authorization and tribal governance Regulatory frameworks in the United States United
Kingdom and Canada are covered as well as compliance focal points addressing anti money laundering regulations placement
of wagers and the Bank Secrecy Act The book then warns of the negative aspects of the business such as illegal sports
betting gambling scandals and match fixing the risks associated with illegal betting and harm from problem gambling To
combat these risks guidelines are presented for protecting against illegal gambling minimizing potential harms and ensuring
integrity in sports betting Next students learn the how tos of establishing operating and marketing a sportsbook Traditional
brick and mortar sportsbooks are discussed in detail including the many facility management considerations that come with
operating and maintaining a physical venue Students also learn about the various mobile sportsbooks available today
including websites kiosks and phone apps how they operate and their connection to and interaction with physical sportsbooks
In addition the authors present marketing and advertising strategies for acquiring customers and forging relationships with
teams leagues and sportsbooks Special attention is given to the American Gaming Association s Responsible Marketing Code
for Sports Wagering and its compliance considerations for sportsbook operators Sports wagering is a data driven business
and students will see how data are generated and transmitted to sportsbook operators Managing and protecting that data is
paramount to competitive advantage and students will learn about intellectual property protections granted to sportsbook
operators Additionally the book discusses the proliferation and potential positive and negative impacts of gamification and
virtual currencies in sports betting Chapters are punctuated with supplemental sidebars and case studies providing real life
examples of the positive and negative impacts of sports betting *The Business of Sports Betting* offers a comprehensive
introduction to the nuances of the sports betting industry including the key players regulatory environment marketing and
