Shooting To Win Elouise Tynan, 2022-05-03 Perfect for fans of Elle Kennedy's Off Campus and Briar U hockey series or Meghan Quinn's Brentwood Boys baseball series ADAM VAN VANDENBERG It all started one drunken night when she was a sweet and innocent freshman and I was a cocky overconfident sophomore I've never forgotten the night we spent together but life is complicated and I let it get in the way But the universe has thrown us back together and now that I'm newly single I can't stop thinking about her So it's a damn shame my dream girl wants absolutely nothing to do with me I'm determined to shoot my shot one last time though And this time I'm shooting to win STELLA LECROY I swear the universe is trying to punish me Why else would my man eating cousin who betrayed me in the most hurtful of ways end up at Pierson University with me Or why I'd be forced to spend time with the one boy I can't stand the sight of Not that looking at him is a hardship He's a charming ripped and insanely hot basketball player But being around him brings back memories of that night one that turned me into the worst kind of girl Only now that we have to co-exist I'm having a hard time reconciling the nefarious guy I thought he was back then with the sweet attentive selfless one in front of me Did I really get him so wrong Or is he just that good at playing the game

Kings of the Garden Adam J. Criblez, 2024-04-15 In *Kings of the Garden* Adam J Criblez traces the fall and rise of the New York Knicks between the 1973 the year they won their last NBA championship and 1985 when the organization drafted Patrick Ewing and gave their fans hope after a decade of frustrations During these years the teams led by Walt Frazier Earl Monroe Bob McAdoo Spencer Haywood and Bernard King never achieved tremendous on-court success and their struggles mirrored those facing New York City over the same span In the mid-seventies as the Knicks lost more games than they won and played before smaller and

smaller crowds the city they represented was on the brink of bankruptcy while urban disinvestment growing income inequality and street gangs created a feeling of urban despair Kings of the Garden details how the Knicks fortunes and those of New York City were inextricably linked As the team s Black superstars enjoyed national fame Black musicians DJs and B boys in the South Bronx were creating a new culture expression hip hop that like the NBA would become a global phenomenon Criblez s fascinating account of the era shows that even though the team s efforts to build a dynasty ultimately failed the Knicks like the city they played in scrappily and spectacularly symbolized all that was right and wrong with the NBA and the nation during this turbulent creative and momentous time Timberwolves Stalk the NBA Bill Heller,1989

When Nothing Else Matters Michael Leahy,2004-11-09 As one of the greatest most celebrated athletes in history Michael Jordan conquered professional basketball as no one had before Powered by a potent mix of charisma nearly superhuman abilities and a ferocious need to dominate the game he won six NBA championships with the Chicago Bulls and captured every basketball award and accolade conceivable before retiring and taking a top executive post with the Washington Wizards But retirement didn t suit the man who was once king and at the advanced age of thirty eight Michael Jordan set out to reclaim the court that had been his dominion When Nothing Else Matters is the definitive account of Jordan s equally spectacular and disastrous return to basketball Having gone on the road to chronicle Jordan s final two seasons award winning Washington Post writer Michael Leahy draws a riveting portrait of a deeply complex man waylaid by his impulses and impatience frequently hampered by injuries assaulted by younger players eager to usurp his throne and ultimately done in by his presumption Encouraged for two decades by his sport s magnates to believe that he had no limits or superiors Jordan could not see his influence and power fading as his Wizards days ticked down and his team s losses and dissension grew For teammates and outsiders alike the star emerged as a relentlessly driven at times unapproachable personality Leahy reveals the striking contrast between Jordan s public image and the man who couldn t stand not bein it Hell bent on transforming the mediocre Wizards into championship contenders Jordan controlled every facet of his new team dispensing orders behind the scenes to coaches and players As his anger and bitterness over Washington s on court setbacks became increasingly public his teammates resentment of him stoked already burgeoning tensions between Jordan and the Wizards top brass Leahy unmaskes the myths and unravels the deeper lessons behind the highs and lows of the two seasons illuminating the excruciating reality Jordan was forced to accept after the Wizards failed playoff bid in his final season When Nothing Else Matters is about nothing less than a man struggling to come to grips with the end of a career and the uncertainty of his life ahead Lost in the Game Thomas Beller,2022-10-07 For players coaches writers and fans basketball is a science and an art a religious sacrament a source of entertainment and a way of interacting with the world In Lost in the Game Thomas Beller entwines these threads with his lifetime s experience as a player and journalist roaming NBA locker rooms and city parks as a basketball flaneur in search of the meaning of the modern game He captures the magnificence and

mastery of today's most accomplished NBA players while paying homage to the devotion of countless congregants in the global church of pickup basketball. He shares his own stories from the courts meditating on basketball's role in city life and its impact on the athlete's psyche as he moves from youth to middle age.
