Brott,2004 According to bestselling marketing expert Sergio Zyman many companies rely too heavily on innovation to solve their problems Whenever a brand or business gets old and tired the impulse is to scrap it and start over with something fresh It sounds great but more often than not innovation simply doesn t work Zyman knows this firsthand he was the chief marketing officer at Coca Cola during the disastrous launch of New Coke So what s the alternative Zyman now preaches the power of renovation not innovation Recapture the essence of your existing brands products and core competencies and do more of the things that made you great in the first place For instance Coca Cola s essence was about authenticity continuity and stability and New Coke undermined all three qualities It seems obvious in retrospect yet too many managers are so impressed by innovation that they approve ideas no one will buy such as premoistened toilet paper or smokeless cigarettes With Renovate Before You Innovate Zyman explains the tools managers need to revitalize their marketing strategies and improve their growth rates This book will challenge the conventional business wisdom and help companies make smarter decisions **Adolescence in India** Gomathi Jatin Shah,Sybil Thomas,2021-12-24 Adolescence in India An Interdisciplinary Perspective highlights the need and importance of studying adolescence in the domain of education Using an interdisciplinary approach it discusses adolescence from the perspective of sociology psychology education and health studies Against the backdrop of economic development and globalization the book looks at adolescence in the changing social milieu It offers an understanding of adolescence by exploring the socio cultural influences on adolescents and their interactions in various spaces like the school among peers family and the media The book reflects on classroom group processes and instructional practices for better psychosocial growth of adolescents as well as discusses the need for a greater emphasis on making resources available for adolescents to realise and strengthen their skills and agency The book outlines various life skills policies and programmes in India and uses vignettes anecdotes emerging classroom discussions case studies activities and self assessment tools and questionnaires to facilitate a deeper understanding of the concept The book will be of interest to students teachers and educators in teaching programmes including educational psychology adolescent psychology and human development It will also be useful for policymakers NGOs and public and private sector bodies who work in the field of adolescent psychology *Profit From Everyday Tools You Ignore: How Simplicity Beats*

Complex Startup Ideas Ahmed Musa, 2025-05-31 You don't need the next big idea. You need to see what's already in front of you. Profit From Everyday Tools You Ignore challenges the myth that successful businesses must be built on complex technology, flashy innovation, or venture-backed disruption. The truth? Most thriving digital entrepreneurs are using simple, overlooked tools to solve everyday problems and getting paid well for it. This book shows you how to take inventory of what you already know, what you already use, and what people already need, and turn it into products, services, or systems that sell. You'll learn how to use familiar tools like spreadsheets, documents, voice memos, basic design apps, and email to deliver powerful outcomes that don't require coding, a massive team, or a fancy app. You'll realize that complexity often becomes an excuse for procrastination. But simplicity sells. Simplicity scales. Simplicity wins. Stop waiting for funding, perfection, or the perfect idea. The tools you've ignored are probably all you need to launch something profitable, sustainable, and helpful. Sometimes the smartest way to start a business is with what's already in your hands. *Brand Storytelling* Keith A. Quesenberry, Michael K. Coolson, 2023-02-14

This innovative new text introduces students to the power of storytelling and outlines a process for creating effective brand stories in a digital-first integrated marketing communications plan. From the earliest works on storytelling to the latest research, this text explains why and how storytelling works, the forms storytelling takes, and how to develop an integrated advertising, PR, and strategic marketing communications campaign that leverages the power of story within the reality of today's digital-first media landscape. Keith A. Quesenberry and Michael K. Coolson present a balance of research and theory with practical application and case studies within a classroom-friendly framework for undergraduate or graduate courses or for the marketing communications professional looking for a guide to integrate storytelling into their brand communications. Emphasizing digital and social media perspectives in the strategic planning and campaign process, *Brand Storytelling* also surveys TV, radio, outdoor, print opportunities as well as earned, shared, owned, and paid media.
