#First day of school!

Name: _____

Let's create a feed we can be proud of! What are we going to do that will be worth posting? What will we do worth remembering?

Directions:

1. Create a profile picture, username, and bio for yourself
2. Create 6 posts we would make over the next 5 years.
 - a. 1 post should be about the first day of school! What do you want to remember?
 - b. 4 posts should be about things you want to do in the next year!
 - c. 1 post should be looking back. What will you say at the end of the year? How will what you do this year make an impact on our school?
3. Remember posts should have a picture and caption!

Teacher Education and Professional Development In Industry 4.0 Ashadi,Joko Priyana,Basikin,Anita Triastuti,Nur Hidayanto Pancoro Setyo Putro,2020-10-20 The main theme of the proceedings of the 4th International Conference on Teacher Education and Professional Development InCoTEPD 2019 is Teacher Education and Professional Development in Industry 4 0 The papers have been carefully grouped under the subthemes of teacher education and professional development curriculum learning materials teaching learning process technology and media and assessment in Industry 4 0 education They also cover vocational education in the era in question and one section is devoted to Industrially disadvantaged societies As these papers were presented at an internationally refereed conference dedicated to the advancement of theories and practices in education they provide an opportunity for academics and professionals from various educational fields with cross disciplinary interests to bridge the knowledge gap and promote research esteem and the evolution of pedagogy

Elementary School Wellness Education Matthew Cummiskey,Frances Cleland Donnelly,2022-06-20 Health education and physical education are traditionally siloed for no good reason according to authors Matthew Cummiskey and Frances Cleland Donnelly So through Elementary School Wellness Education the two authors provide a blueprint complete with lesson plans for teachers to fuse health education and physical education into one elementary school class Students should be educated in a more holistic manner says Cummiskey We applied the concept of school wellness education at the elementary level which has components of both traditional health education and physical education Elementary School Wellness Education offers the following 37 detailed lesson plans for grades K 5 19 lessons for K 2 and 18 lessons for grades 3 5 that are tied to SHAPE America Outcomes and National Health Education Performance Indicators Clear instruction on how to apply the plans making it perfect for both preservice and in service teachers More than 70 lesson plan handouts with four color graphics available in the HKPropel platform that are easy for teachers to print A test package presentation package and instructor guide that make this ideal for existing and emerging teacher education courses A typical School Wellness Education SWE lesson combines classroom based learning activities such as discussions worksheets and videos with physical activity All the lessons in the book take place in the gymnasium so there s no need for a separate health education classroom In addition the SWE approach helps teachers maximize their instruction time by meeting multiple learning standards simultaneously The lessons are learning focused with each activity carefully aligned to the objectives says Cleland Donnelly Moreover they re fun Students aren t sitting in a traditional classroom learning health they re doing it in the gym SWE also uses traditional PE equipment and the gym in new and creative ways she adds This is especially important in schools that lack a separate health education classroom Elementary School Wellness Education addresses emergent pedagogies such as skill based education universal design for learning social and emotional learning and social justice helping both in service and preservice teachers understand how to use and benefit from these pedagogical

approaches It also guides readers in how to teach wellness education online as effectively as face to face Teachers will learn how to teach the content in person online or in a hybrid approach The good news for teachers is that SWE is not a dramatic departure from existing instruction says Cummiskey Students are still moving and being taught in the gymnasium but now health content and skills are being infused into all the lessons The book he says is also suitable for use by classroom teachers looking to promote wellness or incorporate additional physical activity into their students days The intent is to imbue students with the knowledge skills and dispositions to lead a healthy life into and through adulthood he says Note A code for accessing HKPropel is included with this ebook

BLAM UK,2024-01-26 Rather than reserving the teaching of Black history to Black history month Black narratives deserve to be seen and integrated into every aspect of the school curriculum A unique yet practical resource Global Black Narratives addresses this issue by providing primary teachers with a global outline of Black history culture and life within the framework of the UK s National Curriculum Each topic explored in this essential book provides teachers and teaching assistants with historical geographic and cultural context to build confidence when planning and teaching Full lesson plans and printable worksheets are incorporated into each topic alongside tips to build future lessons in line with the themes explored Part 1 examines Black Britain a term used to refer to African and Caribbean immigrants to the United Kingdom and their descendants Teachers will gain essential contextual knowledge and the practical skills to deliver lessons exploring many examples of Black Britain dating as far back as the Tudor period Detailed lesson plans are provided on numerous activist groups and figures who make up the Black British civil rights movement including Claudia Jones Harold Moody Stuart Hall Amy Ashwood The West African Students Union the Bristol bus boycott and resistance groups from the 1960s to 1980s Many of the lesson plans also concern music and wider arts and culture Part 2 explores Black Presence in Europe providing focused examples of Black narratives Topics explored include Negritude Josephine Baker Afro Spaniards and the Moorish occupation of Spain Afro Surinamese people in the Netherlands and Black presence in France Created by BLAM UK this highly informative yet practical resource is an essential read for any teacher teaching assistant or senior leader who wishes to diversify their curriculum and address issues of Black representation within their school It is published in two practical and comprehensive volumes Volume 1 covers Britain and Europe whilst Volume 2 includes Africa the Americas and the Caribbean Each volume can be used individually for teaching but when used together they provide a truly global perspective on black history and culture

Continuing Professional Development of English Language Teachers

Senkamalam Periyasamy Dhanavel,2022-12-12 This book provides a comprehensive understanding of India s continuing professional development CPD landscape It examines the issues surrounding the professional development of English language teachers in India at the tertiary level from multiple perspectives Further it evaluates various models of continuing professional learning CPL and emphasizes the transformative model as a solution to the social administrative or other impediments

teachers encounter in their lives. Importantly, it presents examples solving academic and non-academic problems in formal and informal and face-to-face and technology-mediated forms of teaching and learning by teachers of English in different contexts. It discusses the latest developments in the literature related to the transformative and reflective approach to classroom problems faced by teachers on the ground such as classroom environment, students' socio-economic background, teachers' education and teacher assessment. Also, it positions continuing professional development (CPD) as having transformative power in teaching English in India and how it can improve students' learning opportunities. The book is relevant to English language teachers, teacher educators and researchers in India and across the globe to address significant issues in the field, how to handle every classroom situation and how to train oneself as a teacher as well as a teacher educator.
