and celebrities as well as her own colorful experience of trying to set and reach a goal she brings to life four powerful yet largely untapped visual tactics that can be applied according to the situation

Narrow your focus Closing the aperture of your attention helps you exercise effectively save money and find more time in your day

Widen the bracket Seeing the forest instead of the trees reduces temptations and helps you recognize when a change of course is in order

Materialize your plan and your progress Creating checklists and objective assessments inspires better planning and adjusts your gauge of what's really left to be done

Control your frame of reference Knowing where to direct attention improves your ability to read others emotions negotiate better deals foster stronger relationships and overcome a fear of public speaking

A mind blowing and original tour of perception Clearer Closer Better will help you see the possibilities in what you can't see now

Inspiring motivating and always entertaining it demonstrates that if we take advantage of our visual experiences they can lead us to live happier healthier and more productive lives every day
