Sports in America from Colonial Times to the Twenty-First Century: An Encyclopedia Steven A. Riess, 2015-03-26

A unique new reference work this encyclopedia presents a social cultural and economic history of American sports from hunting bowling and skating in the sixteenth century to televised professional sports and the X Games today Nearly 400 articles examine historical and cultural aspects of leagues teams institutions major competitions the media and other related industries as well as legal and social issues economic factors ethnic and racial participation and the growth of institutions and venues Also included are biographical entries on notable individuals not just outstanding athletes but owners and promoters journalists and broadcasters and innovators of other kinds along with in depth entries on the history of major and minor sports from air racing and archery to wrestling and yachting A detailed chronology master bibliography and directory of institutions organizations and governing bodies plus more than 100 vintage and contemporary photographs round out the coverage

The NHL's Mistake by the Lake Gary Webster, 2021-09-23 The Cleveland Barons should never have existed Born when the National Hockey League's California Golden Seals another team that should never have existed were transplanted to Cleveland in 1976 and greeted with apathy by the dwindling number of hockey fans in northeastern Ohio the Barons were an embarrassment to the city and to the NHL The only thing the team had going for them was the state of the art arena they played in which was all but empty for nearly every game they played This book chronicles the Barons two regrettable seasons a case study in what happens when an ill conceived professional sports team created in an expansion splurge is moved in an effort to save it to a city that doesn't really want it [The National Register of Historic Places](#), 1972

every proud hockey fan Canadian and Indigenous person Wab Kinew Leader of the Manitoba NDP and author of *The Reason You Walk* Trailblazer Residential school Survivor First Treaty Indigenous player in the NHL All of these descriptions are true but none of them tell the whole story Fred Sasakamoose torn from his home at the age of seven endured the horrors of residential school for a decade before becoming one of 120 players in the most elite hockey league in the world He has been heralded as the first Indigenous player with Treaty status in the NHL making his official debut as a 1954 Chicago Black Hawks player on Hockey Night in Canada and teaching Foster Hewitt how to pronounce his name Sasakamoose played against such legends as Gordie Howe Jean Beliveau and Maurice Richard After twelve games he returned home When people tell Sasakamoose s story this is usually where they end it They say he left the NHL to return to the family and culture that the Canadian government had ripped away from him That returning to his family and home was more important to him than an NHL career But there was much more to his decision than that Understanding Sasakamoose s choice means acknowledging the dislocation and treatment of generations of Indigenous peoples It means considering how a man who spent his childhood as a ward of the government would hear those supposedly golden words You are Black Hawks property Sasakamoose s story was far from over once his NHL days concluded He continued to play for another decade in leagues around Western Canada He became a band councillor served as Chief and established athletic programs for kids He paved a way for youth to find solace and meaning in sports for generations to come Yet threaded through these impressive accomplishments were periods of heartbreak and unimaginable tragedy as well moments of passion and great joy This isn t just a hockey story Sasakamoose s groundbreaking memoir sheds piercing light on Canadian history and Indigenous politics and follows this extraordinary man s journey to reclaim pride in an identity and a heritage that had previously been used against him [USA Today Index](#),1996 *The 1996 Information Please Sports Almanac* Mike Meserole,1996 Profiles the record breakers and record makers statistics and facts for professional and amateur sports as well as highlighting both summer and winter olympics
