Hip-Hop Is History

Questlove, 2024-06-11 This is a book only Questlove could have written a perceptive and personal reflection on the first half century of hip hop When hip hop first emerged in the 1970s it wasn't expected to become the cultural force it is today But for a young Black kid growing up in a musical family in Philadelphia it was everything He stayed up late to hear the newest songs on the radio He saved his money to buy vinyl as soon as it landed He even started to make his own songs That kid was Questlove Now in this landmark book Questlove traces the creative and cultural forces that made and shaped hip hop highlighting both the forgotten but influential gems and the undeniable chart topping hits and weaves it all together with the stories no one else knows It is at once an intimate sharply observed story and a sweeping theory of the evolution of the great artistic movement of our time Questlove approaches it with both the encyclopedic fluency of an obsessive fan and the unique expertise of an innovative participant Hip hop is history and also his history

As a Man Thinketh... But What If He's Wrong? Prince Penman, What if the power of positive thinking is a trap In *As a Man Thinketh But What If He's Wrong* Prince Penman dismantles the myth that optimism alone can heal all wounds exposing the hidden costs of toxic positivity and spiritual bypassing With raw storytelling and sharp insight Penman challenges the self help industry's dogma revealing how it silences grief shames doubt and ignores systemic struggles From a widow gaslit by everything happens for a reason to an activist told to just manifest justice these stories cut deep urging us to embrace authentic living over empty affirmations Drawing on thinkers like Rebecca Solnit and James Baldwin Penman offers a lifeline nuanced hope a gritty action driven alternative to fantasy Through compassionate critique he guides readers toward radical acceptance weaving personal growth with communal healing This isn't another feel good manual it's a bold call to question feel and act because true transformation begins in the messy truth Perfect for fans of *The Year of Magical Thinking* or *Hope in the Dark* this book is for anyone ready to reject toxic positivity and reclaim their story Step into a wiser braver you start today

Proof of Corruption Seth Abramson, 2020-09-08 In the third volume of his Proof series New York Times bestselling author Seth Abramson takes readers on a deep dive into the Ukraine scandal revealing it to be more sinister complex and transnational than previously thought Abramson's research on Trump administration corruption positions the Ukraine scandal as the foreseeable culmination of years of clandestine machinations involving scores of players from Beijing to Budapest Ankara to Caracas Warsaw to Jerusalem Kyiv to Riyadh and Moscow to D C While many know about the July 2019 telephone call that ignited the Ukraine scandal most don't know about the concurrent attempts by members of Trump's inner circle to take over Ukraine's national gas company and bolster dangerous pro Kremlin Ukrainian oligarchs moves that would have benefited Putin and destabilized Ukraine's government and economy In Beijing Trump's dealings with the Chinese government not only enriched him and his family but also culminated in him successfully seeking 2020 election interference from Xi Jinping in the form of closely held information about Joe Biden In Venezuela many of the actors involved in the Ukraine scandal engaged in similarly secretive Kremlin friendly negotiations that undermined U S policy In Syria and Iraq Trump's personal indebtedness to autocrats in Turkey Israel Saudi Arabia and the UAE cost untold lives And Abramson

brings the story back to an increasingly fractured and depleted United States where the COVID 19 pandemic exposes the staggering domestic consequences of the Trump administration's foreign machinations. In *Proof of Corruption* Seth Abramson lays bare Trump's decades-long pattern of corruption. This globe-spanning narrative is an urgent warning about the unprecedented threat posed by a corrupt president and his administration.

Civic Engagement Frameworks and Strategic Leadership Practices for Organization Development Chhabra, Susheel, Kumar, Muneesh, 2020-02-07 In recent years the engagement of stakeholders has become imperative for the overall success of an organization. As the global business landscape continues to evolve, promoting modern leadership techniques and engagement with the community have become two key tactics for organizations to remain competitive in the current market. Understanding and implementing these methodologies is pivotal for professionals and researchers around the globe. *Civic Engagement Frameworks and Strategic Leadership Practices for Organization Development* is a critical reference source that provides vital research on the implementation of strategic leadership techniques for promoting civic engagement and sustaining organizational success. While highlighting topics such as social media strategies, analytical tools, and ethical interventions, this book is ideally designed for managers, executives, politicians, researchers, business specialists, government professionals, consultants, academicians, and students seeking current research on the use of civic engagement and strategic leadership initiatives for the overall development of organizations.

Research Anthology on Citizen Engagement and Activism for Social Change Management Association, Information Resources, 2021-11-26 Activism and the role everyday people play in making a change in society are increasingly popular topics in the world right now, especially as younger generations begin to speak out. From traditional protests to activities on college campuses to the use of social media, more individuals are finding accessible platforms with which to share their views and become more actively involved in politics and social welfare. With the emergence of new technologies and a spotlight on important social issues, people are able to become more involved in society than ever before as they fight for what they believe. It is essential to consider the recent trends, technologies, and movements in order to understand where society is headed in the future. *The Research Anthology on Citizen Engagement and Activism for Social Change* examines a plethora of innovative research surrounding social change and the various ways citizens are involved in shaping society. Covering topics such as accountability, social media, voter turnout, and leadership, it is an ideal work for activists, sociologists, social workers, politicians, public administrators, sociologists, journalists, policymakers, social media analysts, government administrators, academicians, researchers, practitioners, and students.
