Dodging Angels on Saturday Graeme Garrett, 2005 Of many surprising experiences that life has brought two stand out for me God and children Neither turned out to be anything like I had been lead to expect God was big in my family of origin big enough to lure me into a life of faith But I hardly knew what I was getting into Then I married and had two daughters At the time I thought you had children while you got on with the rest of your life That idea turned out to be wide off the mark as well Parents sometimes ask their children usually in the light of some misdemeanor What have you got to say for yourself But that question can as readily be put the other way After all we bring our children without consultation into the world They have to live with the circumstances we create until age and stage give them a choice This book is an attempt at an answer to the implied questions of the rising generation Of all possibilities available why did you choose to live as a believer And what on earth has that to do with us The author an Anglican theologian at St Mark s National Anglican Theological College in

Raina Sun thought she knew what she was getting herself into when she volunteered to take the new foreign exchange student shopping on the last weekend before Christmas. But between a riot for the last hot toy of the season and an abandoned baby, the holiday is a season for mayhem and sometimes it doesn't pay to be a Good Samaritan. Raina wants to reunite the infant with his family, but calling the mysterious phone number in the diaper bag leads to more questions than answers. A strange man claims to be the child's father and his alleged mother turns up dead. The local police are more interested in keeping the town's good name out of international news than considering if there's foul play. And to make matters worse, she has less than a week to find his real parents before the FBI takes over the case. Raina summons her sleuthing skills to protect this baby and soon discovers everyone has a few skeletons in their closets. With her pimp cane-toting grandma, she faces an ex-boyfriend bringing sexy back as well as a murderer determined to hide the truth. Don't miss out on Raina's new adventure. Get your copy today!
