The Digital Evangelicals Travis Warren Cooper,2022-08-02 When it comes to evangelical Christianity the internet is both a refuge and a threat It hosts Zoom prayer groups and pornographic videos religious revolutions and silly cat videos Platforms such as social media podcasts blogs and digital Bibles all constitute new arenas for debate about social and religious boundaries theological and ecclesial orthodoxy and the internet s inherent danger and value In The Digital Evangelicals Travis Warren Cooper locates evangelicalism as a media event rather than as a coherent religious tradition by focusing on the intertwined narratives of evangelical Christianity and emerging digital culture in the United States He focuses on two dominant media traditions media sincerity immediate and direct interpersonal communication and media promiscuity communication with the primary goal of extending the Christian community regardless of physical distance Cooper whose work is informed by ethnographic fieldwork traces these conflicting paradigms from the Protestant Reformation through the rise of the digital and argues that the tension is culminating in a crisis of evangelical authority What counts as authentic interaction Who has authority over the circulation of information While many studies claim that technology influences religion The Digital Evangelicals reveals how Protestant metaphors and discourses shaped the emergence of the internet and explores what this relationship with global new media means for evangelicalism **Open Secrets** Tupelo Press,2021-07-07 This handbook will prepare you to take the lead in executing your own publicity plan It is designed to guide you step by step through the process of making a success of your book It s jam packed with the essential tools ideas and resources you ll need to achieve that goal from an independent publisher who has provided a launching pad for authors like Ilya Kaminsky Aimee Nezhukumatathil Jennifer Michael Hecht Maggie Smith Matthew Zapruder and 250 others You ll learn the essentials for book marketing as an indie author in a digital age Develop your author image and brand across social channels Create an engaging social media presence Grow your audience and meaningfully connect with them Build an attractive searchable website no coding skills needed Launch a publicity campaign that gets you reviews Ensure your book is on bookstore and library shelves Practice mindful literary citizenship Learn from Tupelo authors who were in your shoes not too long ago All authors desire to get their books into the hands of as many readers as possible Though it is a publisher s role to aid and assist authors in marketing and publicity for every book the role of any publisher necessarily takes a back seat to your all important efforts Nobody else can do this essential work as effectively as you can Thoroughly and joyfully embrace the notion of self promotion knowing that it s the book your book you re breathing life into You wouldn t have written and published your book if you didn t believe in it and in yourself as a writer with important artistic talent to share Your publisher believes in you Your family and friends believe in you Your current readers believe in you And future readers will believe in you Invisibility by Design Gabriella Lukács,2020-01-03 In the wake of labor market deregulation during the 2000s online content sharing and social networking platforms were promoted in Japan as new sites of work that

were accessible to anyone Enticed by the chance to build personally fulfilling careers many young women entered Japan s digital economy by performing unpaid labor as photographers net idols bloggers online traders and cell phone novelists While some women leveraged digital technology to create successful careers most did not In *Invisibility by Design* Gabriella Luk cs traces how these women s unpaid labor became the engine of Japan s digital economy Drawing on interviews with young women who strove to sculpt careers in the digital economy Luk cs shows how platform owners tapped unpaid labor to create innovative profit generating practices without employing workers thereby rendering women s labor invisible By drawing out the ways in which labor precarity generates a demand for feminized affective labor Luk cs underscores the fallacy of the digital economy as a more democratic egalitarian and inclusive mode of production *Models of Evangelism* Priscilla Pope-Levison,2020-10-27 Many sincere Christians dismiss evangelism due to enduring evangelistic caricatures This book helps readers move beyond those caricatures to consider thoughtfully and practically how they can engage in evangelism whether it s through one on one conversations social media social justice or the liturgy of worship services At once biblical theological historical and practical this book by a seasoned scholar offers an engaging well researched and well organized presentation and analysis of eight models of evangelism Covering a breadth of approaches from personal evangelism to media evangelism and everything in between Priscilla Pope Levison encourages readers to take a deeper look at evangelism and discover a model that captures their attention Each chapter introduces and assesses a model biblically theologically historically and practically allowing for easy comparison across the board The book also includes end of chapter study questions to further help readers interact with each model *EBOOK: Business Ethics Now* Andrew Ghillyer,2013-10-16 *Business Ethics Now 4e* by Andrew W Ghillyer provides assistance to employees by taking a journey through the challenging world of business ethics at the ground level of the organization rather than flying through the abstract concepts and philosophical arguments at the treetop level By examining issues and scenarios that relate directly to their work environment and their degree of autonomy in that environment employees can develop a clearer sense of how their corporate code of ethics relates to operational decisions made on a daily basis *Technology, Activism, and Social Justice in a Digital Age* John G. McNutt,2018-07-27 Through an examination of online advocacy and social movements social media and traditional electronic advocacy campaigns *Technology Activism and Social Justice in a Digital Age* provides a fascinating look at the current practice and future of social change efforts *Abnormal Psychology* Ronald J. Comer,2015-02-13 An award winning teacher accomplished researcher and experienced therapist Ron Comer knows how to communicate the complexities of the abnormal psychology to speak to the concerns of students and to portray the real human impact of psychological disorders With its signature integrated coverage of theory diagnosis and treatment and remarkably inclusive cross cultural perspective this new edition of Comer s widely adopted textbook shows students where the study and treatment of psychological disorders stand today □□□□□□□□□□ Office 2019 | Office 365 □□□□□ □□□□□□□□,
