Goodreads Choice Nhl Opening Night Near Me:

Subject Guide to Books in Print ,2001 **Bennett: on the ice** Lexi Buchanan,2021-03-22 Boston Bay Vikings hot enough to melt the ice Bennett My friends whispered between themselves when I decided to move Scarlett into my apartment I was the Captain of the Vikings did the interviews so the others didn't have to I preferred my own company and my friends to that of the puck bunnies who tried to catch my eye Yet when I'd first met Scarlett I told myself I was getting her out of a bad situation at home However I find I'm unable to get her out of my head Frustratingly so That wasn't supposed to happen I hardly knew the girl Scarlett When Bennett didn't give me any choice but to move in with him my world had turned upside down I had plenty of space and he vowed that he wouldn't cross the invisible line he'd drawn My confidence had grown because of him and it was time to go after what I wanted the man himself Even with my stepsister and someone from Bennett's past trying to break the thread we knew our obsession with each other was what would hold us together Crossing the line was never more exciting Meet Bennett Edwards and Scarlett Hayes in the second book of the Boston Bay Vikings series by NYT and USA Today bestselling author Lexi Buchanan Wanna Puck? (Book Two) Layla Valentine,Ana Sparks,2021-12-29 One cool as ice veteran player One smoking hot rising star And little old me in the middle All wrapped up in an all star ménage à trois I've been sent to write a piece on two NHL stars Joel Palmer and Dante Drake On the ice they're too hot to handle In the locker room they can't stand each other And now it's my job to get to the bottom of it all The rivals might have already dropped the gloves But I'll give them something to bond over I may be just a simple reporter but I'm about to go all in Tonight I'm down to puck **Release** Brenda Rothert,2024-12-07 NHL player Orion Caldwell protects his own He's an enforcer to his core but he was the one left defenseless when his longtime girlfriend broke his heart Now he's all about his game but spending the offseason in his hometown forces him to confront painful issues both old and new Samara Cross just wants to be invisible After living a nightmare she came back to her hometown seeking solace But her quiet new life is upturned by the hot charismatic hockey player who's taken a sudden interest in her Orion and Samara find something unexpected in each other but when the hockey offseason ends so does their time together They struggle with their separation confronted by ghosts of the past and an uncertain future discovering that sometimes the only way to hold on to something precious is to let go **Two for Holding** S.B. Barnes, Tom Crowler has been captain of the San Francisco Sea Lions for a decade of failures With no cups or trophies to show for his time in the NHL Tom retreated into himself a long time ago and that's exactly where he intends to stay until he retires But when he catches the new team superstar Jaxon Grant in a compromising position Tom finds it impossible to continue hiding his deepest secret behind a bland pleasant mask Jax is everything Tom isn't loud flashy the winner of multiple NHL Awards and oh yeah gay enough to get traded to San Francisco because of a potential PR scandal with his old team At first he thinks Tom catching him means the next trade the next rejection for being just a little too much for other people to take When it turns out the two of them have more in common

than talent on the ice though Jax finds himself drawn in by pulling Tom out As animosity gives way to a partnership neither of them saw coming Tom and Jax are left facing new challenges Will Jax's impulsive nature put Tom's deeply valued privacy at risk Or will Tom's reticence force Jax into pretending to be someone he isn't And if they can't even figure each other out how can they save a struggling NHL team from bad coaching and internal division

Playing the Point Ashley K

Broome,2021-03-09 Brent Henny Henderson knew he was going to be traded It happened But even he couldn't predict that he'd be going from Seattle to their biggest rival the Sioux Falls Martens It didn't keep him from happily packing his bags and moved to a team that hopefully wanted him there With plans to keep his head down and to prove to the Marten's organization and his new teammates that he was a worthwhile trade Henny thought he was ready Until he met Matt Matt Doherty the captain of the Martens had Henny throwing any plans he'd made out the window Their chemistry was instantaneous on the ice and off it Getting his mind off the captain and on the game was near impossible There was something about how Matt treated Henny that made it too easy for him to think there could be something more than friendship between them As the season progresses the temptation becomes harder to resist For the first time Henny started to think that he could have both hockey and love

The Love Chirp Crystal Perkins,2021-08-03 Neal Rock Roquemore earned his bad boy image with fights on the ice and indifference to relationships off of it When he's traded to the new hockey team in Seattle he's not happy to be back in his hometown He's even less happy when a recording of him criticizing elements of the new practice facility goes viral Especially when he finds out the architect is the only woman he's ever loved and walked away from Sarai Redlin watched the love of her teenage life walk away from her ten years ago and she's never forgotten the pain he caused her Now when she's finally achieving her professional dream Neal's back and ruining everything for her again This time she's older and wiser and she's not going to fall for him again and there's no way she's going to undo all her hard work just because he doesn't like it With the media and fans rallying against Sarai Rock has no choice but to work out a compromise with her for the building design and amenities A week on the island they both love might change everything for them again but reality will eventually hit them hard once they're back in Seattle Can their love survive this time or will they have to learn to live apart once and for all
