Congress. Senate. Special

Committee on Aging, 1992 *Creative Engagement in Psychoanalytic Practice* Henry Markman, 2021-11-01 Creative Engagement in Psychoanalytic Practice fills the gaps in current clinical training and theory by highlighting the importance of the analyst's unique voice creativity and embodied awareness in authentically being with and relating to patients In this original and personal account Henry Markman provides an integrated approach toward analytic work that focuses on

engaged embodied dialogue between analyst and patient where emotional states are shared in an open circuit of communication as the route to self discovery and growth The involvement of the analyst s singular and spontaneous self is crucial In integrated and illuminating chapters Markman emphasizes the therapeutic importance of the analyst s embodied presence and openness improvisational accompaniment and love within the analytic framework Vivid clinical vignettes illustrate the emotional work of the analyst that is necessary to be openly engaged in a mutual yet asymmetric relationship From over 30 years of clinical practice and teaching Markman has synthesized a variety of contemporary theories in an approachable and alive way This book will appeal to psychoanalytically oriented clinicians ranging from those beginning training to the most seasoned practitioners
