Thomas,Brown H. Carpenter,2001-08-30 The future of mass media may appear unpredictable and too complex to fathom but Mass Media in 2025 takes a scholarly theoretical approach to identifying trends and explaining their possibilities Noted contributors approach a variety of media with a solid grounding in the history of each and an eye for which may be vulnerable and which may thrive in the new technological age Trends such as interactivity and niche building will affect everything from the newspaper to public relations and this collection of essays provides a fascinating guide to where the next decades may take

us Regardless of the visual aural or printed form Mass Media in 2025 illustrates the degree to which older media will have to incorporate the level of interaction and specialization offered by newer media if they are to survive These effects can already be seen in the proliferation of television channels in the ironic bent of advertising in the rise of infotainment in news organizations This book shows not only how all of this has come to be but also more importantly where it will go **Serious Games** André Thomas,Michelle Meyer,Markus Zank,2025-12-02 This book constitutes the refereed proceedings of the 11th Joint International Conference on Serious Games JCSG 2025 held in Lucerne Switzerland during December 4 5 2025 The 14 full papers 5 short papers 16 other papers included in this book were carefully reviewed and selected from 47 submissions The conference covers a wide range from artificial intelligence applications in games educational technologies healthcare and wellbeing applications extended reality implementations user experience design accessibility and inclusion considerations and impact studies measuring learning effectiveness The conference theme for 2025 focused on Target Audience **GED Test Prep 2024-2025** Kaplan Publishing,2023 An official online prep guide to the GED Test provides more than 1 000 practice questions essential reviews of all GED subjects strategies for writing the RLA extended response and two full length practice tests GED Test Prep Plus 2024-2025: Includes a Diagnostic Pretest, 2 Full Length Practice Tests, 1000+ Practice Questions, and 60+ Online Videos Caren Van Slyke,2023-12-05 With realistic practice proven strategies and expert guidance Kaplan s GED Test Prep Plus 2024 2025 English edition US exam gives you everything you need to pass the test including 60 online videos to provide expert guidance Kaplan is the official partner for live online prep for the GED test and our GED study guide is 100% aligned with the GED test objectives Kaplan s GED Prep Plus 2024 2025 covers all subjects and is designed for self study so you can prep at your own pace on your own schedule **Biological & Agricultural Index** ,1922 **Videodisc and Optical Disk Update** ,1989 *The OECD's Global Minimum Tax and its Implementation in the EU - A Legal Analysis of Pillar Two in the Light of Tax Treaty and EU Law* Valentin Bendlinger,2023-10-17 Rarely in the history of international tax law have there been so many evolutions in such a short space of time In a dizzying array of reports work programmes consultations and announcements the OECD with the active support of the EU has created a framework for a global minimum tax Pillar Two or GloBE In the meanwhile jurisdictions are faced with the practical difficulties of incorporating an incredibly complex set of rules into their domestic legal systems This book aims to shed light on the fundamental and technical issues surrounding the global minimum tax It seeks to unravel the complex ramifications of GloBE s technical framework and aims to explore the relationship between the OECD s soft law materials including the OECD s GloBE Model Rules and the GloBE Commentary tax treaties and the EU s recently adopted GloBE Directive The author not only analyses Pillar Two from a technical and a policy perspective but also provides for a comprehensive examination of the compatibility of Pillar Two with tax treaties and EU law To this end the analysis also includes practical examples and illustrates solutions to numerous technical and policy issues of Pillar Two Among the seminal

matters covered are the following History and Background of the global minimum tax discussion Detailed technical considerations on the design of Pillar Two including its scope the determination of both the GloBE Income as well as the Adjusted Covered Taxes and the computation of the effective tax rate as well as the computation and collection of the final Top up Tax liability including the application of the QDMTT IIR and UTPR Tax policy implications and deficiencies of the final design of Pillar Two The relation of Pillar Two to the current distribution of taxing rights under bilateral tax treaties The analysis includes the compatibility of the QDMTT IIR and UTPR with existing tax treaties and the resolution of potential normative conflicts both between tax treaties and domestic implementations of Pillar Two as well as between tax treaties concluded by EU Member States and the EU s GloBE Directive The role of the GloBE Directive within the EU s legal order including the issue of EU internal and external competence as well as the substantive compatibility of Pillar Two with primary law such as the fundamental freedoms Detailed comparisons between the OECD s GloBE Model Rules and the EU s GloBE Directive elucidate common points and deviations In addition to comprehensive technical considerations the book also provides a comprehensive tax policy perspective on the global minimum tax For its unparalleled clarification of the issues alone this book will prove invaluable to practitioners tax authorities policymakers and academics concerned with the implementation and application of Pillar Two Valentin Bendlinger s book is an outstandingly remarkable work on a highly complex topic The structure clarity of thinking and legal argumentation are excellent and the legal and policy results throughout are profoundly argued The book successfully ties together broad concepts of international and European tax law with highly complex and novel issues of the taxation of multinational enterprises It should be highlighted that Valentin Bendlinger succeeded in leading the reader from the history and policy through a jungle of unprecedented rules to overarching fundamental issues of how the new taxation framework is to be placed in the international and European legal order Prof DDr Georg Kofler LL.M.
