Sight Word Watches Dwayne Douglas Kohn, 2017-01-12 A student who has mastered 100 of the most common words in the English language is on his/her way to becoming a fluent reader These 100 words form the basis of reading You will be amazed how many of these words appear in the text of a typical newspaper article or on a random page of a book Children will LOVE learning sight words with these watches Each time they make a new watch your students will race home to share their new word with their family To make the watches simply cut out the letters and paste them on the watch face to spell the word Then trace the sight word and color in the same word Cut out the pages staple them together with the clock face on top and you have a sight word flip booklet you can actually wear You may make the watch fit tiny hands by pinching the excess watchband together and using a piece of tape to make the watch a better fit Make it just big enough so that the child is able to slip the watch on and off without tearing it The 100 sight words in this title are a all am an and are as at be been big but by call can come day did do down each end find for from get go good had has have he help her hi him his how I if in into is it its just like long look made make man many may me men more most my no not now of on one only or out over put said see set she so some take than the them then they this time to up us use very was way we were what when who will with you your This title actually includes far more than 100 words due to the fact that you can use most of these words to build rhyming word families Just a few examples at bat cat hat sat an can fan man in fin pin tin win it bit hit fit lit sit see bee knee tree now cow how pow by fly shy try why may day hay lay call ball fall hall find bind kind mind like bike hike trike and band hand but cut hut nut get jet let met net did bid hid lid rid each beach teach look book took more sore store **Sight Words &**
