Modern England From The 18th Century To The Present

Robert Kiefer Webb

Modern England From The 18th Century To The Present:

Modern England Robert Kiefer Webb, 1968 Modern England Robert Kiefer Webb, 1969 **The Value of Work since the 18th Century** Massimo Asta, Pedro Ramos Pinto, 2023-07-27 Beginning in the 18th century a turning point in labour history as work encountered an industrialising modernity this book explores how different forms of work have been valued up to the present day Focusing on the cultural intellectual social and political implications of wages the chapters in this collection historicise the labour market conceiving it as complex system of social relations which evolve through time and differ according to space They show how the level of wages and other forms of remuneration reflect not only marginal productivity and scarcity but also the nature of work relations and wider political social and economic circumstances With examples ranging across several centuries and different parts of the globe it shows how wages are influenced by the specific organization and processes of work conflict and power social status and hierarchies between workers custom and identity family structure and professional ethics ideology politics and policy Combining quantitative and qualitative approaches **The Value of Work since the 18th Century** also addresses two interlinked questions how did theoretical interpretations and techniques of wage measurement emerge and evolve and to what extent does this matter in understanding the social and political history of work *Describing Women's Clothing in Eighteenth-century England* Elizabeth Spencer, 2024 Descriptions of women's clothing increasingly circulated across textual genres and beyond in eighteenth century England This book explores the significance of these descriptions across a range of sources including wills newspapers accounts court records and the records of the old poor law Attention has rested on women literate and wealthy enough to leave behind textual or material traces but this book ranges from the parish pauper to the gentlewoman to consider descriptive languages rhetorical strategies and relationships with clothing across the social hierarchy It explores how women described their own clothing but also looks at how it was described by overseers family members retailers and even strangers It shows that we must look beyond isolated descriptions to how why and who was describing clothing to understand its role Chapters uncover themes of material obligation expectation and entitlement Childhood and War in Eighteenth-Century Britain Jennine Hurl-Eamon, 2025-01-12 The eighteenth century saw more years of war than of peace Though victimhood might jump most readily to mind when thinking about how this affected young people it is only a small part of the picture The Seven Years War and the Revolutionary and Napoleonic Wars influenced how children played learned worked and perceived the world around them regardless of whether they were in the heart of the battle or far from the action **Childhood and War in Eighteenth Century Britain** considers how British and foreign youngsters affected the waging of war not only as stalwart camp followers boy soldiers patriotic civilians and bereaved victims but also as evocative images of innocence inability and dependence Drawing on a wide variety of source material and reading it against the grain the book uses both children's lived experience of war and their representation in wartime imagery to reassess neglected aspects of the social and cultural histories of the

long eighteenth century This includes the profound impact of military culture on eighteenth century childhood but also the surprising ways in which childhood itself was mobilized for military ends The same sentiments that set childhood apart as a distinct stage of innocence were used to marginalize youngsters war contributions or leveraged by the state to further military goals and where children s historians have concentrated on the way in which war made children grow up before their time the other side of this picture far less frequently voiced is that war might be seen to infantilize adults The result is a comprehensive and wide ranging account of childhood and war across the eighteenth century that makes novel contributions to and connects two distinct historiographical sub fields the history of childhood and military history

Age and Identity in Eighteenth-Century England Helen Yallop,2015-10-06 Yallop looks at how people in eighteenth century England understood and dealt with growing older Though no word for aging existed at this time a person s age was a significant aspect of their identity

Girlhood in Eighteenth-Century Britain Deborah Simonton,2025-12-16 This book draws on a wide range of sources to provide the first comprehensive account of the experience of eighteenth century working girlhood across all regions of Britain examining the lifecycle stage of growing up for the middling and lower classes as they worked and prepared for a life of work Studies of history have often tended to slide over the distinct history of girls in its focus on women s history merging their stories into broader narratives This volume continues the more recent historical reclamation of girls and girlhood as a useful analytical tool while also specifically addressing the lacunae in histories of eighteenth century working girls Examining the role of home schools and apprenticeships in girls upbringing it considers how mobility shaped their trajectories Furthermore it examines sociability love sex and the misfortunes they might encounter An underpinning message is the active role that girls played in shaping their own destinies using whatever tools were at their disposal Written in an accessible style and bridging gaps in the literature this volume is a valuable resource for university courses in the history of childhood and women s studies history

The British and Their Laws in the Eighteenth Century David Lemmings,2005 New analysis and interpretation of law and legal institutions in the long eighteenth century Law and legal institutions were of huge importance in the governance of Georgian society legislation expanded the province of administrative authority out of all proportion while the reach of the common law and its communal traditions of governance diminished at least outside British North America But what did the rule of law mean to eighteenth century people and how did it connect with changing experiences of law in all their bewildering complexity This question has received much recent critical attention but despite widespread agreement about Law s significance as a key to unlock so much which was central to contemporary life as a whole previous scholarship has only offered a fragmented picture of the Laws in their social meanings and actions Through a broader brush approach The British and their Laws in the Eighteenth Century contributes fresh analyses of law in England and British settler colonies c 1680 1830 its expert contributors consider among other matters the issues of participation central local relations and the maintenance of common law traditions in the context of

increasing legislative interventions and grants of statutory administrative powers Contributors SIMON DEVEREAUX
MICHAEL LOBBAN DOUGLAS HAY JOANNA INNES WILFRED PREST C W BROOKS RANDALL MCGOWEN DAVID THOMAS
KONIG BRUCE KERCHER Law and Government in England during the Long Eighteenth Century D.

Lemmings,2011-10-28 Over the long eighteenth century English governance was transformed by large adjustments to the legal instruments and processes of power This book documents and analyzes these shifts and focuses upon the changing relations between legal authority and the English people Smell in Eighteenth-Century England William Tullett,2019-08-13 In England from the 1670s to the 1820s a transformation took place in how smell and the senses were viewed The role of smell in developing medical and scientific knowledge came under intense scrutiny and the equation of smell with disease was actively questioned Yet a new interest in smell s emotive and idiosyncratic dimensions offered odour a new power in the sociable spaces of eighteenth century England Using a wide range of sources from diaries letters and sanitary records to satirical prints consumer objects and magazines William Tullett traces how individuals and communities perceived the smells around them from paint and perfume to onions and farts In doing so the study challenges a popular influential and often cited narrative Smell in Eighteenth Century England is not a tale of the medicalization and deodorization of English olfactory culture Instead Tullett demonstrates that it was a new recognition of smell s asocial sociability and its capacity to create atmospheres of uncomfortable intimacy that transformed the relationship between the senses and society *God, Duty and Community in English Economic Life, 1660-1720* Brodie Waddell,2012 An analysis of later Stuart economic culture that contributes significantly to our understanding of early modern society The English economy underwent profound changes in the seventeenth and eighteenth centuries yet the worldly affairs of ordinary people continued to be shaped as much by traditional ideals and moral codes as by material conditions This book explores the economic implications of many of the era s key concepts including Christian stewardship divine providence patriarchal power paternal duty local community and collective identity Brodie Waddell drawson a wide range of contemporary sources from ballads and pamphlets to pauper petitions and guild regulations to show that such ideas pervaded every aspect of social and economic relations during this crucial period Previous discussions of English economic life have tended to ignore or dismiss the influence of cultural factors By contrast Waddell argues that popular beliefs about divine will social duty and communal bonds remained the frame through which most people viewed vital earthly concerns such as food marketing labour relations trade policy poor relief and many others This innovative study demonstrating both the vibrancy and the diversity of the moral economies of the later Stuart period represents a significant contribution to our understanding of early modern society It will be essential reading for all early modern British economic and cultural historians BrodieWaddell is Leverhulme Early Career Fellow at the University of Cambridge He has published on preaching local government the landscape and other aspects of early modern society *The Palgrave Handbook of Childhood Studies* J. Qvortrup,W. Corsaro,M. Honig,2016-04-30 A landmark

publication in the field this state of the art reference work with contributions from leading thinkers across a range of disciplines is an essential guide to the study of children and childhood and sets out future research agendas for the subject

Bluestockings and Landscape in Eighteenth-Century Britain Markman Ellis, Jack Orchard, 2025-07-08 Captures in unprecedented depth the cultural significance of the designed landscape and its relationship with Bluestocking philosophy Situated within the broader context of eighteenth century intellectual and cultural history this collection redefines the role of the Bluestocking circle in shaping Britain's landscapes and social ideals Against the backdrop of Whiggish notions of improvement encompassing agricultural innovation aesthetic refinement and moral progress it explores how women such as Elizabeth Montagu Mary Delany and Elizabeth Carter navigated the intersections of polite sociability intellectual production and estate management Their contributions reveal a dynamic interplay between cultural critique and practical reform positioning them as active participants in the period's debates on land labour and national identity Drawing on insights from the Elizabeth Montagu's Correspondence Online EMCO project these essays uncover the creative and social tensions embedded in iconic estates such as Montagu's Sandleford and Lord Lyttelton's Hagley Hall They delve into the poetic and philosophical musings of James Woodhouse the sociable artistry of Mary Delany and the symbolic landscapes of Wrest Park By examining correspondence poetry visual arts and cartography this volume offers an unprecedented exploration of the ways Bluestocking women engaged with and redefined the designed landscape as a site of intellectual and environmental innovation This interdisciplinary collection reshapes the historiography of gender environment and cultural progress offering fresh insights into the enduring significance of eighteenth century landscapes and the intellectual communities that shaped them

Seventeenth-Century Europe Thomas Munck, 2017-03-16 This thematically organised text provides a compelling introduction and guide to the key problems and issues of this highly controversial century Offering a genuinely comparative history Thomas Munck adeptly balances Eastern and Southern Europe Scandinavia and the Ottoman Empire against the better known history of France the British Isles and Spain Seventeenth Century Europe gives full prominence to the political context of the period arguing that the Thirty Years War is vital to understanding the social and political developments of the early modern period provides detailed coverage of the debates surrounding the general crisis absolutism and the growth of the state and the implications these had for townspeople the peasantry and the poor examines changes in economic orientation within Europe as well as continuity and change in mental and cultural traditions at different social levels Now fully revised this second edition of a well established and approachable synthesis features important new material on the Ottomans Christian Moslem contacts and on the role of women The text has also been thoroughly updated to take account of recent research This is a fully revised edition of a well established synthesis of the period from the Thirty Years War to the consolidation of absolute monarchy and the landowning society of the ancien régime Thematically organised the book covers all of Europe from Britain and Scandinavia to Spain and Eastern Europe Important new material has been added on the

Ottomans on Christian Moslem contacts and on the role of women and the text has been thoroughly updated to take account of recent research

Popular Politics and British Anti-slavery John R. Oldfield, 1998 This work explains how the expression of support for black people in 1792 when 400 000 people called for the abolition of the slave trade was organized and orchestrated and how it contributed to the growth of popular politics in Britain

Popular Politics and British Anti-Slavery J.R. Oldfield, 2012-10-12 In 1792 400 000 people put their signature to petitions calling for the abolition of the slaves trade This work explains how this remarkable expression of support for black people was organized and orchestrated and how it contributed to the growth of popular politics in Britain

A culture of curiosity Leonie Hannan, 2023-08-01 This study explores the practice of scientific enquiry as it took place in the eighteenth century home While histories of science have identified the genteel household as an important site for scientific experiment they have tended to do so via biographies of important men of science Using a wide range of historical source material from household accounts and inventories to letters and print culture this book investigates the tools within reach of early modern householders in their search for knowledge It considers the under explored question of the home as a site of knowledge production and does so by viewing scientific enquiry as one of many interrelated domestic practices It shows that knowledge production and consumption were necessary facets of domestic life and that the eighteenth century home generated practices that were integral to Enlightenment enquiry An electronic edition of this book is freely available under a Creative Commons CC BY NC ND licence

Common Bodies Laura Gowing, 2021-06-08 This pioneering book explores for the first time how ordinary women of the early modern period in England understood and experienced their bodies Using letters popular literature and detailed legal records from courts that were obsessively concerned with regulating morals the book recaptures seventeenth century popular understandings of sex and reproduction This history of the female body is at once intimate and wide ranging with sometimes startling insights about the extent to which early modern women maintained or forfeited control over their own bodies Laura Gowing explores the ways social and economic pressures of daily life shaped the lived experiences of bodies the cost of having a child the vulnerability of being a servant the difficulty of prosecuting rape the social ambiguities of widowhood She explains how the female body was governed most of all by other women wives and midwives Gowing casts new light on beliefs and practices of the time concerning women s bodies and provides an original perspective on the history of women and gender

The Routledge History of the Domestic Sphere in Europe Joachim Eibach, Margareth Lanzinger, 2020-12-29 This book addresses the multifaceted history of the domestic sphere in Europe from the Age of Reformation to the emergence of modern society By focusing on daily practice interaction and social relations it shows continuities and social change in European history from an interior perspective The Routledge History of the Domestic Sphere in Europe contains a variety of approaches from different regions that each pose a challenge to commonplace views such as the emergence of confessional cultures of private life and of separate spheres of men and women By analyzing a plethora of manifold sources including diaries court records

paintings and domestic advice literature this volume provides an overview of the domestic sphere as a location of work and consumption conflict and cooperation emotions and intimacy and devotion and education The book sheds light on changing relations between spouses parents and children masters and servants or apprentices and humans and animals or plants thereby exceeding the notion of the modern nuclear family This volume will be of great use to upper level graduates postgraduates and experienced scholars interested in the history of family household social space gender emotions material culture work and private life in early modern and nineteenth century Europe *Sex in an Old Regime City* Julie

Hardwick, 2020-07-18 Our ideas about the long histories of young couples relationships and women s efforts to manage their reproductive health are often premised on the notion of a powerful sexual double standard In *Sex in an Old Regime City* Julie Hardwick offers a major reframing of the history of young people s intimacy Based on legal records from the city of Lyon Hardwick uncovers the relationships of young workers before marriage and after pregnancy occurred even if marriage did not follow and finds that communities treated these occurrences without stigmatizing or moralizing She finds a hidden world of strategies young couples enacted when they faced an untimely pregnancy If they could not or would not marry they sometimes tried to terminate pregnancies to make the newborn go away by a variety of measures or to charge the infant to local welfare institutions Far from being isolated couples drew on the resources of local communities and networks Clerics midwives wet nurses landladies lawyers parents and male partners in and outside the city offered pragmatic sympathetic ways to help young unmarried pregnant women deal with their situations and hold young men responsible for the reproductive consequences of their sexual activity This was not merely emotional work those involved were financially compensated These support systems ensured that the women could resume their jobs and usually marry later without long term costs In doing so communities managed and minimized the disruptions and consequences even of cases of abandonment and unprosecuted infanticide This richly textured study re thinks the ways in which fundamental issues of intimacy and gendered power were entwined with families communities and religious and secular institutions at all levels from households to neighborhoods to the state

book , it can give you a taste of the authors writing style.Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Modern England From The 18th Century To The Present eBooks, including some popular titles.

FAQs About Modern England From The 18th Century To The Present Books

What is a Modern England From The 18th Century To The Present PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Modern England From The 18th Century To The Present PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Modern England From The 18th Century To The Present PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Modern England From The 18th Century To The Present PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Modern England From The 18th Century To The Present PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
