Comics through Time M. Keith Booker, 2014-10-28 Focusing especially on American comic books and graphic novels from the 1930s to the present this massive four volume work provides a colorful yet authoritative source on the entire history of the comics medium Comics and graphic novels have recently become big business serving as the inspiration for blockbuster Hollywood movies such as the Iron Man series of films and the hit television drama The Walking Dead But comics have been popular throughout the 20th century despite the significant effects of the restrictions of the Comics Code in place from the 1950s through 1970s which prohibited the depiction of zombies and use of the word horror among many other rules Comics through Time A History of Icons Idols and Ideas provides students and general readers a one stop resource for researching topics genres works and artists of comic books comic strips and graphic novels The comprehensive and broad coverage of this set is organized chronologically by volume Volume 1 covers 1960 and earlier Volume 2 covers 1960 1980 Volume 3 covers 1980 1995 and Volume 4 covers 1995 to the present The chronological divisions give readers a sense of the evolution of comics within the larger contexts of American culture and history The alphabetically arranged entries in each volume address topics such as comics publishing characters imprints genres themes titles artists writers and more While special attention is paid to American comics the entries also include coverage of British Japanese and European comics that have influenced illustrated storytelling of the United States or are of special interest to American readers

Python beyond Python Paul N. Reinsch, B. Lynn Whitfield, Robert G. Weiner, 2017-07-14 This collection of original interdisciplinary essays addresses the work of Monty Python members beyond the comedy show films and live performances These men are prolific creators in a variety of artistic realms beyond the confines of the comedy troupe Their work as individuals before and after coming together as Monty Python demonstrates a restless curiosity about culture that embraces absurdity but seldom becomes cynical Python members collectively and individually create unique approaches to theatre film video games comic books business training videos and more Python Beyond Python increases our understanding of this often neglected work and the meanings of Monty Python

Understanding Superhero Comic Books Alex Grand, 2023-05-31 This work dissects the origin and growth of superhero comic books their major influences and the creators behind them It demonstrates how Batman Wonder Woman Captain America and many more stand as time capsules of their eras rising and falling with societal changes and reflecting an amalgam of influences The book covers in detail the iconic superhero comic book creators and their unique contributions in their quest for realism including Julius Schwartz and the science fiction origins of superheroes the collaborative design of the Marvel Universe by Jack Kirby Stan Lee and Steve Ditko Jim Starlin s incorporation of the death of superheroes in comic books John Byrne and the revitalization of superheroes in the modern age and Alan Moore s deconstruction of superheroes

John Byrne Eric Nolen-Weathington, Jon B. Cooke, 2006 Using an interview format discusses the life and career of comic book artist John Byrne including his work as artist and writer of
