Modern Hebrew Fiction Gershon Shaked, Yael Lotan, Emily Miller Budick, Jessica Cohen, 2008-05-01 Gershon Shaked's history of modern Hebrew fiction traces the emergence and development of a literature against all odds from its European roots in the 1880s when it had neither a country nor a spoken language to the flowering of a literary culture on Israeli soil

Wisse, 2001-01-19 What makes a great Jewish book What makes a book Jewish in the first place Ruth R Wisse one of the leading scholars in the field of Jewish literature sets out to answer these questions in The Modern Jewish Canon Wisse takes us on an exhilarating journey through language and culture penetrating the complexities of Jewish life as they are expressed in the greatest Jewish novels of the twentieth century from Isaac Babel to Isaac Bashevis Singer from Elie Wiesel to Cynthia Ozick The modern Jewish canon Wisse proposes comprises those books that convey an experience of Jewish actuality those in which the authors or characters know and let the reader know that they are Jews for better or worse Wisse is not content merely to evaluate the great books of Jewish literature she also links the works together to present a new kind of Jewish history as it has been told through the literature of the past hundred years She tells the story of a multilingual multinational people one that has experienced an often turbulent relationship with Hebrew the liturgical and scriptural language and Yiddish the commonplace vernacular tongue as well as with the numerous languages spoken by Jews around the world Wisse insists that language

The Bloomsbury Handbook of Postcolonial Print Cultures Toral Jatin Gajarawala, Neelam Srivastava, Rajeswari Sunder Rajan, Jack Webb, 2023-08-10 The texts that make up postcolonial print cultures are often found outside the archival catalogue and in lesser examined repositories such as personal collections the streets or appendages to established collections This volume examines the published and unpublished writing magazines pamphlets paratexts advertisements cartoons radio and street art that serve as the intellectual forces behind opposition to colonial orders as meditations on the futures of embryonic nation states and as visions of new forms of equality The print cultures examined here are necessarily anti institutional they serve as a counterpoint to the colonial archive and relatedly to more traditional genres and text formats coming out of large scale publishers This means that much of the primary material analyzed in this book has not been scrutinized before Many of these print productions articulate collective liberation projects with origins in the grassroots They include debates around the shape of the postcolonial nation and the new state formation that necessarily draw on a diverse and contentious public sphere of opinion Their rhetoric ranges from the reformist to the revolutionary Reflecting the diversity indeed the disorderliness of postcolonial print cultures this book covers local national and transnational cultures from Asia Africa Europe and the Americas Its wide ranging essays offer a nuanced and taken together a definitive though that is not to say comprehensive or systematic study of a global phenomenon postcolonial print cultures as a distinct literary field The chapters recover the efforts of writers readers and publishers to produce a postcolonialism from below and thereby offer a range of fresh perspectives on the meaning and history of postcolonialism

Here and Now Todd Hasak-Lowy, 2008-03-29 The emergence of Zionism in the late nineteenth century and the evolution of Zionist society in Palestine were profoundly influenced by the Hebrew literature of the day As Todd Hasak-Lowy cogently argues in this book Hebrew authors wrote with the belief that accurately representing Jewish society including its history in their texts would both record the past and establish its future course Hasak-Lowy traces the tensions between the extraliterary the historical social and political and the literary the aesthetic formal and stylistic in Hebrew fiction Focusing on canonical Hebrew texts by S Y Abramovitz Y H Brenner S Y Agnon and S Yizhar the author establishes how their works and

the works of other Jewish authors served as the intellectual and political leadership to the not yet fully amalgamated nineteenth century diaspora *Encyclopedia of Modern Jewish Culture* Glenda Abramson,2004-03 The Companion to Jewish Culture From the Eighteenth Century to the Present was first published in 1989 It is a single volume encyclopedia containing biographical and topic entries ranging from 200 to 1000 word each **Ideology and Jewish Identity in Israeli and American Literature** Emily Miller Budick,2012-02-01 By creating a dialogue between Israeli and American Jewish authors scholars and intellectuals this book examines how these two literatures which traditionally do not address one another directly nevertheless share some commonalities and affinities The disinclination of Israeli and American Jewish fictional narratives to gravitate toward one another tells us much about the processes of Jewish self definition as expressed in literary texts over the last fifty years Through essays by prominent Israeli Americanists American Hebraists Israeli critics of Hebrew writing and American specialists in the field of Jewish writing the book shows how modern Jewish culture rewrites the Jewish tradition across quite different ideological imperatives such as Zionist metanarrative the urge of Jewish immigrants to find Israel in America and socialism The contributors also explore how that narrative turn away from religious tradition to secular identity has both enriched and impoverished Jewish modernity **The Palgrave Handbook of Holocaust Literature and Culture** Victoria Aarons,Phyllis Lassner,2020-01-24 The Palgrave Handbook of Holocaust Literature and Culture reflects current approaches to Holocaust literature that open up future thinking on Holocaust representation The chapters consider diverse generational perspectives survivor writing second and third generation and genres memoirs poetry novels graphic narratives films video testimonies and other forms of literary and cultural expression In turn these perspectives create interactions among generations genres temporalities and cultural contexts The volume also participates in the ongoing project of responding to and talking through moments of rupture and incompleteness that represent an opportunity to contribute to the making of meaning through the continuation of narratives of the past As such the chapters in this volume pose options for reading Holocaust texts offering openings for further discussion and exploration The inquiring body of interpretive scholarship responding to the Shoah becomes itself a story a narrative that materially extends our inquiry into that history *Anglophone Jewish Literature* Axel Stähler,2007-09-14 English has become the major language of contemporary Jewish literature This book shows the transnational character of that literature and how traditional viewpoints need to be reassessed **The Yeshiva and the Rise of Modern Hebrew Literature** Marina Zilbergerts,2022-04-05 The Yeshiva and the Rise of Modern Hebrew Literature argues that the institution of the yeshiva and its ideals of Jewish textual study played a seminal role in the resurgence of Hebrew literature in modern times Departing from the conventional interpretation of the origins of Hebrew literature in secular culture Marina Zilbergerts points to the practices and metaphysics of Talmud study as its essential animating forces Focusing on the early works and personal histories of founding figures of Hebrew literature from Moshe Leib Lilienblum to Chaim Nachman Bialik The Yeshiva and the Rise of Modern

Literary Passports Shachar Pinsker, 2010-12-13 *Literary Passports* is the first book to explore modernist Hebrew fiction in Europe in the early decades of the twentieth century. It not only serves as an introduction to this important body of literature but also acts as a major revisionist statement freeing this literature from a Zionist nationalist narrative and viewing it through the wider lens of new comparative studies in modernism. The book's central claim is that modernist Hebrew prose fiction as it emerged from 1900 to 1930 was shaped by the highly charged encounter of traditionally educated Jews with the revolution of European literature and culture known as modernism. The book deals with modernist Hebrew fiction as an urban phenomenon, explores the ways in which the genre dealt with issues of sexuality and gender, and examines its depictions of the complex relations between tradition, modernity, and religion.

The Cambridge History of Jewish American Literature Hana Wirth-Nesher, 2015-12-09 This History offers an unparalleled examination of all aspects of Jewish American literature. Jewish writing has played a central role in the formation of the national literature of the United States, from the Hebraic sources of the Puritan imagination to narratives of immigration and acculturation. This body of writing has also enriched global Jewish literature in its engagement with Jewish history and Jewish multilingual culture. Written by a host of leading scholars, *The Cambridge History of Jewish American Literature* offers an array of approaches that contribute to current debates about ethnic writing, minority discourse, transnational literature, gender studies, and multilingualism. This History takes a fresh look at celebrated authors, introduces new voices, locates Jewish American literature on the map of American ethnicity, as well as the spaces of exile and diaspora, and stretches the boundaries of American literature beyond the Americas and the West.

An Ideological Death Rachel S. Harris, 2014-08-15 *An Ideological Death* Suicide in Israeli Literature examines literary challenges to Israel's national narratives. The centrality of the army, the mythology of the new Jew, the vision of the first Israeli city, Tel Aviv, and the very process by which a nation's history is constructed are confronted in fiction by many prominent Israeli writers. Using the image of suicide, A. B. Yehoshua, Amos Oz, Etgar Keret, Yehudit Katzir, Alon Hilu, Yaakov Shabtai, Benjamin Tammuz, and Yehoshua Kenaz each engage in a critical and rhetorical process that examines the nation's formation and reconsiders myths at the heart of the Zionist project. In Israeli literature, suicide represents a society's compulsion to create impossible ideals that leave its populace disappointed and deluded. Yet, as Rachel S. Harris shows, even at their harshest, these writers also represent the idealism that helped build Israel as a modern nation state.

the literary works of Polish Jews one unified literature in three languages Yiddish Hebrew and Polish or is the literal corpus
of each of these languages a separated literary and cultural phenomenon Twenty seven scholars from Europe the United
States and Israel explore different aspects of the multilingual literature of Eastern European Jews with a particular focus on
the trilingual literature of Polish Jews until World War II The work of the great Yiddish and Hebrew writer Isaac Leib Peretz
1852 1915 represents the center of the book though it does not concentrate solely on Peretz s work but rather discusses the
oeuvre of other unique authors in the cultural space of Jews in Central and Eastern Europe generally and in Poland
particularly The book looks at this issue from three aspects namely the literal cultural and historical and also examines the
dialogue of Polish Jewish literature with other languages and cultures *Amos Oz* Ranen Omer-Sherman, 2023-03-01 The
