

Modernism And The Harlem Renaissance

Tracy McCabe

Modernism And The Harlem Renaissance:

Modernism and the Harlem Renaissance Houston A. Baker, 1987 Discusses the Harlem Renaissance as a crucial moment in the Afro American form of expression **Modernism and the Harlem Renaissance** Houston A. Baker (Jr.), 1989

Unnatural Selections Daylanne K. English, 2005-12-15 Challenging conventional constructions of the Harlem Renaissance and American modernism Daylanne English links writers from both movements to debates about eugenics in the Progressive Era She argues that in the 1920s the form and content of writings by figures as disparate as W E B Du Bois T S Eliot Gertrude Stein and Nella Larsen were shaped by anxieties regarding immigration migration and intraracial breeding English's interdisciplinary approach brings together the work of those canonical writers with relatively neglected literary social scientific and visual texts She examines antilynching plays by Angelina Weld Grimke as well as the provocative writings of white female eugenics field workers English also analyzes the Crisis magazine as a family album filtering uplift through eugenics by means of photographic documentation of an ever improving black race English suggests that current scholarship often misreads early twentieth century visual literary and political culture by applying contemporary social and moral standards to the past Du Bois she argues was actually more of a eugenicist than Eliot Through such reconfiguration of the modern period English creates an allegory for the American present because eugenics was in its time widely accepted as a reasonable progressive ideology we need to consider the long term implications of contemporary genetic engineering fertility enhancement and control and legislation promoting or discouraging family growth *The Harlem Renaissance in Black and White* George Hutchinson, 1995 By restoring interracial dimensions left out of accounts of the Harlem Renaissance or blamed for corrupting it George Hutchinson transforms our understanding of black and white literary modernism interracial literary relations and twentieth century cultural nationalism in the United States **Images of Black Modernism** Miriam

Thaggert, 2010 Examines the intersecting contributions of writers and visual artists during a key period in African American cultural history **The African American Roots of Modernism** James Edward Smethurst, 2011 The period between 1880 and 1918 at the end of which Jim Crow was firmly established and the Great Migration of African Americans was well under way was not the nadir for black culture James Smethurst reveals but instead a time of profound response fr *Vicious*

Modernism James de Jongh, 1990-11-30 This book concentrates on the aesthetic and cultural force of Harlem which inspired writers from Sherwood Anderson to Tom Wolfe *A History of the Harlem Renaissance* Rachel Farebrother, Miriam

Thaggert, 2021-02-04 This book presents original essays that explore the eclecticism of Harlem Renaissance literature and culture **The Harlem Renaissance and Transatlantic Modernism** Denise Murrell, 2024-02-25 Beginning in the 1920s

Upper Manhattan became the center of an explosion of art writing and ideas that has since become legendary But what we now know as the Harlem Renaissance the first movement of international modern art led by African Americans extended far beyond New York City This volume reexamines the Harlem Renaissance as part of a global flowering of Black creativity with

roots in the New Negro theories and aesthetics of Alain Locke its founding philosopher as well as the writings of W E B Du Bois Langston Hughes and Zora Neale Hurston Featuring artists such as Aaron Douglas Charles Henry Alston Augusta Savage and William H Johnson who synthesized the expressive figuration of the European avant garde with the aesthetics of African sculpture and folk art to render all aspects of African American city life this publication also includes works by lesser known contributors including Laura Wheeler Waring and Samuel Joseph Brown Jr who took a more classical approach to depicting Black subjects with dignity interiority and gravitas The works of New Negro artists active abroad are also examined in juxtaposition with those of their European and international African diasporan peers from Germaine Casse and Ronald Moody to Henri Matisse Edvard Munch and Pablo Picasso This reframing of a celebrated cultural phenomenon shows how the flow of ideas through Black artistic communities on both sides of the Atlantic contributed to international conversations around art race and identity while helping to define our notion of modernism

The Collage Aesthetic in the Harlem Renaissance Rachel Farebrother,2009 Beginning with a subtle and persuasive analysis of the cultural context Farebrother examines collage in modernist and Harlem Renaissance figurative art and unearths the collage sensibility attendant in Franz Boas s anthropology This strategy makes explicit the formal choices of Harlem Renaissance writers by examining them in light of African American vernacular culture and early twentieth century discourses of anthropology cultural nationalism and international modernism At the same time attention to the politics of form in such texts as Toomer s Cane Locke s The New Negro and selected works by Hurston reveals that the production of analogies juxtapositions frictions and distinctions on the page has aesthetic historical and political implications Why did these African American writers adopt collage form during the Harlem Renaissance What did it allow them to articulate These are among the questions Farebrother poses as she strives for a middle ground between critics who view the Harlem Renaissance as a distinctive and necessarily subversive kind of modernism and those who foreground the cooperative nature of interracial creative work during the period A key feature of her project is her exploration of neglected connections between Euro American modernism and the Harlem Renaissance a journey she negotiates while never losing sight of the particularity of African American experience Ambitious and wide ranging Rachel Farebrother s book offers us a fresh lens through which to view this crucial moment in American culture

Eugenics, Modernism, and the Harlem Renaissance Daylanne Kathryn English,1996 **American Modernism (1910-1945)** Roger Lathbury,Jerry Phillips,Patricia Linehan,2010 A guide to the modernist movement in American literature with information on American modernism the Lost Generation modernism in the American novel the Harlem Renaissance modernism in poetry and drama and the literary culture of the Moderns

Jean Toomer and the Harlem Renaissance Geneviève Fabre,Michel Feith,2001 This collection of essays offer a close reading of Jean Toomer s work Cane a book hailed by many as the harbinger of the Harlem Renaissance and as a model for modernist writing that eludes categorization

Resisting Primitivism Tracy McCabe,1994 **Transatlantic Modernism** Martin

Klepper, Joseph C. Schöpp, 2001 Modernism in Europe and modernism in the United States at first glance these two concepts seem to be quite different if not opposing European modernism it appears is innovative and even iconoclastic Joyce Schonberg Gropius Schwitters American modernism it would seem is rather reconciliatory and even conservative Fitzgerald Gershwin Wright and Hopper The collection of essays in Transatlantic Modernism disproves this point Transatlantic Modernism tackles the modes of transfer translation cross fertilization and reinterpretation which actually characterize the complex relations between European and American cultures within the period of modernism The essays collected in this volume cover a broad array of forms of cultural expression literature Doblin Dos Passos Faulkner etc philosophy Bergson James Dewey painting Gleizes Stella Shahn photography Ray Steichen Sheeler fashion Poiret Delaunay Schiaparelli film Fox Stroheim Lubitsch architecture Bauhaus Johnson Hitchcock and opera Thomson Stein *Langston Hughes* Harold Bloom, 2008 Poet playwright novelist and public figure Langston Hughes is regarded as a cultural hero who made his mark during the Harlem Renaissance A prolific author Hughes focused his writing on discrimination in and disillusionment with American society His most noted works include the novel Not Without Laughter the poem The Negro Speaks of Rivers and the essay The Negro Artist and the Racial Mountain to name just a few Langston Hughes New Edition features compelling critical essays that create a well rounded portrait of this great American writer An introductory essay by Harold Bloom and a chronology tracing the major events in Hughes life add further depth to this newly updated study tool **Resisting Primitivism** Tracy Graham McCabe, 1994 *Modernism and Empire* Nigel Rigby, Howard J. Booth, 2000 This work explores the relationship between literary modernism and empire It asks why the art and literature of modernism flourished in 1890 to 1940 when the colonial empires of Europe were at their height yet teetering on the brink of dissolution **From Greenwich Village to Taos** Flannery Burke, 2008 Expands the picture of early American modernism well beyond New York City's dominant impact on the movement by revealing the rich and vibrant modernist art community that New York socialite Mabel Dodge Luhan created in her famous Taos New Mexico salon **Ezra Pound and African American Modernism** Michael Coyle, 2001

Delve into the emotional tapestry woven by in **Modernism And The Harlem Renaissance** .
