Ken Anderson and Jeff Webb just to name a few and found that they all had a lot in common first they have a passion for what they do have a purpose to succeed moved ahead with total determination but first and foremost they owe their success to the role their mother played in shaping their respective lives Each chapter of the book is a lesson my mother taught me while I was growing up They are the same ones all children hear from their own mother The first part of each chapter tells the story of how I learned one of my own mother s lessons Most people who read them will see themselves since all children go through many of the same trials and tribulations The second part of each chapter relates to a specific individual who used their mother s lessons to be successful in their chosen field Some are funny some are sad but all are about life and all true Having interviewed each of these people for the book I wish I could show the raw emotion on each person s face while relating what their mother meant to their individual success I hope everyone takes away from this book that success is not easy but everyone receives the seeds for their success from their mother **Desperate** Sarah Mae,Sally

Clarkson,2013-01-16 Desperate is for those who love their children to the depths of their souls but who have also curled up under their covers fighting back tears and begging God for help It s for those who have ever wondered what happened to all their ideals for what having children would be like For those who have ever felt like all the experts have clearly never had a child like theirs For those who have prayed for a mentor For those who ever felt lost and alone in motherhood In Desperate you will find the story of one young mother s honest account of the desperate feelings experienced in motherhood and one experienced mentor s realistic and gentle exhortations that were forged in the trenches of raising her own four children Also in Desperate QR codes and links at the end of each chapter that lead to videos with Sarah Mae and Sally talking about the chapter Practical steps to take during the desperate times Bible study and journal exercises in each chapter that will lead you to identify ways in which you can grow as a mom Mentoring advice for real life situations Q A section with Sally where she answers readers questions [Frederic Dannay, Ellery Queen's Mystery Magazine and the Art of the Detective Short Story](#)
