Momma, Don't Hit Me! ,2015-12-25 What would you do if you heard someone abusing a child in the bedroom next to yours What would you do if it took over a year for that child to find safety and you heard the child s anguished cries night after night Read one woman s diary of suspected child abuse in the state of New Hampshire during 2011 and 2012 This is a true story describing real events though the characters have been fictionalized This isn t a novel It s a real life diary The story starts as the concerned neighbor gradually discovers that it doesn t help to call the police or state officials Their hands are tied whether by inadequate laws or an overwhelmed and under funded system The only people who seemed concerned were those who by law couldn t do anything except offer help to the family and express frustration to the police Child Protective Services and members of the extended family This diary covers the months that followed to the day one parent decided to shake things up This book isn t just about one child It gives you an inside view of a system that is overburdened and ineffective In this case nothing protected the child from abuse Momma Don t Hit Me also includes the author s thoughts on what needs to change to heal children their families and ultimately their communities Amazon com bestseller Read this poignant true story to understand what s going on behind some closed doors and what needs to change to protect children in our community Fourth edition **Momma, Don't Hit Me!** Shannon Bowen,2014-01 one woman s diary of suspected child abuse in the state of New Hampshire during 2011 and 2012 from back cover
