Mon Camarade Vaillant Pif Gadget:

Sugar, Spice, and the Not So Nice Dona Pursall, Eva Van de Wiele, 2023-02-20 *Sugar Spice and the Not So Nice* offers an innovative wide ranging and geographically diverse book length treatment of girlhood in comics The various contributing authors and artists provide novel insights into established themes within comics studies children s comics graphic medicine and comics by and about refugees and marginalised ethnic or cultural groups The book enriches traditional historical narratological and aesthetic approaches to studying girlhood in comics with practice based research discussion and conversation This re examination of girls gender and identity in comics connects with contemporary discourse on gender identity politics Through examples from both within Europe the anglophone world and beyond and including visual essays alongside critical theory the volume furthermore engages with new developments in contemporary comics scholarship It will therefore appeal to students and scholars of childhood studies comics scholars and creators and those interested in addressing gender identity through the prism of comics *Manuel d'analyse de la presse magazine* Claire Blandin, 2018-02-07 *La presse magazine a mauvaise presse* Elle est pourtant un objet d'étude en plein développement L'ouvrage proposé est destiné aux étudiants de sciences de l'information mais aussi de sciences politiques de sociologie d'histoire etc qui utilisent les magazines dans le cadre de leurs travaux La première partie dresse un panorama du domaine sa place dans la recherche ses outils ses sources etc la deuxième partie problématise l'étude par secteur presse féminine people sportive la dernière partie enfin s'intéresse aux médiers travers des portraits raisonnés de professionnels Ce projet est proposé par un groupe de six enseignants chercheurs qui travaillent ensemble depuis plusieurs années Leur démarche est pluridisciplinaire et entend montrer l'importance de cette ressource pour la recherche en sciences humaines **Mon Camarade, Vaillant, Pif : L'histoire complète (1901-1994)** Richard Medioni, 2012 En 560 pages d'un récit in dit Richard Medioni ancien de Vaillant et qui fut rédacteur en chef de Pif Gadget raconte pour la première fois dans sa continuité et dans sa totalité l'histoire de tous les journaux de bande dessinée issus de la mouvance socialiste révolutionnaire et communiste Une histoire qui commence en 1901 avec la naissance de Jean Pierre et s'achève dans la tourmente en 1994 avec la liquidation de Pif Gadget Ce livre dense et passionnant fruit de dix années de recherche et de travail comporte 72 chapitres 1 350 000 signes et 1150 documents dont beaucoup sont présentés pour la première fois Text/image Mosaics in French Culture Laurence Grove, 2005 This study compares text image interaction as manifested in emblem books and related forms and the modern bande dessinée or French language comic strip It moves beyond the issue of defining the emblematic genre to examine the ways in which emblems and their modern counterparts interact with the surrounding culture and what they disclose about that culture Drawing largely on primary material from the Bibliothèque nationale de France and from Glasgow University Library's Stirling Maxwell Collection of emblem literature Laurence Grove builds on the ideas of Marshall McLuhan Elizabeth Eisenstein and more recently Neil Rhodes and Jonathan Sawday Divided into four sections Theoretics Production Thematics and Reception Text

Image Mosaics in French Culture broaches topics such as theoretical approaches past and present to text image forms the question of narrative within the scope of text image creations and the reuse of visual iconography for diametrically opposed political or religious purposes The author argues that despite the gap in time between the advent of emblems and that of comic strips the two forms are analogous in that both are the products of a parallel mentality The mindsets of the periods that popularised these forms have certain common features related to repeated social conditions rather than to the pure evolution over time Grove's analysis and historical contextualisation of that mentality provide insight into our own popular culture forms not only the comic strip but also other hybrid media such as advertising and the Internet His juxtaposition of emblems and the bande dessinée increases our understanding of all such combinations of picture and text

La culture comme aventure Pascal Ory, 2008 L'histoire culturelle a désormais pignon sur rue Cette reconnaissance une époque où la formule suscitait le scepticisme est due en partie au talent de Pascal Ory Grâce lui depuis son premier texte sur le sujet paru en 1981 on accepte ce concept neuf Ce recueil défend et illustre l'histoire culturelle il réunit une sélection des textes publiés entre 1982 et 2007 et propose certains inédits Autant d'études de cas du surréalisme la gastronomie de la vexillologie la bande dessinée de l'histoire du cinéma l'art populaire qui permettent de délimiter concrètement le champ de ladite histoire approchée dès longtemps comme histoire sociale des représentations tout en posant les questions de méthodes auxquelles cette histoire tente de répondre Cet ensemble est précédé d'une introduction inédite où Pascal Ory présente les thèses videmment au nombre de treize qui définissent les enjeux fondamentaux de ce débat

Histoire de la presse des jeunes et des journaux d'enfants, 1768-1988 Alain Fourment, 1987 Etude sociohistorique des diverses publications périodiques pour enfants et jeunes adolescents en France

Livres de France, 2005
