Money And Your Marriage:

Your Money, Your Marriage Cherie Lowe, Brian Lowe, 2018-09-25 God's vision for your marriage is far more than mediocre and money and sex are two of the most common tension points. But it doesn't have to be this way. In *Your Money Your Marriage* Brian and Cherie Lowe offer straight talk and power principles for getting your finances back on track so you can get back to your romance. Take it from them: the Lowes worked off 127,000 in debt in just four years and emerged not only financially free but better together. Join Cherie, personal finance blogger at Queen of Free, and Brian, family law attorney who's seen it all when it comes to marital money struggles, in this journey to help you and your spouse go from different books to the same page. Through candid and hilarious stories, fresh ideas and practices, and a few winks along the way, Brian and Cherie reveal the secrets to financial foreplay able to help every couple thrive together in finance and romance alike. You'll learn how to develop passionate patience with each other toward a shared financial goal, identify unhealthy financial habits, save smart on date nights, sort through misaligned expectations as a couple, beat the comparison game, cultivate a stronger relationship on a budget of zero dollars. Couples share much more than a bank account or even a bedroom; they share a sacred union. Imagine what your marriage could be if you could put cash conflict behind you. *Your Money Your Marriage* is an invitation to find out and to thrive together.

Mastering Money in Your Marriage Dennis Rainey, 2010-03-01 There's more at stake than your bank account. If money talks, what's it saying about your marriage? Are the two of you on the same side of money matters, or are you often in disagreement? Either way, your marriage will benefit from the discussions and exercises found in this six-week study. Gather with a small group of friends and learn how spouses can manage money together. You'll be challenged to establish financial priorities that you both believe in and support. Identify biblical principles for money management. Make money decisions together. *Mastering Money in Your Marriage* gives a plan for making healthy financial decisions and strengthening your relationship at the same time. You'll be glad you made the investment.

Mastering Money in Your Marriage Ron Blue, 2000 It's no secret that differences over money can cause conflict in marriages. Now readers can learn how to solve money issues and keep marriages strong.
