Money Meditations For Women New Perspectives:

Devil Oil Man Diaries Jo Ann Lordahl, 2023-10-01 Jo Ann Lordahl takes the saga of oil in the ground to gasoline in our cars and makes it fascinating Set in Jay Florida the scene of the largest oil strike in the continental United States Devil Oil Diary is the story of the now gorgeous Mary Celia Diamond an ugly female child growing up in a painfully small religious southern town Where to lend an extra complication Mary Celia has a beautiful step mother a charming spoiled selfish empty headed southern belle who plays her role to the hilt Her father dies when she is twelve and before he can carry out plans to have her ugly nose fixed The transformed Mary Celia now engaged to kind and gentle Stephen returns alone to her beloved childhood home to gather a few final treasures Immediately she is shocked with meeting Vance I met a man named Vance last night Oil trash as they call them around here with a new foreign sophistication Mary Celia wants to learn about oil those oil leases are questionable A lean and mean Vance volunteers to teach her From a helicopter ride to a working oil rig deep in the Gulf to learning what a bore is or how oil pipes can sneak around to a competitor's land we are intrigued Things in Jay have changed and staying alone in her childhood home is not safe Mary Celia is locked alone in the creepy storm cellar Doors slam when nobody but her is home A dead bloody chicken is left on her front door and Claudine her only nurse ally growing up keeps warning her former charge to be careful Stephen arrives in Florida Adventures and clashes follow until an unexpected happy ending

Gold for My Heart Jo Ann Lordahl, 2023-10-01 Sylvia Holbrook has lived on the family's Canadian farm with her Grandfather as well as her Aunt and Uncle all of her life Now that the grandfather has passed away she inherited the farm but cannot keep it Her Aunt and Uncle want to retire to travel Sylvia does not have the money to hire help Besides her mother and father need the money from the sale of the farm to modernize their inn at Niagara on the Lake Sylvia does not want to go live at the Inn Her fiancé does not want to help her with the farm either He has his eye on a city career as an Accountant To top off her growing list of problems there was an Indian burial ground found in the middle of the family peach orchard That has caused a great controversy over the find and the province has called for a big time archaeologist to come and verify the find Instead of a crusty old guy the archaeologist turns out to be a handsome green eyed arrogant fellow who has purchased her farm and wants her to run it for him Sparks fly as well as conflicts between Sylvia and the archaeologist her boring fiancé who seems to enjoy her sister's company more than her own For the first time Sylvia's own dreams may finally be within reach

Shadow on the Teche Jo Ann Lordahl, 2023-10-01 Felecia LeBlanc in the summerhouse behind The Shadows watched the Louisiana Bayou Teche flow by carrying her memories and anticipations The summerhouse was supposed to be haunted As a child she'd heard that but how or why she never knew The swollen red water and the summerhouse held many associations On these steps she and Etienne had decided to marry when they were older And right out there Blaze Devalcourt came down the bayou paddling that log pirogue he'd hollowed out himself Those years ago when she and Etienne told Blaze their marriage plans he'd laughed Then shaking the coal black hair out of his eyes he invited them

for an engagement boat ride Delighted she and Etienne had scrambled into his small unsteady log canoe Sure enough in the exact center of the bayou the crude boat overturned Felecia coming up furious as a cat yelling and hitting about wildly knew Blaze tipped over his pirogue on purpose But Etienne only laughed lazily laughter which to her further fury joined Blaze s hooting and hollering She d hated them both Even now those memories were razor fresh What was Blaze like now So long since she d heard of him It was a long return journey she d made from Nova Scotia Canada to this summerhouse in New Iberia Louisiana Long in more than pure physical distance This was a crossroads in her life No requirement now to stay in Nova Scotia She was free to face the past to make a new future A child when she left Louisiana she was a woman now returning to her old home area and her childhood love Etienne Or rather trying to return Where was he **Glimmer of the Moon** Jo Ann Lordahl,2023-11-09 Tonia Tyson has experienced her share of tragedy may be more than most She is first chair in the local Canadian orchestra and has been promoted to Assistant Concert Master for the extra money to help her and her niece pay for their growing living expenses Star all of five years old is Tonia s main motivation for training and practicing hours everyday for a chance to win the elite prize from the prestigious Tchaikovsky International contest being held in Gainesville Florida Tonia fighting her growing attraction to the orchestra conductor Standley Kenneth Eagleton Tall dark haired and handsome but he is already married to a women who very unstable Eagleton also attracts his share of groupies Star befriends a neighborhood man names Greg also a musician and a teacher at the local private school who seems to be interesting in Tonia too To get to the contest in Gainesville Tonia is worried about her old Datsun making the trip wants to see if she can find a long lost grandmother who is supposed to be located in White Springs Florida The very place her best friend from college has invited Tonia and Star to visit before the contest Between her attraction to Eagleton Greg s attraction to her and all the other events in her life a hurricane coming the same week as the contest is really of little consequence to her ruminations What will happen next Will she win Which man will win her heart Wolf World - A Novel - Book 2 Jo Ann Lordahl,2024-02-01 In Wolf World by Jo Ann Lordahl the prologue and chapters one and three depict a complex emotional journey experienced by the protagonist Christine Forrester as she grapples with the death of her father The prologue sets the stage for Christine s introspective exploration expressing her struggle with the past and her determination to understand and reconcile her experiences Chapter one delves into Christine s emotional turmoil as she prepares for her father s burial portraying her inner conflict vulnerability and the surreal nature of her experiences Chapter three further delves into Christine s contemplations revealing her introspective musings on her relationship with her father her struggle with control and vulnerability and her realization about the importance of acknowledging her inner child s needs The narrative captures the protagonist s emotional complexity vulnerability and internal struggle as she confronts her father s death and grapples with unresolved emotions and past experiences Christine s introspective journey and her attempts to come to terms with her father s passing are central to the narrative portraying a deeply personal and emotional exploration of grief self discovery

and the complexities of human emotions The text captures the protagonist's inner turmoil and her process of introspection providing insight into her emotional landscape and the challenges she faces in navigating her relationship with her father Overall Wolf World offers a poignant portrayal of grief introspection and the complexities of human emotions providing a deeply personal and emotional exploration of the protagonist's journey towards understanding and reconciling her past experiences and emotions in the wake of her father's death

Talking about money in a personal way remains more of a taboo than sex or politics This seems odd within a Christian context since Jesus addressed topics of money poverty and wealth more than any other concerns For many money becomes an idol we see it in our own culture as we pursue economic growth no matter the cost to the overall well being of God s creation When that happens enough is always more than we have right now and scarcity becomes the lens through which we see the world On a personal level this book opens up issues of scarcity and abundance idolatry and freedom on a societal level it invites exploration of greater equity and sustainability On both levels it empowers individuals and groups to apply their faith s values in practical ways while taking pastoral and prophetic stances The author suggests we need to experience the nurturing companionship of a wise compassionate pastor or spiritual guide in our relationship to money while also needing to experience the power strength anger and call to repentance of an Old Testament prophet People want to connect their values with everyday concerns while discovering ways to make a positive difference This book helps them do both Includes a comprehensive study guide within the book for groups and individuals Contributors include Henri Nouwen Dave Barry Walter Brueggemann David Boyle Lynne Twist Lewis Hyde William Stringfellow John Haughey Ched Myers Bill McKibben Sallie McFague William Greider Leonardo Boff Jean Bertrand Aristide Victoria Tauli Corpuz Maria Harris Rich Lang Wayne Muller Sharon Parks
