HOW AMERICA BECAME ANTI-CHRISTIAN AND SELF-DESTRUCTIVE Dr. George Joseph K PhD, 2015-12-10 The American dream of a free world will be defeated if Christianity will be defeated in USA USA cannot survive unless the current perceptions of freedom and secularism undergo a drastic change There is freedom to promote almost everything except the Christian truth Ten Commandments are banned But yoga is promoted at all levels This kind of selective discrimination against the truth will destroy the very foundations of any society Strange motivations of the anti supernatural secularist lobby in the governmental institutions and their complicity in side lining Christian faith cannot be ruled out Thus ironically the undefeatable America tends to defeat itself In its rejection of Christian truth and values USA made truth a lie and the lie a truth If the current trends of self hatred of Christian faith by higher criticism and liberal theology and destruction of churches continue in 20 years USA will be overrun by the values and culture of Hinduism and Islam And USA will go down in history as the most powerful empire which had the best values in its custody since the days of its foundation but subjected itself to a silent death executed by its experts and enjoyed by its people who went after thrillers fantasies romances and other vain imaginations neglecting the truth Remember it was the hatred to Christian values that instigated the anti supernatural liberal theology from within and without the church which ultimately resulted in the Nazi Holocaust Beware when the Christian faith and values are suppressed the very survival of the societies at large is endangered This is the lesson of the entire world history

DANGEROUS SPIRITUAL VACUUM Dr. George Joseph K PhD, 2015-12-10 Dangerous spiritual vacuum is created by the godless philosophies and life styles in all the cultures Modernity's rationalism and anti supernaturalism created a world without God Postmodernity's relativism and subjectivism created a world without values and morality The false philosophical methodology of anti supernaturalism aimed at attacking the Biblical truth back fired and landed the nations open to the supernaturalism of the devil This is obvious through the growing alternative spiritualities The best and the safest philosophy and truth is introduced and proved in this book
