Billboard, 1994-07-23 In its 114th year *Billboard* remains the world's premier weekly music publication and a diverse digital events brand content and data licensing platform *Billboard* publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends **The Search for Survival** Henry C. Lucas Jr., 2012-06-06 Ideal for business students business managers and corporate senior executives this book distills the lessons learned from the disasters that have befallen companies that were unable to cope with disruptive technologies In recent decades technology has changed rapidly to the point that it can very quickly affect a seemingly impregnable company or industry Unexpected technological developments enable innovators to offer new products and services that threaten incumbents In order to survive existing firms must be able to see a disruption on the horizon and figure out how to respond *The Search for Survival* Lessons from Disruptive Technologies examines organizations that failed to develop a strategy for coping with a technological disruption and have suffered greatly or even gone out of business The first chapter presents a model of how firms can respond to and hopefully survive a disruptive technology Each following chapter focuses on firms that have failed to survive or whose future is in doubt accompanied by an extensive detailed discussion of the lessons learned from each company or field's failings covering examples from industries such as recorded music book publishing video newspaper and higher education *Clickology* Graham Jones, 2013-12-09 You're only a click away from online success The world of shopping is at a crossroads While online sales are growing at runaway speed many businesses are finding themselves left behind discovering that what has worked so long in offline does not work online and what works online does not necessarily translate offline it simply doesn't click Packed with tips guidance and real world case studies from online niche stores Bellabox and Facetache to the universal appeal of Groupon and from offline discount stores Dollar Tree and Poundland to the luxury Selfridges in this informative book internet psychologist Graham Jones reveals Why most online shopping carts are abandoned before a purchase is ever made and how to stop this happening in your store Why having a centrally positioned search box aids navigation and increases sales Why offering free shipping online pays off Why it makes sense to be sociable He also reveals the why of consumer behaviour online how it differs from offline behavior and how you can use this understanding to create a store that connects with and engages your customers on both a practical and a psychological level a store that demonstrates true clickology Using an accessible five step CLICK system for turning clicks into dollars the book shows how to learn from the experience of both on and offline and apply lessons to both Whether you're running a small business website or that of a big corporation whether you're operating purely online or offline too Clickology shows you how to thrive *The Design of Sites* van Duyne (Douglas K.), James A. Landay, Jason I. Hong, 2003 Creating a Web site is easy Creating a well-crafted Web site that provides a winning experience for your audience and enhances your profitability is another matter It takes research skill experience and careful thought to build a site that maximizes retention
