Bringers of Order James N. Gilmore, 2025-02-04 Wearable technology including smartwatches biometric trackers and body cameras are often touted as helpful tools that record produce and analyze data about daily life to improve our individual habits and health or to solve serious public issues In this book James N Gilmore argues that these lofty promises mask forms of surveillance and power Charting the implementation of wearables in areas of accessibility health sports labor law enforcement and infrastructure Gilmore demonstrates how these devices have been positioned as authoritative means for producing knowledge about human activity Drawing on news reporting advertising film and television company reports and legal policies he shows how this knowledge production reproduces three distinct modes of power normalcy surveillance and solutionism Bringers of Order empowers readers to examine the complicated ways our devices reshape how we think about our lives and our ethics and why we should resist companies analyzing our personal data

Submission Impossible Lexi Blake, 2021-02-16 He loves the sweet life Greg Hutchins is reluctantly adulting these days He's settled in his job recently bought his first house and has a network of friends he can call family But there's something missing in his life and he can't quite put his finger on it When he's assigned to a case that involves investigating a biochemical company he meets a woman who's sweeter than any candy Maybe she's just the thing to make him feel complete She's ready for the future Noelle LaVigne has faced plenty of tragedy in her life but she's on the right path now Between her new job and settling into a new city she's got no time for dating or relationships She's worked hard to get where she is and no man is going to push her off track Except the minute Hutch crosses her path she can't seem to think about anything but the handsome security expert He's there to find a corporate spy but late night work sessions make her think they've both found something much more meaningful A twist they never saw coming When the case becomes dangerous both of their futures are on the line And when the bullets start flying they will have to learn to trust in each other if they hope to survive

Hitmakers Ana Andjelic, 2024-12-13 Modern brands are

hitmakers Knowing how to influence consumers through collaborations merch entertainment brand codes icons and other cultural products and not through advertising is a matter of strategy In this book world renowned brand expert Ana Andjelic shows how modern brand strategy needs to be redefined as the strategy of cultural influence how brands today influence culture how brands should address audiences and how the new approach to cultural hitmaking works organizationally and operationally A cultural hit is an idea content or entertainment that a large number of consumers pay attention to share and talk about Once cultural hits become market hits by lifting brand popularity or driving product sales they have a strong financial return for a company Brands are motivated to start producing as many cultural hits as possible and these new formats replace traditional brand marketing strategies In the book Ana Andjelic clearly articulates the complexity of this modern brand building and provides a set of practical examples and tools that can be used by brand strategists to produce a cultural hit

Onlife Criminology Janos Mark Szakolczai,2025-07-31 Digital tools such as smart devices personal trackers and social media have become part of daily life for many Onlife online life criminology is the study of crime and social harm produced by the blurring lines between digital engagement and our everyday lives that we may not even be aware of From AI security breaches to the proliferation of conspiracy theories this thought provoking book analyses the serious threats of surveillance targeted indoctrination and abuse of personal data that can potentially affect us all The book explores alternatives to the current situation and presents practical and more sustainable solutions for internet use
