

It's simple. If you want to have sex with me you will have to let me hypnotize you first.

And no faking it, either. If I sense the least bit of resistance as I put you under the deal is off. I will never slide down over your throbbing shaft and ride you to paradise. Never.

So why don't you just realize how motivated you are. Motivated to look into my eyes, ready to listen, ready to relax.

That's right.

You want to merge with me. To vanish into me, spending yourself without reservation.

That's it.

We are becoming one. You are vanishing.

There is only me now.
