Moedim The Appointed Times For Messianic Believers:

Moedim J. K. McKee, 2013-07-24 Today's Messianic community widely believes and advocates that our Heavenly Father is restoring the celebration of the Biblical appointments or moedim chiefly found in Leviticus 23 to all of His people. Messianic Believers find great enrichment every year of going through these annual festivals rehearsing God's plan of salvation history. We bemoan the fact that too many of our Christian brothers and sisters have not partaken of the blessings of knowing things like the Passover Shavuot or Sukkot and the significant enrichment all of us can have by seeing God's plan for history present within them. Some say that because of Yeshua's sacrifice at Golgotha Calvary the Torah or Law of Moses has been abolished and thus the moedim or appointed times are done away with, annulled and abolished. Some believe that they might be important for us to understand in an historical sense for understanding the Bible but are not to be followed as standard elements of our orthopraxy. This publication simply entitled **Moedim The Appointed Times for Messianic Believers** is an important synopsis of what the appointed times of Leviticus 23 actually are and why they have not been abolished by the New Testament.

Christian Tourist Attractions, Mythmaking, and Identity Formation Erin Roberts, Jennifer Eyl, 2018-11-29 Christian Tourist Attractions: Mythmaking and Identity Formation examines a sampling of contemporary Christian tourist attractions that position visitors as the inheritors of ancient sacred traditions and make claims about the truth of the historical narratives that they promote. Rather than approaching these attractions as sacred expressions of religious experience or as uncontested accounts of history, the book applies recent work on mythmaking and identity formation to argue that these presentations of the past function as strategic discourses that serve material concerns in the present. From an approach informed by social and materialist theories of religion, the volume draws upon a variety of methodological approaches that enable readers to understand the often bewildering array of objects, claims, demands, and activities not to mention the seemingly endless array of gifts and personal items available for purchase that appear at attractions including Ark Encounter, the Creation Museum, the Holy Land Experience, Bible Walk Museum, Christian Zionist tours of Israel, and the recently opened Museum of the Bible. Discourse analysis, practice theory, rhetorical criticism, and embodied theories of cognition help make sense not only of the Christian tourist attractions under examination but also of the ways that religion is entangled with contemporary social, political, and economic interests more broadly.

Messianic Sabbath Helper Margaret Huey,2015-11-23 The instruction to remember the Sabbath is the Fourth of the Ten Commandments Remember the sabbath day to keep it holy Six days you shall labor and do all your work but the seventh day is a sabbath of the Lord your God in it you shall not do any work Exodus 20 8 10a The seventh day Sabbath or Shabbat is widely associated with God s creation of the world Genesis 2 2 3 and the Exodus of Ancient Israel from Egypt Deuteronomy 15 15 The Sabbath is one of the Torah s moedim or appointed times Leviticus 23 3 Desecration of the Sabbath actually brought judgment to Ancient Israel Jeremiah 17 19 27 but blessings are offered to those who value and honor Shabbat Isaiah 56 1 8 with a universal observance for the entire world anticipated in the Messianic Age Isaiah 66 23 Today s Messianic movement is different from evangelical Christianity in that while it affirms the Messiahship of Yeshua Jesus of Nazareth it continues to observe the seventh day Sabbath along with Judaism in fidelity to the Torah or Law of Moses and in conjunction with the example of the First Century Believers Certainly holding services on the seventh day commonly called Saturday can be viewed as appropriate for a faith community identifying with the Jewish Synagogue but it

also raises many questions. Inquiries abound pertaining to the ongoing validity of the Sabbath in the post resurrection era. Was not the Sabbath transferred to Sunday in honor of the Messiah's being raised from the dead? Was the Sabbath actually abolished by the Messiah? Inquiries abound pertaining to the observance of the Sabbath. Should not the Sabbath be kept according to the Scriptures only? Should not mainstream Jewish tradition and custom play some role in honoring the Sabbath? What does it mean to not work on Shabbat? The Messianic Sabbath Helper includes a wide breadth of material addressing a wide array of topics associated with Shabbat. This publication has been divided up into two main parts: The Significance of Shabbat and A Theology of Shabbat. You will be able to detect a progression of sorts in our family's own approach to the subject matter as some things are addressed first more generally and then more specifically. In our experience we ourselves have certainly had to move from a more elementary view of the issue of the seventh day Sabbath to a more developed view and we recognize how the Messianic community needs to do the same. This is a massive collection of material well needed for every Messianic home and congregational library.

A Revelation of God's Calendar Rabbi Elliot Hass, 2023-02-09. In this book you will learn: There is an ancient calendar that connects Heaven to Earth. Before the Bible was written, God's appointed times as written in Leviticus were observed. What God did on those appointed calendar dates in the past is what He is doing today and what He is going to do in the future. How God is still unfolding His calendar in a revelation to us today and manifesting Himself to us through every part of His calendar. Here you will find the meaning of your salvation experience in Messiah Yeshua Jesus through the times and seasons of His calendar. You will find out the many ways believers in His true church have been lied to. The scriptures say the truth will set you free. You will find out how these appointed times with their teachings are shown beautifully in the shadow of many events in the world today. You will see some appointed times that will be proclaimed in the future but are hidden to many today. This is a book that can be used to disciple and train people in the Word, knowing His voice and living the kingdom life He placed in every born again believer. This will prophetically and spiritually prepare you for what is coming quickly upon this world.

God's Appointed Times B. O. B. MITCHELL, 2021-06-02. Prepare to meet the Messiah. God has provided us with an incredible clue hidden within the Old Testament revealing the very season of Messiah's return. In Hebrew, The Feasts of the LORD are called Convocations and Rehearsals. Each rehearsal is a prophetic signpost pointing to major events in the ministry of Israel's Messiah. The Spring Feasts: Rehearsals. Passover, Unleavened Bread, First Fruits, and Pentecost were clearly fulfilled to the day in the life, death, resurrection, and ascension of Yeshua of Nazareth, proving him to be the Messiah. But what about the Fall Feasts: Trumpets, Day of atonement, Tabernacles, and Hannukah? When and how will he fulfill these Rehearsals? Messiah told us we do NOT know the day or the hour. But just as the Spring Feasts revealed his ministry and perfect timing of events when he came the first time, I believe he has shown us how he will fulfill the Fall Feasts in the same way in the not too distant future. Messiah is returning very soon. Global events are screaming this to all who will listen. And now we can, with a degree of certainty, pinpoint the season of his return and the

events surrounding that momentous event Messianic Sabbath Helper Margaret Huey, William Huey, J. K. When Will the Messiah Return? J. K. McKee, 2012-10-14 For almost two millennia multiplied millions of Believers in Yeshua the Messiah Jesus Christ have eagerly anticipated His return Many theories doctrines and creeds have been produced concerning the Second Coming as well as an entire score of books In today's world many Christians think that the Messiah can return at any moment in an event called the pre tribulation rapture Even among those who do not believe in this imminent rapture are those who still think that the final days of humanity are upon us Are they Is absolutely everything in place for the Messiah to return quite soon Or are there some things that might be overlooked regarding the Messiah's return Before Yeshua was taken up into Heaven the Apostles asked Him Lord is it at this time You are restoring the Kingdom to

Israel Acts 1 6 The Apostles were eagerly awaiting the Messiah to restore Israel but much work still had to be accomplished as Yeshua commissioned them to go out into the greater world and make disciples among all nations In our era much more has notably happened most especially with the salvation of many Jewish people coming to Yeshua but also with many non Jewish Believers entering into the Messianic movement embracing God s Torah and their Hebraic Roots in a very tangible way Something unique has undeniably started A major challenge is that far too many non Jewish Believers in Yeshua do not understand who the Lord is actually returning for They will often consider themselves part of a separate Church with really no connection to Israel Because of this it is concluded that the Messiah can imminently come for the Church to leave Israel behind to face the Tribulation period and the antichrist Is this a valid teaching Are Israel and the Church separate entities If they are not how would this change our perception of various aspects of the end times When Will the Messiah Return is a unique book addressing the end times from a Messianic perspective The Messiah stated plainly that He would gather the saints immediately after the tribulation of those days Matthew 24 29 Discussed are common false understandings as they relate to the Church being taken to Heaven for the duration of the Tribulation period and instead how all Believers in Messiah Yeshua get to participate in restoration of Israel s Kingdom via His return Some overlooked elements regarding what has been prophesied in Scripture may hold some of the insight for today s Believers evaluating why the Messiah has yet to return to Planet Earth The Messiah in the Appointed Times Donald McCluskey,2025-07-24 The purpose of this booklet is to introduce the Appointed Times from the Law of Moses and explain how each one is a shadow prophecy of Jesus the Messiah Jesus perfect fulfillment of these prophecies demonstrates beyond all doubt that He is truly the Christ the Messiah The left hand pages provide an overview of each Appointed Time while the opposite right hand pages explain how the Messiah fulfilled each one Our hope is that people will realize that Jesus redemptive work was prophesied almost 1 500 years before He walked the earth proving that God s Word is true and reliable and was planned and orchestrated long ago in ages past This booklet was designed as a teaching aid for churches classes and study groups and is especially effective when accompanied by related teaching or preaching The beauty is that the booklet may be used over and over for multiple lessons even as an annual guide for observing the Appointed Times It is a valuable resource that people may keep and review so they can become intimately familiar with essential Biblical teachings of the Messiah Messiah's Calendar James Cummins,Lisa M.
