Mohayana Office Dalai Lama:

The Fourteen Dalai Lamas Glenn H. Mullin, 2001 The 14th Dalai Lama winner of the Nobel Peace Prize and spiritual leader of the Tibetans in exile is well known in the West but the 600 year tradition to which he is heir is less familiar In this book Glenn Mullin offers the life stories of all 14 Dalai Lamas in one volume for the first time He has also included excerpts from their teachings poetry and other writings that illuminate the principles of Tibetan Buddhism From the birth of the first Dalai Lama in 1391 each subsequent Dalai Lama has been the reincarnation of his predecessor choosing to take up the burdens of a human life for the benefit of the Tibetan people For almost six centuries the Dalai Lamas have served as the Tibetans spiritual leader and have held secular power for nearly half that time The Dalai Lamas are revered as incarnations of Avalokiteshvara the Buddhist embodiment of compassion but each has been a unique individual with different abilities and temperament

Religions of the World J. Gordon Melton, Martin Baumann, 2010-09-21 This masterful six volume encyclopedia provides comprehensive global coverage of religion emphasizing larger religious communities without neglecting the world's smaller religious outposts Religions of the World Second Edition A Comprehensive Encyclopedia of Beliefs and Practices is an extraordinary work bringing together the scholarship of some 225 experts from around the globe The encyclopedia's six volumes offer entries on every country of the world with particular emphasis on the larger nations as well as Indonesia and the Latin American countries that are traditionally given little attention in English language reference works Entries include profiles on religion in the world's smallest countries the Vatican and San Marino profiles on religion in recently established or disputed countries Kosovo and Nagorno Karabakh as well as profiles on religion in some of the world's most remote places Antarctica and Easter Island Religions of the World is unique in that it is based in religion on the ground tracing the development of each of the 16 major world religious traditions through its institutional expressions in the modern world its major geographical sites and its major celebrations Unlike other works the encyclopedia also covers the world of religious unbelief as expressed in atheism humanism and other traditions

Tibetan and Zen Buddhism in Britain David N Kay, 2007-02-12 This book analyses the transplantation development and adaptation of the two largest Tibetan and Zen Buddhist organizations currently active on the British religious landscape the New Kadampa Tradition NKT and the Order of Buddhist Contemplatives OBC The key contributions of recent scholarship are evaluated and organised thematically to provide a framework for analysis and the history and current landscape of contemporary Tibetan and Zen Buddhist practice in Britain are also mapped out A number of patterns and processes identified elsewhere are exemplified although certain assumptions made about the nature of British Buddhism are subjected to critical scrutiny and challenged

, **Tibetans in India** A. V. Arakeri, 1998 Tibet is popularly known as the Roof of the World because of its great elevation and as Forbidden Land since nobody went there because of difficult terrain and entry to outsiders was generally opposed by its leaders The eco cultural situations of the Tibet had developed its own traditions customs institutions and beliefs and thus

a typical society and culture The Tibetans were self contented and happy and had struggled hard to preserve their cultural identity institutions religion etc ever since the 6th century This valuable culture of Tibet which had developed preserving its peculiar qualities and differences from the rest of the world cultures was tremendously disturbed by China by flooding her own population and culture into Tibet The sinonization took place at various levels of Tibetan culture by force violence indoctrination and such other means Because Tibet remained isolated and so failed to impress the outside world about its independent existence The Chinese advent followed by the 1959 revolt in Tibet disturbed the calm and orderly society and resulted in the fleeing of H H the Dalai Lama along with about 80 000 Tibetan souls as refugees to India Nepal and Bhutan

Healing at the Periphery Laurent Pordié, Stephan Kloos, 2021-10-18 India has long occupied an important place in Tibetan medicine's history and development However Indian Himalayan practitioners of Tibetan medicine or amchi have largely remained overlooked at the Tibetan medical periphery despite playing a central social and medical role in their communities Power and legitimacy religion and economic development biomedical encounters and Indian geopolitics all intersect in the work and identities of contemporary Himalayan amchi This volume examines the crucial moment of crisis and transformation that occurred in the early 2000s to offer insights into the beginnings of Tibetan medicine's

professionalization industrialization and official recognition in India and elsewhere Based on fine grained ethnographic studies in Ladakh Zangskar Sikkim and the Darjeeling Hills *Healing at the Periphery* asks how the dynamics of capitalism social change and the encounter with biomedicine affect small communities on the fringes of modern India and conversely what local transformations of Tibetan medicine tell us about contemporary society and health care in the Himalayas and the Tibetan world Contributors Florian Besch Calum Blaikie Sienna R Craig Barbara Gerke Isabelle Gu rin Kim Gutsche Pascale Hancart Petitet Stephan Kloos Fernanda Pirie Laurent Pordi **Sacred Tensions** Raymond L. M. Lee, Susan Ellen Ackerman, 1997 This text examines the development and practice of Islam Buddhism Hinduism and Christianity in Malaysia Its analyses provide an insight into how established and charismatic religions fit into the framework of modernization and secularization throughout the world **Chinese Foreign Relations with Weak Peripheral States** Jeffrey Reeves, 2015-10-08 This book examines China s relations with its weak peripheral states through the theoretical lens of structural power and structural violence China s foreign policy concepts toward its weak neighbouring states such as the One Belt One Road strategy are premised on the assumption that economic exchange and a commitment to common development are the most effective means of ensuring stability on its borders This book however argues that China s overreliance on economic exchange as the basis for its bilateral relations contains inherently self defeating qualities that have contributed and can further contribute to instability and insecurity within China s periphery Unequal economic exchange between China and its weak neighbours results in Chinese influence over the state s domestic institutions what this book refers to as structural power Chinese structural power in turn can undermine the state s development contribute to social unrest and exacerbate existing state society tensions what this book refers to as structural violence For China such outcomes lead to instability within its peripheral environment and raise its vulnerability to security threats stemming from nationalism separatism terrorism transnational organised crime and drug trafficking among others This book explores the causality between China s economically reliant foreign policy and insecurity in its weak peripheral states and considers the implications for China s security environment and foreign policy This book will be of much interest to students of Chinese politics Asian security studies international political economy and IR in general
