Shared Meanings in the Film Music of Philip Glass Tristian Evans, 2016-03-03 The study of music within multimedia contexts has become an increasingly active area of scholarly research However the application of such studies to musical genres outside the classical film canon or in television and other media remains largely unexplored in any detail Tristian Evans demonstrates how postminimal music interacts with other media forms focusing on the film music by Philip Glass but also taking into account works by other composers such as Steve Reich Terry Riley John Adams and others inspired by minimalist and postminimal practices Additionally Evans develops innovative ways of analysing this music based on an interdisciplinary approach and draws on research from areas that include philosophy linguistics and film theory The book offers one of the first in depth studies of Philip Glass s music for film considering *The Hours* and *Dracula* Naqoyqatsi *Notes on a Scandal* and *Watchmen* while examining re applications of the music in new cinematic and televisual contexts The book will appeal to musicologists but also to those working in the fields of film music cultural studies media studies and multimedia

Thought , Business , International Business Ehud Menipaz, Amit Menipaz, 2011-03-17 What is international business How does it differ from local or national business What are the fundamental challenges and emerging trends in international business What is the impact of globalization corporate social responsibility and the ever expanding use of digital technology on corporate strategies and executive decisions *International Business Theory and Practice* addresses these questions by providing the student with a broad overview of the subject while guiding readers through the practical issues and context of international business with the use of a range of examples cases and discussion questions drawn from around the world Current critical issues in international business are analysed and explored corporate social responsibility in an era of unprecedented globalization the rise of the global entrepreneur and the democratization of competition worldwide and applications of technology in a digital economy **Key Features** Unpacks the complex issues facing both multi national enterprises MNE and international small and medium enterprises SME Contains a full range of learning features including international case studies explanations of key terms a glossary and annotated further reading

Pacific Automobilism Gijs Mom, 2022-09-13 The beginning of the 21st century has seen important shifts in mobility cultures around the world as the West s media driven car culture has contrasted with existing local mobilities from rickshaws in India and minibuses in Africa to cycling in China In this expansive volume historian Gijs Mom explores how contemporary mobility has been impacted by social political and economic forces on a global scale as in light of local mobility cultures the car as an adventure machine seems to lose cultural influence in favor of the car s status character
