Signs in Activities Dorthe Duncker, Adrian Pablé, 2024-03-27 This book is a collective volume bringing together scholars who share an interest in linguistics from an integrational point of view and in developing new directions for future scholarship Integrational linguistics invites us to rethink the theoretical and methodological premises of general linguistics by drawing on a different conception of the sign and by recognizing the creativity that human communication requires Some chapters are concerned with concepts like the sign contextualization activity and integration Although being core concepts developed by the founder of integrational linguistics Roy Harris they have arguably remained underdeveloped in Harris writings and thus call for further clarification and investigation Other chapters are concerned with the notions of the self and the social experience and interaction with questions about individual agency and will and human sociality and social organization which all occupy a central position in integrational theory Finally remaining chapters focus on how scriptism and the language myth have influenced our way of thinking about communication in a broad sense This edited collection will be of interest to a multidisciplinary readership comprising those engaged in study teaching and research in the humanities and social sciences including anthropology the arts education linguistics literary studies philosophy psychology and semiotics

Instagram Tama Leaver, Tim Highfield, Crystal Abidin, 2020-01-22 Instagram is at the heart of global digital culture having made selfies filters and square frames an inescapable part of everyday life since it was launched in 2010 In the first book length examination of Instagram Tama Leaver Tim Highfield and Crystal Abidin trace how this quintessential mobile photography app has developed as a platform and a culture They consider aspects such as the new visual social media aesthetics the rise of Influencers and new visual economies and the complex politics of the platform as well as examining how Instagram s users change their use of the platform over time and respond to evolving features The book highlights the different ways Instagram is used by subcultural groups around the world and how museums restaurants and public spaces are striving to be Insta worthy Far from just capturing milestones and moments the authors argue that Instagram has altered the ways people communicate and share while also creating new approaches to marketing advertising politics and the design of spaces and venues Rich with grounded examples from across the world from birth pictures to selfies at funerals Instagram is essential reading for students and scholars of media and communication
