Goodreads Choice Cover Letter Deal:

Get Your Book Seen and Sold Claudine Wolk, Julie Murkette, 2023-09-25 Book marketing is intimidating for most authors. It's like learning a new language. Most authors believe that writing the book is the hard part of publishing and that they are done after writing the words. The End. Those in the publishing industry know better. The hard part of publishing starts after the book is completed. By the time most authors realize that they need to market their book, they are too late. Wolk and Murkette set out to change that outcome by providing an easy fun system for book marketing that is straightforward and understandable. Authors want one thing to give their books the BEST chance to be seen and sold. Today authors have so many easy ways to publish literally at their fingertips but after hitting the publish button they find book sales elusive. In the brand new guide *Get Your Book Seen and Sold* authors Claudine Wolk and Julie Murkette provide an easy book marketing strategy with a definitive starting point and a clear map. Through fun graphs, examples and exercises in the guide, authors will stay focused and find the empowerment to successfully promote their books.

The Tangled Web of the Civil War and Reconstruction David Madden, 2015-08-05 This unique collection of writings by the celebrated author David Madden provides a multitude of reflections on the Civil War and Reconstruction from nonfiction to fiction. Included are Madden's examination of key works by historians James McPherson and Fletcher Pratt, the story of the effort to simultaneously burn nine bridges by nine unionist guerrilla bands in the most complicated and coordinated guerrilla tactic of the war, and rediscoveries of both classic and contemporary works of Civil War fiction from William Faulkner, Joseph Stanley Pennell and more. Alongside these essays are pieces from Madden's Civil War novel *Sharpshooter* which illustrate the interconnectedness of fiction and nonfiction. This meshing of iconoclastic and controversial pieces includes varied perspectives on every aspect of the war and reconstruction from culture and civilian life to an imagining of Abraham Lincoln's critique of how historians have recorded the war and its aftermath. By exploring this web of perception, we can better understand the war and in turn shed greater light on the present and the future.

Get It Done: Write a Cover Letter Jeremy Schifeling, 2018-09-25

Want to write the perfect cover letter But don't have time to read through a 300 page book first Then *Get It Done* is for you Here's why it's been a Kindle best seller for six years in a row 1 It's fast The whole book takes about 30 minutes to read 2 It's to the point It breaks the cover letter down to 12 parts and gives you a precise template to complete for every single step 3 It works I developed this system while serving as a Recruiter for Teach For America I've since taught it to MBAs as a Career Coach at the University of Michigan leading to job offers from Apple GE Microsoft Amazon LinkedIn and Google And the system has even been featured in U S News I was just another piece of paper in the deck Jeremy's beneficial insight to the cover letter was against my traditional understanding His direct nature and step by step guidance proved to be beneficial in my search I was able to go through the book and develop a brand new cover letter from scratch in less than an hour Given the price of the book and the time it takes to go through there is absolutely no excuse why you shouldn't buy it right now and start fresh in conveying your background to your next employer LJ If you like me hate writing cover letters then this book is for you Before reading this book I was not even using cover letters because I thought they didn't matter and I didn't know what to say I just sent as many resumes as possible to as many job postings as possible This book changed my life It convinced me no doubt one of the most shameless no cover letter resume spammers out there to stop and write a cover letter Plus Schifeling lays out a series of clear quick steps that make it easy and anxiety free Jane E Nevins What you'll get A sample cover letter using the exact same approach that the author and hundreds of others have used to land jobs from Amazon to Zynga A cover letter template that's broken down into step by step chunks making it easy to apply to your own application The definitive cover letter format that recruiters and hiring managers prefer based on actual recruiting and hiring experience

How To Write Amazing Cover Letters The Hyperink Team, 2012-02-12

ABOUT THE BOOK If a resume is a window into your past work experience a cover letter is the tool you use to install it Cover letters were once just an after thought something most people used to simply regurgitate their resumes In fact it wasn't until the last decade that cover letters gained wide acceptance and importance Today not only is the cover letter just as important as a resume it can be the deciding factor in whether a hiring manager looks at your resume or throws it in the trash But how do you write the kind of amazing cover letter that will get you in the door How can you create a narrative of your professional experience that makes the HR person sit up and take notice The key is knowing how to present yourself It does not matter if you've spent 30 years in the work force or are just entering it the fact remains that you need to learn to how convince someone else to interview you

Happy reading

EXCERPT FROM THE BOOK You've probably figured out a few mistakes to avoid already but you'd probably be surprised at what many employers are turned off by when reading cover letters Lack of proofreading This is a no brainer but many people often miss them or don't bother to spell check before sending out the cover letter and resume It's

always a good idea to ask a friend or family member to check your letter for spelling errors and typos to give you a fresh perspective Not including the name of the hiring manager If you don't know who is going to read your cover letter and resume try to find out When in doubt call the company and ask who the person in charge of that department is so you can target your letter appropriately Not writing to an audience Focus each letter on each employer According to Career Builder 44 percent of executives polled said it's common for applicants to use their cover letters to show they've learned more about the job Doing so can give you an edge against the competition Failing to sell yourself If you undersell your skills and qualifications you won't make an impression on the reader Don't just talk about your accomplishments give concrete examples Regurgitating the resume Cover letters weren't meant as a tool to repeat everything that's in your resume It's a tool to build on it and an opportunity to correlate your experience with the job you're applying for Include any training classes awards and recognition you've received in the past that might give you an edge over the competition Buy a copy to keep reading
