Ice Storm Bruce Dowbiggin, 2014-10-04 In 2008 the Vancouver Canucks were Team Modern revolutionizing the NHL under their new GM former player agent Mike Gillis Cool calculating and unsparing with the media the onetime number one draft pick of the old Colorado Rockies swept away the tangled psychological past of the Canucks with bold innovation remodeling Vancouver as a destination city for NHL star players To do so he built the Canucks from a non playoff team in 2008 to the best in hockey from 2010-2012 He modernized the players diets and psychological approach

he rebuilt the dressing room and he sought sleep consultants to help with the Canucks punishing travel schedule More than that his winning team lifted Vancouver from eighth overall in NHL revenues to second by 2013 When the team took to the ice for Game 7 of the 2011 Cup Final it seemed there was nothing the Canucks couldn't overcome with their Canucktivity approach The hockey world was at their feet But things changed in Game 7 Physically exhausted and bullied by the Bruins the Canucks succumbed 4-0 To cap the greatest season in team history Vancouver rioted Gillis tried a number of aggressive moves to get back to the Final from switching Luongo for Schneider to trading players but nothing worked From there the dominoes fell Alain Vigneault was dismissed John Tortorella hired Tortorella raged fans bayed for Gillis head and finally Gillis and Tortorella were both fired In spring 2014 tried and true Canuck hero Trevor Linden was installed as president with former teammate Jim Benning by his side as GM No one was quite sure if this was an improvement but at least the hysterical screaming had stopped How did it happen Ice Storm follows the journey that led the Canucks from the top of the mountain to the bottom of the abyss in six short years

The sports industry is large, visible, and growing, and it has a huge impact on society That's obvious to die-hard fans who not only watch sporting events but buy everything from balls to ties to paperweights with their favorite team's logo But even sports haters can't escape the onslaught of professional sports They are asked to chip in as taxpayers to build public stadiums and their children are like it or not exposed to events sponsored by alcohol and tobacco companies not to mention the juvenile antics of star athletes Businesses of course take a hit in productivity when the Olympics or World Series or Super Bowl or World Cup rolls around Yet most of us love to watch and play The Business of Sports takes on this endlessly fascinating behemoth of an industry to make sense of it all Yes, sports is big business How big?
