For Cordelia Graves, she may no longer be breathing, but it's still her apartment, and Ruby is the somewhat unwanted houseguest. They're both happy they've managed to become friends, which is a miracle considering they struggle to communicate with each other. Cordelia even sets Ruby up with her old job. When Ruby discovers the body of a delivery guy at work, the new life she's been building hangs in the balance. The last time Cordelia dragged Ruby into a murder investigation, it was almost two ghosts living in the apartment, not one. Determined to protect Ruby, Cordelia tries to shield her from the investigation, but Ruby has other ideas. It will take both of them working together to navigate the fine line between the dead and the living to bring a killer to light.

But the New Lou has deferred her first semester at Texas State to work for a celebrity musician on tour. She's bound for China, Japan, half of Europe, and everywhere in between, though it means getting intimately acquainted with the band's dirty laundry. Even with her road crew uncle on alert, it will be the summer of a lifetime full of underground parties, disco spas, and gelato. When Lou falls for a tattooed guitar prodigy who makes her feel achingly alive, it doesn't cross her mind to doubt him or, as life on the road tightens its hold, her course.
