Cultural Governance Chris Bailey,Elena Theodoulou Charalambous,Geert Drion,2023-12-21 Cultural governance is currently regarded as a transversal element of public policy in Europe This book brings together academics and policy practitioners to provide new insights into the field exploring its contemporary dynamics dilemmas and challenges In light of the Cyprus Presidency in 2026 the authors reflect on the breadth and boundaries of cultural governance in a European perspective the role of

international institutions such as UNESCO and the EU and the frameworks and dilemmas of cultural governance as a dedicated practice Particular attention is given to the relationship between culture and human creativity to cultural rights and to climate breakdown placing cultural governance at the heart of integrated public policy As a key contribution that enriches the field of cultural policy this book is essential reading for academics and offers guidance for concerted action for policymakers and legislators

Film and Tourism Marco Valeri, 2025-04-01 Film tourism has emerged as a major driver of tourism development for many destinations To date there has been substantial literature on the subject but little of it has engaged with the wider social science paradigm of culture film and media research The intellectual components of film tourism as an area of academic inquiry span several academic subjects such as marketing economics finance psychology social development sustainability and operations Film is a relatively obscure area of tourism research but the wider interconnections between tourism space and media are beginning to be explored and understood The interest which the topic has generated highlights this subject as one that is worthy of attention within both the academic community and in a practitioner context The contributions in this book discuss the debates about the perceived and actual impact of film tourism and what must still be learned about this phenomenon to create the most unique and satisfying visitor experiences and protect the communities and environments that it affects Fundamental questions are raised regarding the real demand for and draw of film as a tourism motivator and the range of assumptions conflicts and contradictions that underlie them

The Routledge Handbook of European Integrations Thomas Hoerber, Gabriel Weber, Ignazio Cabras, 2022-02-27 The Routledge Handbook of European Integrations fills a significant gap in the European studies literature by providing crucial and groundbreaking coverage of several key areas that are usually neglected or excluded in European integration collections Whilst still examining the largest and most influential institutions bodies and highly funded policy areas as acknowledged dominant topics in European studies it crucially does so with much greater balance by devoting equal billing to areas such as culture in European integration or new technologies and their impact on the EU Organised around three main sections culture technology and tangibles the book offers an authoritative encyclopaedia to alternative areas in European integration from media football Erasmus and tourism to transport space AI and energy retains coverage of the dominant topics in European studies such as the Eurozone the Common Internal Market or European law but in balance with other areas of interest and provides an essential companion to existing scholarship in European studies The Routledge Handbook of European Integrations is essential reading and an authoritative reference for scholars students researchers and practitioners involved in and actively concerned about research in the study of European integration studies The Open Access version of Chapter 14 in this book available at <http://www.taylorfrancis.com> has been made available under a Creative Commons Attribution Non Commercial No Derivatives 4.0 license
