The Routledge Handbook of Political Communication in Ibero-America Andreu Casero-Ripollés, Paulo Carlos López-López, 2024-10-31 The Routledge Handbook of Political Communication in Ibero America addresses the relationship between communication politics and digital technologies in Latin American and the Iberian Peninsula a geographical space linked by social cultural and linguistic aspects In recent years digital media have been central in the dialogue established by political parties institutions the media and citizens In this hybrid space emerged certain phenomena that are of interest particularly in the Ibero American landscape including disinformation and fake news protests on social media the organization of social movements the relationship between the press and the state political participation populism the role played by emotions and memes the impact of AI and platformization on politics and topics of debate in the public sphere This Handbook is structured into nine parts beginning with a historical contextualization and then exploring central aspects of the discipline It then goes on to study trends at the regional level increasing knowledge about how political communication and digital technologies are changing multiple aspects of Ibero American societies where political communication plays a fundamental role especially in electoral processes with its consequent effects on democracy This Handbook will be of interest to academics students and professionals in the fields of political science communication journalism advertising marketing and sociology as well as public opinion consulting It will be of particular interest to undergraduate and postgraduate students from Latin America Portugal and Spain

Postdigital (Re)Imaginations Petar Jandrić, Juha Suoranta, Marko Teräs, Hanna Davis, 2025-10-31 This edited volume presents the latest achievements of postdigital scholarship in the field of future studies Showing that current policy frameworks are dominated by capitalist imaginaries the book insists on the development of radically different futures This

task is approached in five different ways The book begins with an overview of the many ways to approach postdigital imaginations as emancipatory practices followed by some urgent reimaginings of older ideas It moves on to critiques of current practices policies and imaginaries and develops postdigital research methods for the development of emancipatory educational imaginaries Showcasing some recent interventions in educational politics policy and practice it links presented work on postdigital imaginations with recent postdigital inquiry related to the geopolitics of postdigital educational development This book is suited for educators policy makers and any researcher fascinated by the unbounding of education from capitalist imaginaries and reframing it within an emancipatory future

Crippling Girlhood Anastasia

Todd,2024-05-28 Crippling Girlhood offers a new theorization of disabled girlhood tracing how and why representations of disabled girls emerge with frequency in twenty first century U S media culture It uncovers how the exceptional figure of the disabled girl most often appears as a resource to work through post Americans with Disabilities Act ADA anxieties about the family healthcare labor citizenship and the precarity of the bodymind In paying critical attention to disabled girlhood the book uses feminist disability studies to rupture the unwitting assumption in girls studies that girlhood is necessarily non disabled By closely examining the ways that disabled girls represent themselves Anastasia Todd goes beyond a critique of the figure of the privileged disabled girl subject in the national imagination to explore how disabled girls circulate their own capacious re envisioning of what it means to be a disabled girl In analyzing a range of cultural sites including YouTube TikTok documentaries and GoFundMe campaigns Todd shows how disabled girls actively upend what we think we know about them and their experience recasting the meanings ascribed to their bodyminds in their own terms By analyzing disabled girls self representational practices and cultural productions Todd shows how disabled girls deftly theorize their experiences of ableism sexism racism and ageism and cultivate communities online creating archives of disability knowledge and politicizing other disabled people in the process
