Morning Routine Nhl Opening Night 2025:

Be Where Your Feet Are Scott M. O'Neil, Randal A. Wright, 2025-09-23 Scott O'Neil one of America's most successful sports executives shares seven principles to keep you present grounded and thriving When we're moving at 115 MPH we rarely see the wall coming But it comes for all of us and when it does we grasp for lessons for meaning for purpose Each moment good or bad and each win or loss provides us an opportunity to learn and if we choose to take it that opportunity can change our lives and the world for the better The human spirit craves connection Authenticity Belonging Touch Gratitude Purpose We need to make our interactions count Whether it's the death of a friend loss of a job a bad break up or the isolation of COVID 19 those who manage to be where their feet are will grow stretch and emerge stronger smarter and more prepared as we find peace and gratitude in the pause In *Be Where Your Feet Are* Scott O'Neil CEO of the Philadelphia 76ers and New Jersey Devils offers his own story of grief and healing and shares his most valuable lessons in what keeps him present grounded and thriving as a father husband coach mentor and leader Scott avails his network to share poignant life lessons from an array of people including professional athletes and sports executives a world famous Movie Director Saudi royalty and his teenage daughters among many others *Be Where Your Feet Are* provides a humbling and vulnerable peek behind the curtain as well as a framework anecdotes and exercises to guide the reader towards self discovery A gifted storyteller with an uncanny ability and willingness to bare raw emotion Scott weaves in and out of stories that have left deep imprints on him and are written to lift and inspire

For the Love of a Son Scott Oake, 2025-01-21 1 National Bestseller From *Hockey Night in Canada's* Scott Oake a raw and honest memoir about his son's struggle with opioid use and how he turned a father's worst nightmare into a second chance for others battling addiction A father's love A devastating drug crisis A stirring call to action When veteran broadcaster Scott Oake first held his infant son Bruce in his arms he never imagined that Bruce would become a statistic in the losing battle to opioid abuse In those early days Scott a new father watched Bruce with awe marveling at the potential of his funny charismatic boy As Bruce got older though he struggled to fit in at school and began showing signs of having ADHD including a streak of impulsiveness that often got him into trouble Scott and his wife Anne did their best to support him and for a time he found community and belonging in boxing and local rap battles But when Bruce was pulled into a world of drugs and gangs Scott and Anne experienced a crash course in the reality of loving someone battling substance use disorder Then one quiet day in 2011 Scott got the phone call that every parent dreads Bruce had accidentally overdosed At just twenty five Scott's vibrant creative first born son was gone forever It was a loss that could have broken a man a marriage a family but Scott Anne and their younger son Darcy instead turned the worst day of their lives into a way to help the thousands of Canadians struggling with addiction After nearly a decade of fundraising and battling red tape and political machinations they launched the Bruce Oake Recovery Centre a free revolutionary treatment centre staffed by addicts and alcoholics in recovery *For the Love of a Son* is the story of a father's unconditional love for his

son Above all it s the story of a young man who never got to grow up and a family who gives others the chance to find their way home **Leveling the Ice** Steven Sandor,2025-09-16 A deep dive into the institutional racism and prejudice in the sport of hockey that persists across all levels and how it will impact the future of the sport While professional sports leagues claim to promote diversity and inclusivity institutional racism remains apparent in all sports but especially hockey In *Leveling the Ice* sportswriter Steven Sandor challenges the perception that hockey is open to everyone and the idea that the hockey establishment wants more inclusion and diversity Featuring interviews with NHL players of color like Darnell Nurse Matt Dumba Nazeem Kadri Zach Whitecloud Ethan Bear Jason Robertson Sandor reveals their stories of exclusion to highlight the deeply ingrained racism in the sport The players share insights into the racism they faced while they built their careers as well as the racism they still face today from the hockey establishment From hockey s racist past to the ongoing reluctance of the hockey establishment to embrace grassroots diversity initiatives Sandor delves into how members of communities of color who only make up 5% of the NHL are being driven away from the sport to more inclusive ones like soccer and basketball despite the NHL s expansion to new markets and demographics with billion dollar TV deals Comprehensive and timely *Leveling the Ice* grapples with how the institutional racism in hockey will directly affect the future of the sport

Pucking Strong Emily Rath,2025-08-26 The Jacksonville Rays go international when their Swedish star forward and the team s physical therapist have to stage a very real fake marriage in this delicious slow burn spicy MM workplace hockey romance from viral sensation Emily Rath My name is Teddy O Connor and I just made a terrible mistake It s been six years since I was an intern for the Jacksonville Rays NHL team Six years since I wrapped ice packs on knees and played Mario Kart on chartered planes And six long years since I first met him Henrik Karlsson star forward of the Rays and king of my heart Oh god I ve got to get over this crush I m a doctor now a respected professional And Henrik doesn t even know I exist So you tell me why I m risking everything to follow this man halfway around the world After receiving news of his sister s tragic death Henrik must fly to Sweden to retrieve his injured grieving young niece But with a new hockey season about to start Henrik can t possibly care for her alone In fact the Swedish government won t let him He needs me They both do I d be heartless not to help right Well that s what I told myself last week as I signed our Swedish marriage license It s what I told myself yesterday as I moved into his apartment And it s what I m telling myself now as the Rays PR Director stares us down They want this marriage to look real The team s public image our jobs and Henrik s custody agreement all depend on it But my problem isn t that I don t love my fake husband God help me my problem is that I do **Mind Over Matter** Jordin

Tootoo,Stephen Brunt,2025-10-07 Following the bestselling success of the inspiring *All the Way* pioneering Inuit NHLer Jordin Tootoo begins the process of healing in the wake of the suicide and violence that marks his family only to discover the source of all that trauma in his father s secret past For some hockey players retirement marks the moment when it s all over But Jordin Tootoo is not most hockey players Having inspired millions when he first broke into the league Tootoo continued

to influence people throughout his career not only through his very public triumph over alcoholism but also his natural charisma And now years after hanging up his skates he is more committed to doing things the right way and speaking about it to others whether it s corporate executives or Indigenous youth But the news of unmarked graves on the grounds of residential schools brought back to life many of the demons that had haunted his family In a moment of realization that left him rattled and saddened Tootoo fit the pieces together The years that were never spoken of The heavy drinking The all too predictable violence His father was a survivor marked by what he had survived As he travels back to Nunavut to try to speak with his father about what haunts him he encounters the ghosts of the entire community Still as Tootoo says we are continuously learning and rewriting our story at every step He has learned from his mistakes and his victories He has learned from examples of great courage and humility He has learned from being a father and a husband And he has learned from his own Inuk traditions of perseverance and discipline in the face of hardship Weaving together life s biggest themes with observations and experiences Jordin shares the kind of wisdom he has had to specialize in the hard won kind
