Concert Tickets Usa Returns:

Sponsorship: For a Return on Investment Guy Masterman, 2012-06-14 Sponsorship is both a critical communications tool for sponsors as well as a fundamental revenue stream for rights owners. Market leaders use sponsorship widely and arguably more successfully than any other communications tool to achieve competitive advantage whilst events of all sizes depend on sponsorship just to exist. As the importance of sponsorship has increased the demands of it have risen too. Now sponsors seek measurable return on their investment. *Sponsorship: For a Return on Investment* provides a unique insight on the use of sponsorship for a return on investment and will appeal to practitioners and undergraduate and postgraduate students alike. It builds a conceptual framework for the development, planning, implementation and evaluation of strategies for sport, arts, music and community sponsorship and from two perspectives. For rights owners, the importance of effectively acquiring and then developing a bespoke approach for the recruitment of sponsors for effective sponsorship programmes. For sponsors, a better understanding of how sponsorship can be used for successful integrated marketing communications. A broad selection of examples and case studies from around the world are provided in order to demonstrate the importance of sponsorship on an international basis. This book is a vital resource for both students and practitioners. **Return of the King** Gillian G.

Gaar, 2011-03 By the end of 1968 Presley was artistically revitalised, re-emerging in a TV comeback special during December that year, slimmed down for the now iconic black leather suit, playing country soul influenced rock like he meant it and loved it. In this second period of Presley's career which lasted through to the end of 1970 he recorded some of his most enduring records including *Suspicious Minds* and *In The Ghetto*. Author Gillian Gaar shows how Presley reclaimed his rock and roll crown, making an extraordinary transition from fading balladeer to an engaged vital artist. *Historical Encyclopedia of U.S. Independent Counsel Investigations* Gerald S. Greenberg, 2000-09-30 This volume is a compilation of the U.S. federal special prosecutor independent counsel investigations spanning the complete twenty one year tenure from 1978-1999 of the independent counsel statute. The entries include individuals who have served as investigators, those who have been targets of investigations, all attorney generals who have called for appointment of special prosecutors, all presidents during whose terms of office such prosecutors served and all legal cases that served to argue for or against the constitutionality of the independent counsel statute. These historical precedents are traced from Ulysses Grant's appointment of a special prosecutor to investigate the St. Louis Whiskey Scandal in 1875. More contemporary cases include Watergate precipitated by Richard Nixon's Saturday Night Massacre, dismissal of Special Prosecutor Archibald Cox in 1973, Independent Counsel Lawrence Walsh's Iran Contra investigation and Special Prosecutor Ken Starr's Whitewater investigation of the Clintons and the ensuing permutations which brought individuals like Linda Tripp and Monica Lewinsky to prominence and also brought the statute calling for such investigations into constitutional debate. The book is fully cross referenced and contains a comprehensive bibliography and index. It will be of interest to scholars and students of American History and Constitutional
