Being at Work Mark Cole,2025-11-18 This thought provoking and ground breaking book offers a way for us all to consider our experience of being at work and of the nature of working life Written in an engaging and accessible style it presents the practical means by which to apply central features of existentialism to make sense of how we relate to work and the workplace These include topics such as freedom and choice looking for purpose and making meaning and authenticity We spend a great deal of time at work and being at work is often a challenge Reference to the past in a corporate context tends to see it as a graveyard for errors and failures the future is something articulated by senior leaders and the place to which we

are expected to travel in terms of their definition The specious present is the place where we experience our being in the moment the location where we do our work but it is rarely acknowledged in the places where we work This book offers new insights into how we can all meaningfully live our lives in the context of the world of work To do this it offers a personalised understanding of the existentialist way of philosophising It looks to simplify complex concepts in order to offer the reader a different way of thinking about the time that they spend at work and how they might consider different and more positive ways of being in such an environment It recognises that we spend a considerable amount of our life in the workplace and so argues that we need to consider that and find ways in which to make that experience personally meaningful Where other practices designed to help people to make sense of their actual experience are introspective existentialism is reflexive and active Similarly where those other approaches are deeply individualistic existentialism constantly reminds us that our choices are undertaken in relation to others and that they have a collective implication Whether you are keen to make sense of your experience of workplace and what it means to be a human being in that context or looking to explore how you embrace the challenges of being a leader in business this book will offer you rich perspectives for sense making and ways of rethinking your presence at work

Deadly Widows Vanessa Lillie, Layne Fargo, Cate Holahan, Kimberly Belle, 2025-04-08. The widows are back! Big hair and bigger lies collide in the highly anticipated follow-up to *Young Rich Widows*, where nothing's more dangerous than a widow with nothing left to lose. Set in neon-drenched Providence, Rhode Island, circa 1987, just two years after a plane carrying four mafia-affiliated law firm partners exploded over the Atlantic along with the cushy lives of their once-wealthy wives. Now Krystle fights to keep their fallen law firm afloat. Justine hustles as a lawyer in training. Meredith owns and operates the strip club where she once danced. And Camille orchestrates honey-pot schemes for scorned women until one of her arrangements goes terribly wrong, and she becomes implicated in the debauched Mayor Tom's mysterious murder in the champagne room. With everything on the line, the widows must join forces once more. But as the conspiracy unravels beyond the mayor's demise, their search for justice pits first wife against second wife and widow against widow. With the widows' fragile bond now tested, will the women cement their friendships or is loyalty a luxury they just can't afford? In this thrilling expansion of the Widows universe, brimming with sloshed champagne, smeared lipstick, and lethal secrets, *Desperate Deadly Widows* unfolds as an edge-of-your-seat thriller where desperation wears stilettos, trust is a poker chip, and redemption comes at the cost of everything you thought you knew. *Young Rich Widows* Vanessa Lillie, Layne Fargo, Cate Holahan, Kimberly

Belle, 2024-04-02. An 80s romp with big hair and even bigger secrets. Grab your popcorn and settle in for this incredibly fun and twisty read. Jeneva Rose, New York Times bestselling author of *You Shouldn't Have Come Here* 1985. Rhode Island. A private jet carrying four partners of a Providence law firm crashes outside New York City, killing all aboard but leaving behind more questions than answers and setting the stage for four widows to find the truth. Justine, a former fashion model adjusting to suburban life. Camille, a beautiful young second wife whom some suspect is a gold digger. Meredith, a stripper who was in a relationship with the firm's only female partner. Krystle, a founding partner's wife committed to the firm being a legacy for her sons. While the crash is initially ruled a tragic accident, something's not adding up. The team wasn't supposed to be in New York that day, and it's soon revealed there was a very large sum of cash that burned up with the plane. The scene is as wild as 80s neon, and the manic chase to uncover the Mafia-laced secrets gives this rip-roaring read a rad vibe that will linger long after the 80s soundtrack fades and the hairspray falls. *Young Rich Widows* is hands down the most original thriller you'll read all year.
