the 2025 International Conference on Financial Risk and Investment Management (ICFRIM 2025)

Maizaitulaidawati Md Husin, 2025-08-03 This book is an open access The 2025 International Conference on Financial Risk and Investment Management ICFRIM 2025 will be held from February 28th March 2nd in Singapore This global event will serve as a key platform for the presentation and discussion of the latest research and innovations in financial risk management investment strategies and related areas The conference will bring together a diverse group of scholars practitioners and industry experts to explore the challenges and opportunities in the rapidly evolving financial landscape As the financial industry continues to face unprecedented changes due to technological advancements regulatory shifts and global economic dynamics effective risk management and innovative investment strategies have never been more critical ICFRIM 2025 aims to provide a platform for the exchange of ideas the sharing of best practices and the exploration of new frontiers in financial risk and investment management The conference will feature keynote speeches and paper presentations from leading academics and professionals in the field Topics will range from risk assessment and mitigation strategies to the impact of fintech and artificial intelligence on investment management Attendees will have the opportunity to engage with cutting edge research network with peers and gain valuable insights into the latest trends and developments shaping the future of finance We invite researchers industry practitioners and policymakers from around the world to participate in ICFRIM 2025 contributing their expertise and perspectives to this important dialogue Join us as we collaborate to advance the field of financial risk and investment management **The Fall of the Alphas** Dana Ardi, 2025-06-25 The new model for

business success replace top down Alpha management with collaboration connection and increased job satisfaction the Beta model The Fall of the Alphas explores the sweeping changes taking place in the corporate and social cultures of today s most successful organizations Utilizing years of advising companies of all sizes hypergrowth startups to Fortune 500 company management teams Dana Ardi identifies a pivotal evolutionary moment the decline of the traditional Alpha model the top down male dominated authoritarian corner office hierarchy that has ruled organizational landscapes for so long as it is replaced by collaboration connectivity and the sharing of power As Ardi persuasively demonstrates in the new Beta organization it is the team players the sage advisors the network experts the trusted assistants and the communications facilitators who are coming to the fore as savvy managers learn to lead through influence and collaboration rather than authority and competition From technology behemoths to small and medium sized businesses Beta has become the new paradigm for success in today s challenging market With insight and practical guidance Dana Ardi shows how any business organization or team can re organize from Alpha to Beta and be more effective flexible and profitable *Financial Services*

The Routledge Handbook of Cultural Ecosystem Services Pamela D. McElwee, Karen E. Allen, Rachelle K. Gould, Minna Hsu, Jun He, 2025-05-29 The Routledge Handbook of Cultural Ecosystem Services provides an overview of Cultural Ecosystem Services CES which are the nonmaterial aspects of benefits that people derive from nature These diverse and multifaceted contributions can include experiences capabilities and identities among others The Handbook addresses how these CES are valued how they reflect

human nonhuman relationships and what roles they can play in improved human well being ecosystem management and trajectories towards sustainability This Handbook presents a wide array of perspectives on the roles CES can play in understanding relationships to nature and on how those relationships might translate into policy The Handbook includes philosophical approaches to CES typologies and classifications of types of CES and case studies of places people policies and projects engaging CES Across seven distinctive Parts the chapters deliver a number of important practical lessons on how to understand measure and value CES and use examples and applications from around the world including how CES apply across different biomes The Handbook also includes a selection of compelling artworks that represent CES in different cultural contexts The 91 authors represent 19 different countries providing a rich range of experiences including a strong focus on the Global South This book can serve as a comprehensive guide to researchers who are new to CES and wish to understand more about the field and as a set of go to instructions for experienced CES researchers It can also inform policymakers who wish to better incorporate CES into their work The Open Access version of this book available at <http://www.taylorfrancis.com> has been made available under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license

Television Goes Back to the Future Anthony N. Smith, Laura Minor, 2025-11-08 This book examines the extent to which the practices of television's past are shaping its online future Challenging industry and scholarly claims of digital disruption it demonstrates how streaming giants like Netflix Disney and Amazon Prime Video alongside public service broadcasters like the BBC and Channel 4 maintain deep continuities with television history adapting established industry practices online rather than abandoning them The authors look at how media institutions have applied conventional broadcast television practices around live transmissions linear scheduling commercial interruption and episode release cadences to streaming platforms how narrative and genre norms continue to underpin American television drama and British TV sitcoms in online contexts and how globalised streaming services cultivate country specific programming and retain close ties to traditional practices of national broadcasting systems in South Korea

The 1619 Project Myth Phillip W. Magness, 2025-07-15 There is no one better to pick apart the disastrous 1619 Project than Phil Magness If every classroom that incorporated the 1619 Project into its curriculum replaced it with this book the country would be better off Coleman Hughes Slavery is part of America's story its greatest shame But abolition is part of America's story too Ignoring the latter isn't just bad scholarship It's brazen deceit And more often than not it's done for political reasons But that didn't seem to bother the writers at the New York Times when they launched the 1619 Project in August 2019 Advertised as a journalistic deep dive on the history of slavery the series promised thematic explorations on a number of topics ranging from the first slave ship's arrival in Jamestown Virginia in 1619 to the present day Independent Institute Senior Fellow and David J Theroux Chair Phillip W Magness was intrigued What he found though was something else entirely To say he was disappointed is putting it mildly The 1619 Project was riddled with partisan hysteria sloppy scholarship blatant errors of fact and

interpretation and above all else an anti capitalist ideological agenda to make the case for tearing down our free market economy Worse still its transformation from intellectual debate to political dogma poisoned discourse on the right and the left Angry Twitter mobs canceled and called for the censoring of all critics Civil discourse and rational thinking became almost impossible Almost impossible Thankfully The 1619 Project Myth boldly sounds the alarm on the New York Times outright ideological warfare against American history It s the essential guide to the many lies distortions and propaganda peddled by the 1619 Project and its defenders Magness writing is cool calm collected and firm An acclaimed academic and historian in his own right he debunks and dismantles every myth and blunder of the 1619 Project including how the 1619 Project s creator Nikole Hannah Jones twisted history into shallow political propaganda just in time for election season why the Project s activist defenders rely on sneering derision instead of historical facts why capitalism is not racist and in fact helped free the slaves why reparations are a moral and logistical dead end how the American Historical Association fumbled a chance to protect its institutional integrity and defend real scholarship how Hannah Jones responded to her critics by ignoring their corrections and making her message even more partisan political and anti capitalist and so much more In these pages Magness delivers a long overdue rebuke to scholars who treat history as a political weapon History isn t a tool for scoring points It s a long complicated and morally nuanced story that demands humility intelligence and moral courage from every scholar who dares plumb its depths This is a must read book on slavery freedom and the true American story

Digital and Media Management Tarun Jindal,2025-02-20 Digital and Media Management serves as a vital guide through today s rapidly shifting media landscape where traditional and digital platforms converge This book provides an in depth look at strategies challenges and opportunities in the evolving world of media management offering a comprehensive toolkit for professionals and newcomers alike We begin with core concepts tracing the evolution of media management and highlighting essential principles and challenges faced by media managers Covering traditional sectors like print broadcast and film readers gain insights into the business models editorial processes and distribution strategies that drive these industries As the focus shifts to digital media we explore social media content creation and digital marketing Practical examples and case studies illustrate how media organizations can harness digital tools to engage audiences monetize content and maintain a competitive edge Emphasizing content management systems CMS we provide actionable guidance for streamlining digital workflows and optimizing content strategies With a dedicated section on strategic management readers also learn to develop adaptable strategies navigate legal considerations and harness technology innovations like data analytics and AI Digital and Media Management equips readers with the insights and strategies necessary to succeed in the modern media landscape

The ASQ Certified Software Quality Engineer Handbook Linda Vogelsong Westfall,2025-01-05 The ASQ Certified Software Quality Engineer Handbook Third Edition contains information and guidance that supports all the topics within the 2023 version of the Certified Software Quality Engineer CSQE Body of

Digital Shock: Seven Shocks that are Shaping the Future Dr. Jagdish Sheth, Suresh K. Sharma, Vibrant Publishers, 2025-01-22

In a world where technology shapes every aspect of our lives Digital Shock Seven Shocks That Are Shaping the Future delves into the profound disruptions we face today and those still to come Digital technologies like the Internet and social media have thrust us into unforeseen and new ways of life We are also witnessing rapid advancements in fields such as Codifying Trust Artificial Intelligence Quantum Computing and others In this digital age technology has transformed mobility and agriculture but it has also led to resource depletion and health issues How did we manage these shifts in the past and how will we cope with even greater changes in the present and future Will we survive in the current world of the Internet mobile phones eCommerce and social media Or are we in for a rude shock Will we adapt or become a lonely Society of One Digital Shock written by prominent global thought leaders and some of the most published authors of

our time identifies seven shocks we are all experiencing in the 21st century These include coping with digital addiction families living like roommates the emergence of virtual communities the borderless world of social media lack of governance and the need to adaptively reuse physical assets like factories and malls Contrary to doomsday thinkers we believe humanity will not only absorb each shock but also consider it as an opportunity for more discoveries and innovations We foresee that with our cognitive capabilities and some proactive planning by each individual and society we will once again embrace the future not only to survive but also to thrive Hence this book is neither academic nor prescriptive nor is it a treatise on technology It differs in its execution and engagement of this critical subject that impacts all our lives *Mergers,*

Acquisitions, and Other Restructuring Activities Donald DePamphilis, 2025-09-15 *Mergers Acquisitions and Other Restructuring Activities An Integrated Approach to Process Tools Cases and Solutions Twelfth Edition* presents the most current and comprehensive M A on M A environments M A processes M A valuation and modeling deal structuring and financing strategies and alternative business and restructuring strategies Covering relevant academic research published since 2021 make the 12th edition a balanced comprehensive guide to the complex and dynamically changing world of M A With content relevant to industries worldwide this new edition illustrates the most germane strategies and tactics in today s marketplace Provides a rigorous discussion on the strengths and limitations of financial modeling as applied to M A Includes a wealth of empirical studies published in leading peer reviewed journals since the prior edition Presents updated M A tactics and strategies as well as court cases and new regulations governing business combinations valuation methodologies and financing Provides robust online support including teaching resources for instructors and study and practice materials for students **The Golden Girls** Taylor Cole Miller, Alfred L. Martin, 2025 The Golden Girls Tales from the Lanai is an

accessible collection that explores the cultural industrial and historical impact of that beloved American sitcom Edited by Taylor Cole Miller and Alfred L Martin Jr this anthology brings together a diverse range of voices that model different media studies approaches to researching and critically analyzing television texts The Golden Girls reclaims the production history and development of the show opens new conversations about audiences especially Black queer and female audiences and provides new insight into the meteoric rise in popularity of The Golden Girls as a 2020s cultural phenomenon With twelve original chapters and extensive original interviews offering readers rare insights behind the scenes the book is a long day s journey into the marinara of The Golden Girls an immersive engaging opportunity for readers to learn more about the show It truly is the golden age of The Golden Girls *It's (Almost) Always Sunny in Philadelphia* Kimberly Potts, 2025-07-01 In the bestselling traditions of Seinfeldia and Top of the Rock comes a fascinating deep dive into the longest running live action sitcom in television history from its humble beginnings to its evolution as a critically acclaimed cult classic comedy Charlie Dennis Mac Sweet Dee and Frank are deplorable characters They will never mature become more self aware or less self involved That is what the creators of It s Always Sunny in Philadelphia are committed to and that s why the show s millions of

devoted fans have stuck with the cult comedy hit for over sixteen seasons and counting Created in 2005 by stars Rob McElhenney Glenn Howerton and Charlie Day unemployed actors with a pair of Law Order guest appearances as the highlights of their collective resume the frustrated trio drafted a homemade TV pilot A few months and 200 later the cost of videotapes pizza for their friends who volunteered as extras and a broomstick to tape their boom mic to It s Always Sunny in Philadelphia was ready for its network debut All major parties either passed or were interested but wanted creative control And then came FX looking to shake up cable TV Willing to allow McElhenney Howerton and Day complete freedom to deconstruct the traditional sitcom new president John Landgraf agreed to take a chance No one had any idea how big of a success it would be With FX s one creative note the hiring of Danny DeVito adding the final piece of the puzzle It s Always Sunny in Philadelphia has enjoyed a steady climb to high ratings critical acclaim and a place in the cultural zeitgeist Now how the show and its creators have accomplished this is revealed with this in depth behind the scenes celebration As thoughtful provocative and engaging as the show itself this book also explores how the show has pushed the envelope and used absurdist comedy to explore major societal issues including the MeToo movement LGBTQ rights racism and more It also asks what does the future hold for The Gang It certainly won t include the characters personal growth but the show itself continues to move forward adding to its dynamic history with each season
