conditions are becoming more prevalent in today's society and it has been estimated that 1 in 4 people in the UK will experience a mental health issue at some point in their lives. The increase in mental health complaints has also affected the volume of calls to 999 in which paramedics are regularly called to address patients' mental health concerns. The complexities and nuances within mental health means that many paramedics feel underprepared when managing patients who are experiencing mental distress. *Mental Health Care in Paramedic Practice* is the first guide written specifically for paramedics to support them in understanding a range of different mental health conditions which they may come across during their practice. Not only does the book provide key information on recognising and managing a range of conditions but it also includes case studies written by paramedics with first-hand experience of managing mental health calls. It also includes a section on legislative changes and policy descriptions as well as interprofessional working. This book is essential for anyone wanting to better understand how to care for patients with mental health concerns within the prehospital setting including both experienced and aspiring paramedics. *A Guide to Mental Health for Early Years Educators* Kate Moxley, 2022-05-04

This practical and accessible guide tackles the challenges that busy childcare educators face with their mental health in what is a wonderful, rewarding but often exhausting role. Drawing from day-in-the-life experiences and case studies, this book sets out high-quality staff wellbeing practices that can revolutionise the way childcare practitioners approach their job and their own health. Chapters guide the reader through a process of reflection and development, encouraging and empowering them to create a workplace culture that positively contributes to their personal wellbeing. This book focuses on the realities of Early Years education, combining the author's lived experience with examples of real-life practice. Encourages educators to think and feel positively about themselves, to identify the individual skills, strengths and talents they bring to their work. Can be used individually or collaboratively by team members with guidance on creating a positive workplace culture with a shared vision, core values and beliefs. Essential reading for anybody who finds that the job they love can sometimes leave them feeling worn out, stressed and depleted. This book has been written to enrich the lives of all training and practising Early Years Educators. **100 Ideas for Primary Teachers: Supporting Pupils with Social, Emotional and Mental Health Difficulties** Roy Howarth, 2019-06-27
