Nhl Opening Night 2025:

The Future Tab Bamford, 2025-02-11 A fascinating inside look at one of the most highly anticipated rookie seasons in NHL history When the Chicago Blackhawks selected Connor Bedard with the first overall pick in the 2023 NHL draft it was the culmination of months if not years of unrestrained hype For the Original Six franchise nearly a decade removed from a dynastic run of Stanley Cup successes Bedard represented nothing less than the foundation for future glory The 17 year old centre from North Vancouver had long been projected as a generational talent tearing up the junior level WHL and garnering comparisons to Connor McDavid and Sidney Crosby Now it was time to compete head to head with those superstars and step into the lofty prophecies others had written for him Through extensive reporting in Chicago and beyond Tab Bamford chronicles one of the most highly anticipated rookie seasons in modern hockey following Bedard s Calder Trophy campaign on the ice and the pressurized environment that lingered off it Encompassing exalted expectations untimely injuries countless highlight reel goals and the fevered omnipresent media landscape Bedard s inaugural season provides a thrilling and expansive portrait of today s NHL

Draft Day Doug MacLean, Scott Morrison, 2024-10-15 Doug MacLean former NHL coach general manager team president and one of the game s biggest personalities reveals how teams build for greatness or fail to on hockey s most anticipated day A Moneyball for hockey The NHL draft is a critical time for teams when the foundation for future championships is laid or when championship dreams die Only time will tell if a draft is successful but a failed draft can severely set teams back for seasons much to the dread of ownership management and most importantly the fans For even the most die hard hockey fan the preparation for draft day is a black box Former president general manager and coach Doug MacLean takes readers behind the scenes from the 2022 draft in Montreal to revealing draft stories from the past to show how players are discovered and evaluated to create successful teams Just as Moneyball illustrated the value of analytics in building teams in baseball and beyond Draft Day shows the careful considerations that go into assessing talent for success What is that balance in today s game between metrics and instinct between analytics and traditional scouting MacLean draws from his own career as well as anecdotes from across the league to illustrate the hard won lessons and principles that lead to building successful teams Hockey is big business and this book is an invaluable resource for any leader seeking an edge for building resilient organizations Entertaining and informative with never before told details from some of the biggest moments in NHL history Draft Day is for every hockey fan who wonders how their team develops that hard to define winning chemistry or fails to year after year
