The professional development of primary EFL teachers Eva Wilden, Raphaela Porsch, 2017. In this publication national and international researchers working in the field of English as a Foreign Language (EFL) education, applied linguistics and educational sciences are presenting their current research in the area of primary EFL teacher education. The starting point of this collection was the general shift in educational research towards the role of teachers as well as towards facets of the teaching profession and their relative contributions to successful and good education. All contributions to this volume focus primarily on hitherto insufficiently researched aspects of the professional development of primary EFL teachers. This book is thus contributing to closing existing research gaps as well as giving impetus for future studies and increasing communication about research on the professional development of EFL teachers in related disciplines. Aside from an overview of teaching primary EFL in Europe and beyond the contributors are presenting up to date research on policy and practice of primary EFL teacher education in service training as well as professional competences and beliefs of primary EFL teachers. Edited by Eva Wilden and Raphaela Porsch, this interdisciplinary book provides contributions from Nora Benitt, Henriette Dausend, Ann Cathrin Deters, Philipp Janet, Enever Alicia, Jckel, Johannes König, Angelika Kubanek, Sandra Lammerding, Rama Mathew, Gnter Nold, Annamaria Pinter, Thorsten Piske, Shelagh Rixon, Andreas Rohde, Henning Rossa, Bianca Roters, Sarah Strau and Sarantis Tachtsoglou.
