A pivotal business backer for his New Order government was Liem Sioe Liong, a migrant from China who arrived in Java in 1938. A combination of the Suharto connection, serendipity, and personal charm propelled him to become the wealthiest tycoon in Southeast Asia. This is the story of how Liem built the Salim Group, a conglomerate that in its heyday controlled Indonesia's largest non-state bank, the country's dominant cement producer and flour mill, as well as the world's biggest maker of instant noodles. The book features exclusive input from Liem, who died in 2012, and his youngest son, Anthony Salim. It traces the founder's life and the group's symbiosis with Suharto, his generals, and family. After the tumultuous 1997-98 Asian financial crisis sparked Suharto's fall and a backlash against the strongman's cronies, Anthony staved off the crushing of the debt-laden group. Told in a journalistic style, the story of the Salim Group provides insights into Suharto's New Order. For business executives, students, and anyone with an interest in Southeast Asia's largest economy, the volume makes a valuable contribution towards understanding the country's modern history. **Winning on Purpose** Fred Reichheld, Darci Darnell, Maureen Burns, 2021-12-07 Great leaders embrace a higher purpose to win. The Net Promoter System shines as their guiding star. Few management ideas have spread so far and wide as the Net Promoter System (NPS). Since its conception almost two decades ago by customer loyalty guru Fred Reichheld, thousands of companies around the world have adopted it, from industrial titans such as Mercedes-Benz and Cummins to tech giants like Apple and Amazon to digital innovators such as Warby Parker and Peloton. Now Reichheld has raised the bar yet again. In *Winning on Purpose*, he demonstrates that the primary purpose of a business should be to enrich the lives of its customers. Why? Because when customers feel this love, they come back for more and bring their friends, generating good profits. This is NPS 3.0, and it puts a new take on the age-old Golden Rule: treat customers the way you would want a loved one treated at the heart of enduring

business success As the compelling examples in this book illustrate companies with superior NPS consistently deliver higher returns to shareholders across a wide array of industries But winning on purpose isn't easy Reichheld also explains why many NPS practitioners achieve just a small fraction of the system's full potential and he presents the newest thinking and best practices for doing NPS right He unveils the Earned Growth Rate EGR the first reliable complementary accounting measure that can truly leverage the power of NPS With keen insight and moving personal stories Reichheld advances the thinking and practice of NPS *Winning on Purpose* is your indispensable guide for inspiring customer love within your own teams and using Net Promoter to achieve both personal and business success Journal of the National Cancer Institute, 2014 HIV Plus, 2004-08 HIV Plus offers the latest stories on research economics and treatment The magazine raises awareness of HIV related cultural and policy developments in the United States and throughout the world **Natural Gas Monthly**, 1994 *Master Offers That Practically Sell Themselves: How to Design Irresistible Packages* Simon Schroth, 2025-04-02 Crafting the perfect offer is the key to making sales effortless *Master Offers That Practically Sell Themselves* teaches you how to create offers that are so compelling your customers can't help but buy This book shows you how to design irresistible products services and packages that sell themselves with minimal effort on your part You'll learn the psychological principles behind what makes offers attractive how to bundle products and services for maximum perceived value and the importance of scarcity and urgency in closing sales With actionable advice on pricing positioning and copywriting this book will help you create offers that stand out in the market and convert like crazy By mastering the art of crafting offers that practically sell themselves you'll be able to increase your sales without pushing or pressuring your prospects Whether you're selling digital products services or high ticket items *Master Offers That Practically Sell Themselves* will help you design offers that make your customers eager to buy Go the Extra Mile and Win More: How Over-Delivering Leads to Massive Success Ahmed Musa, 2025-03-11 Success doesn't come from doing what's expected it comes from going above and beyond *Go the Extra Mile and Win More* shows you how over delivering in every aspect of your life can lead to massive success This book teaches you the power of exceeding expectations whether it's in your career business or personal relationships You'll learn how small consistent acts of going above and beyond can create trust loyalty and opportunities for advancement By focusing on over delivering in service value and results you'll distinguish yourself from the competition and open doors to new possibilities Whether you're a business owner looking to retain customers or an employee looking to stand out this book will show you how to use over delivery as a strategy for long term success and satisfaction **Online Marketing** Richard Gay, Alan Charlesworth, Rita Esen, 2007-03-15 This exciting user friendly textbook provides a colourful and engaging introduction to online marketing It is suitable for students studying internet marketing e marketing e commerce or e business as part of specialised marketing programmes or mainstream business management programmes From the back cover **High Velocity: A totally gripping unputdownable action thriller (August High Book Two)**
