Black Friday and Cyber Monday Guide HowExpert Press, Tammy Marshall, 2017-12-15 Have you ever wondered how to save during the holidays Presents and pampering guests there are all sorts of ways that you willingly spend during this season The trick you may not know is that there are special days during the holiday season that you will save the most money Stores know this you can too Our guide is designed to help you save your green during the festivities You won't be a scrooge when

you get your hands on the savings we've listed. In this book you will find answers to the following questions: What is Black Friday and how do I get in on the savings? What is Cyber Monday and will it ever be Black Friday? What is Travel Tuesday? How do I stay safe online? Where are the best deals? What are some of the latest scams? Is Black Friday worth it? Is it better to shop online or in the store? What goods should I buy in the store? What should I buy online? How do I keep my bank account secure? What websites should I visit to help me find deals? What kind of mindset do I need to become a savvy shopper? Should I buy electronics online? About The Expert: Tammy Marshall is a savvy shopper. She's been one her entire life. She lives to save money. Her other passion is sharing how she finds new ways to save green. Tammy also deplores cyber crooks. Her mission is to uncover the latest scams so she can share them with you and help you protect your wallets. She's a professional journalist and has been writing for 20 years. When she isn't finding new ways to spend less, she is working on her family farm and growing her own veggies and displaying them at the county fair. She's loves growing food like she loves to save dollars. For her, she doesn't just enjoy the thrill of shopping. She enjoys seeing prices drop while she fills her cart and her pantry at home. Electronic Commerce 2018 Efraim Turban, Jon Outland, David King, Jae Kyu Lee, Ting-Peng Liang, Deborrah C. Turban, 2017-10-12. This new Edition of Electronic Commerce is a complete update of the leading graduate level/advanced undergraduate level textbook on the subject. Electronic commerce (EC) describes the manner in which transactions take place over electronic networks, mostly the Internet. It is the process of electronically buying and selling goods, services, and information. Certain EC applications, such as buying and selling stocks and airline tickets online, are reaching maturity, some even exceeding non-Internet trades. However, EC is not just about buying and selling; it also is about electronically communicating, collaborating, and discovering information. It is about e-learning, e-government, social networks, and much more. EC is having an impact on a significant portion of the world, affecting businesses, professions, trade, and of course, people. The most important developments in EC since 2014 are the continuous, phenomenal growth of social networks.

especially Facebook LinkedIn and Instagram and the trend toward conducting EC with mobile devices Other major developments are the expansion of EC globally especially in China where you can find the world s largest EC company Much attention is lately being given to smart commerce and the use of AI based analytics and big data to enhance the field Finally some emerging EC business models are changing industries e g the shared economy models of Uber and Airbnb The 2018 9th edition brings forth the latest trends in e commerce including smart commerce social commerce social collaboration shared economy innovations and mobility
