Pax Mundi Arbitration Neutralization International:

Pax Mundi Klas Pontus Arnoldson, 1892 It is natural that the advocates of international Peace should sometimes grow discouraged and impatient through what they are tempted to consider the slow progress of their cause Sudden outbursts of popular feeling selfish plans for national aggrandisement unremoved causes of antipathy between neighbours lead them to overlook the general tendency of circumstances and opinions which when it is regarded on a large scale is sufficient to justify their loftiest hopes It is this general tendency of thought and fact corresponding to the maturer growth of peoples which brings to us the certain assurance that the Angelic Hymn which welcomed the Birth of Christ advances slowly it may be as men count slowness but at least unmistakably towards fulfilment There are pauses and interruptions in the movement but on the whole no one who patiently regards the course of human history can doubt that we are drawing nearer from generation to generation to a practical sense of that brotherhood and that solidarity of men both words are necessary which find their foundation and their crown in the message of the Gospel Pax mundi Klas Arnoldson, 2021-12-02 *PAX MUNDI KLAS*
