The Angel of Vienna: A Totally Gripping World War 2 Novel about Love, Sacrifice and Courage Kate Hewitt, 2022-06-16

Nazi occupied Vienna 1940. A young nurse finds herself with the chance to save innocent children. An unmissable and heartbreaking story based on devastating real events about tragedy, hope and courage in the face of impossible odds. These children, whom the Nazis don't even see as human, these children are innocent. And Hannah, if you have the chance to save even one of them, you know what you have to do. Even if it puts your own life at risk. As bombs fall over Europe, Hannah Stern is a twenty-seven-year-old nurse who is just trying to survive. When she takes a position at Vienna's esteemed psychiatric hospital, Am Steinhof, she thinks it will take her away from the danger. Her estranged half brother has arranged the job for her on the condition that she must take his son Willi there too. He insists it's a place where Willi will be safe. And Hannah soon forms a close bond with the sweet, fragile child in her care. At first, the hospital seems like a safe haven, a beautiful, airy, spacious place of healing and recovery. But the hospital is a place of secrets. And they are darker than Hannah could ever have imagined. Children, ones just like Willi, are disappearing, not to be healed as promised but taken somewhere else. Somewhere terrible. And when Willi's own life comes under threat in spite of her half brother's position of power in the Nazi military, Hannah must overcome her own fears and act. Then she discovers one of the other nurses is also trying to help patients escape, and Hannah becomes determined to help in any way she can. But she is only one person up against the enemy. And to save even just one life from the grip of the Nazis, she must risk her own. The most unmissable historical fiction of the year, guaranteed to leave readers in tears. Perfect for fans of *My Name is Eva*, *All the Light We Cannot See*, and *The Tattooist of Auschwitz*. Readers love Kate Hewitt. Unputdownable. Heart-breaking, tearful, and emotional. Words cannot describe how absolutely wonderful this story was. Unbelievably amazing. Sure to stay with me for a long, long time. I absolutely loved it, and I can't recommend it enough. WOW. Page-turners. Emotionally charged right from the first chapter. I was up till 4AM reading, fighting for my eyes to stay open. Gripping and captivating. Sinfully Wicked Book Reviews.

acts of betrayal and of three generations of women as they journey through years of loss and survival linked by an indomitable devotion that echoes across time For the Wittgenstein family the summer of 1915 was a time of both prosperity and unease as the guns of war sound in the distance But for eldest daughter Beata it was also a summer of awakening By the glimmering waters of Lake Geneva the quiet Jewish beauty met a young French officer and fell in love Knowing that her parents would never accept her marriage to a Catholic Beata followed her heart anyway And as the two built a new life together Beata's past would stay with her in ways she could never have predicted For as the years pass and Europe is once again engulfed in war Beata must watch in horror as Hitler's terror threatens her life and family even her eighteen year old daughter Amadea who has taken on the vows of a Carmelite nun For Amadea the convent is no refuge As family and friends are swept away without a trace Amadea is forced into hiding Thus begins a harrowing journey of survival as she escapes into the heart of the French Resistance Here Amadea will find a renewed sense of purpose taking on the most daring missions behind enemy lines And it is here in the darkest moments of fear that Amadea will feel her mother's loving strength and that of her mother's mother before her as the voices of lost loved ones echo powerfully in her heart And here amid the fires of war Amadea will meet an extraordinary man British secret agent Rupert Montgomery In Colonel Montgomery Amadea finds a man who will help her discover her place in an unbreakable chain between generations and between her lost family and her dreams for the future a future she is only just beginning to imagine a future of hope rooted in the rich soil of the past With the grace of a master storyteller Danielle Steel breathes life into history creating a bold sweeping tale filled with unforgettable characters and breathtaking images from the elegant rituals of Europe's prewar aristocracy to the brutal desperation of Germany's death camps Drawing us into a vanished world Echoes weaves an intricate tapestry of a mother's love a daughter's courage and the unwavering faith that sustained them even in history's darkest hour **Daydreams of Angels** Heather
