Vietnam War Vinh Truong, 2010-03-29 The author discusses the three Axioms in the dominant interpretation of the U S Vietnam War that were established by the invisible permanent government right after the National Security Council meeting on September 21 1960 They are There was never a legitimate non

communist government in Saigon dissolution GVN The U S had no legitimate reason to be involved in Vietnamese affairs Tonkin Gulf Incident The U S could not have won the war under any circumstances U S troops honorable withdrawal There are many reasons why the author decided to write this book The New Legion He felt compelled to write it for the longest time after spending thirteen years in the Communists so called reeducation camp He escaped from a canal in the Mekong Delta and drifted in a rickety old boat similar to a child's toy from South Vietnam for fourteen days until he reached the nearest Pacific island Palawan Islands Philippines He knew the pain that all the people who were involved suffered yet he thought that perhaps it might be best to let it become a not so distant memory Now he has finally decided to write the truth at last It is the story of loyalty duty honor and love *A Cruel and Shocking Act* Philip Shenon, 2013-10-29 A groundbreaking explosive account of the Kennedy assassination that will rewrite the history of the 20th century's most controversial murder investigation The questions have haunted our nation for half a century Was the President killed by a single gunman Was Lee Harvey Oswald part of a conspiracy Did the Warren Commission discover the whole truth of what happened on November 22 1963 Philip Shenon a veteran investigative journalist who spent most of his career at The New York Times finally provides many of the answers Though *A Cruel and Shocking Act* began as Shenon's attempt to write the first insider's history of the Warren Commission it quickly became something much larger and more important when he discovered startling information that was withheld from the Warren Commission by the CIA FBI and others in power in Washington Shenon shows how the commission's ten month investigation was doomed to fail because the man leading it Chief Justice Earl Warren was more committed to protecting the Kennedy family than getting to the full truth about what happened on that tragic day A taut page turning narrative Shenon's book features some of the most compelling figures of the twentieth century Bobby Kennedy Jackie Kennedy Lyndon Johnson J Edgar Hoover Chief Justice Warren CIA spymasters Allen Dulles and Richard Helms as well as the CIA's treacherous molehunter James Jesus Angleton Based on hundreds of interviews and unprecedented access to the surviving commission staffers and many other key players Philip Shenon's authoritative scrupulously researched book will forever change the way we think about the Kennedy assassination and about the deeply flawed investigation that followed A Washington Post Notable Nonfiction Book of 2013 **Murder, Inc** James H. Johnston, 2019-08 Late in his life former president Lyndon B Johnson told a reporter that he didn't believe the Warren Commission's finding that Lee Harvey Oswald acted alone in killing President John F Kennedy Johnson thought Cuban president Fidel Castro was behind it After all Johnson said Kennedy was running a damned Murder Inc in the Caribbean giving Castro reason to retaliate *Murder Inc* tells the story of the CIA's assassination operations under Kennedy up to his own assassination and beyond James H Johnston was a lawyer for the Senate Intelligence Committee in 1975 which investigated and first reported on the Castro assassination plots and their relation to Kennedy's murder Johnston examines how the CIA steered the Warren Commission and later investigations away from connecting its own assassination operations to Kennedy's murder He also looks at the effect this strategy had on

the Warren Commission's conclusions that assassin Lee Harvey Oswald acted alone and that there was no foreign conspiracy. Sourced from in depth research into the secret files declassified by the JFK Records Act and now stored in the National Archives and Records Administration, *Murder Inc* is the first book to narrate in detail the CIA's plots against Castro and to delve into the question of why retaliation by Castro against Kennedy was not investigated.

The Hidden History of the JFK Assassination Lamar Waldron, 2013-10-21 *INSIDE THE CRIME OF THE CENTURY* This fascinating history draws on never before published information to reveal the Mafia conspiracy that led to the assassination of John F Kennedy. Answering the questions that have haunted Americans for decades: Why and how was JFK murdered? *The Hidden History of JFK's Assassination* draws on exclusive interviews with more than two dozen associates of John and Robert Kennedy, in addition to former FBI, Secret Service, military intelligence, and Congressional personnel who provided critical first hand information. The book also uses government files including the detailed FBI confession of notorious Mafia godfather Carlos Marcello to simply and clearly reveal who killed JFK. Using information never published before, the book uses Marcello's own words to his closest associates to describe the plot. His confession is also backed up by a wealth of independent documentation. This book builds on the work of the last Congressional committee to investigate JFK's murder, which concluded that JFK was probably assassinated as a result of a conspiracy, and that godfathers Santo Trafficante and Carlos Marcello had the motive, means, and opportunity to assassinate President Kennedy. However, it also draws on exclusive files and information not available to Congress that have only emerged in recent years to fully explain for the first time how Marcello and Trafficante committed the crime and got away with the crime of the 20th century.

JFK L. Fletcher Prouty, 2011-04-01 Colonel L. Fletcher Prouty, the former CIA operative known as X, offers a history shaking perspective on the assassination of President John F Kennedy. His theories were the basis for Oliver Stone's controversial movie *JFK*. Prouty believed that Kennedy's death was a coup d'état and he backs this belief up with his knowledge of the security arrangements at Dallas and other tidbits that only a CIA insider would know, for example, that every member of Kennedy's cabinet was abroad at the time of Kennedy's assassination. His discussion of the elite power base he believes controlled the U.S. government will scare and enlighten anyone who wants to know who was really behind the assassination of John F Kennedy.

First Hand Knowledge Robert D. Morrow, 1992 Argues that the CIA planned and with the help of the Mafia carried out the assassination of President Kennedy and discusses the Cuban Missile Crisis and the motives for Kennedy's murder.

Act of Retribution J.P. Phillips, 2010-03-17 My quest for an answer to the riddle of President Kennedy's assassination first began in April 1967 following a talk given by Warren Commission critic and best selling author Mark Lane at Michigan State University where I was a graduate student. My search has lasted well over twenty years. Gathering every scrap of information I could find on the assassination, I have arrived at what I believe is the most credible thesis to date. As a result of meticulous research, I am able to identify probable suspects in what I have come to believe was a far reaching conspiracy which involved not only renegade elements from the CIA and organized crime figures

but one which extended to the highest echelons of the U S government By pulling together existing knowledge of the assassination while introducing new evidence my book focuses primarily on six main principals persons of interest their motives and their activities in relation to the assassination and the links that connect them 1 LEE HARVEY OSWALD Accused by the Warren Commission In 1964 of being the sole assassin of President Kennedy 2 JACK RUBY Dallas night club owner who two days following the Presidents assassination shot and killed Oswald 3 CARLOS MARCELLO Reputed crime boss of the New Orleans Dallas Mafia during the time of the assassination 4 GENERAL CHARLES PEARE CABELL Deputy Director of the CIA from 1953 to 1962 when he was dismissed by President Kennedy along with other high ranking intelligence officials for the failure of the Bay of Pigs invasion 5 EARLE CABELL Younger brother of General Charles P Cabell who was Mayor of Dallas the day President Kennedy was assassinated 6 FRED KORTH Fort Worth businessman and banker who was Secretary of the Navy from 1962 to October 1963 when he was forced by President Kennedy to resign for his involvement in the TFX controversy As to the motives of those individuals involved in the Presidents murder I believe that the assassination was planned and carried out with a dual purpose in mind 1 as an act of vengeance by those ex high government officials who were dismissed by the President either for alleged wrongdoing as in the case of Fred Korth or for incompetence as in General Cabells case 2 to prevent the Presidents domestic and foreign policies particularly in reference to his stand on the Vietnam conflict from being implemented Viewed in this light the assassination of President Kennedy was an act of retribution by a group of mean spirited vengeance seeking individuals who acted in the misguided belief that by assassinating this president they were furthering the national interest Notwithstanding his immense popularity with the American people President Kennedy was perceived by his killers to be a clear and present danger to the country and to its interests at home and abroad for several reasons for his stand on civil rights and racial equality for his attempt to closely regulate the oil and gas industry for his desire to normalize relations with Cuba for his desire to ease tensions between the superpowers through a reduction in armaments for his crackdown on organized crime for his stated intention to withdraw U S forces from Vietnam Removing him from office by political murder therefore excused his killers in their own eyes from any wrongdoing for by killing this President they were convinced that they were acting in the national interest against the seemingly dangerous policies of a chief executive who if allowed to finish his presidency would lead the nation to ruin A wise mind will never censure anyone for having employed any extraordinary means for preserving a kingdom Believing like Machiavelli that they were acting to preserve and maint

Coup D'état in America Michael Canfield, Alan J. Weberman, 1992-01-01 *Ultimate Sacrifice* Lamar Waldron, 2009-04-29 *Ultimate Sacrifice* reveals for the first time John and Robert Kennedy s plan for a coup in Cuba on December 1 1963 a plan that involved a U S military invasion Unique distinctly different and far more advanced than any previously disclosed operation this plan is corroborated by many declassified military and CIA documents that have never been quoted in any book before It provides the missing piece of the puzzle regarding JFK s murder and explains why Bobby

Kennedy told close associates that the Mafia was behind his brother's assassination. The Mafia had managed to infiltrate the Kennedys' intended coup. *Ultimate Sacrifice* describes and documents an attempt they made to kill JFK in a motorcade several days prior to Dallas. This attempt had more than a dozen parallels to Dallas. Building on the work of the seven governmental committees that investigated aspects of JFK's assassination, the four million documents that were declassified in the 1990s and exclusive interviews with many Kennedy insiders, the authors are able to tell the full story of these incidents. *Ultimate Sacrifice* Makes News with Kennedy's Cuba Coup Plan. New History Reveals Previously Unknown CIA Code Name As Well As Linked Assassination Attempt. *Crime of the Century* Michael L. Kurtz, 2013-12-01. Now a classic, Michael Kurtz's *Crime of the Century* recounts the assassination of President John F. Kennedy on November 22, 1963 and provides a detailed critical analysis of the investigations of the Warren Commission and the House Select Committee on Assassinations. Kurtz outlines the major areas of controversy about the assassination and sifts all the known evidence before concluding that both official inquiries failed to evaluate the considerable evidence of an assassination conspiracy. Kurtz also examines each of the most prevalent conspiracy theories and shows how often they fail to fit the facts. This third edition includes a new introduction based on updated information about the assassination since the second edition was published in 1993, including material from the National Archives and several major recent interpretations of the events. Drawing on a variety of primary source materials from the National Archives and the FBI's and CIA's declassified assassination files, *Crime of the Century* remains a book of importance not only to students of the Kennedy assassination but also to scholars of government response to political violence.

A Farewell to Justice Joan Mellen, 2013-09-01. Working with thousands of previously unreleased documents and drawing on more than one thousand interviews with many witnesses speaking out for the first time, Joan Mellen revisits the investigation of New Orleans district attorney Jim Garrison, the only public official to have indicted in 1969 a suspect in President John F. Kennedy's murder. Garrison began by exposing the contradictions in the Warren Report, which concluded that Lee Harvey Oswald was an unstable pro-Castro Marxist who acted alone in killing Kennedy. *A Farewell to Justice* reveals that Oswald, no Marxist, was in fact working with both the FBI and the CIA, as well as with US Customs, and that the attempts to sabotage Garrison's investigation reached the highest levels of the US government. Garrison's suspects included CIA-sponsored soldiers of fortune enlisted in assassination attempts against Fidel Castro, an anti-Castro Cuban asset, and a young runner for the conspirators interviewed here for the first time by the author. Building upon Garrison's effort, Mellen uncovers decisive new evidence and clearly establishes the intelligence agencies' roles in both a president's assassination and its cover-up. In this revised edition to be published in time for the fiftieth anniversary of the president's assassination, the author reveals new sources and recently uncovered documents confirming in greater detail just how involved the CIA was in the events of November 22, 1963. More than one hundred new pages add critical evidence and information into one of the most significant events in human history.

A Spy's Guide to the Kennedy Assassination E. B. Held, 2013-03-24. In the highly

emotional period following the tragic 1963 assassination of President John F Kennedy indications that the Soviet KGB and or the Cuban DGI intelligence services had clandestine operational relationships with the assassin Lee Harvey Oswald were suppressed by Soviet and Cuban as well as American authorities Had the authorities not done so the situation could have spun out of control and a nuclear holocaust might well have resulted As more and more information has been revealed especially since the end of the Cold War the existence of separate KGB and DGI operational relationships with Oswald is obvious to experienced intelligence officers So imagine the panic of Soviet Premier Nikita Khrushchev 13 months after the Cuban Missile Crisis when he learned that a low level KGB spy named Oswald had just assassinated the President of the United States No the KGB did not direct the assassination but yes the assassin Oswald had worked for the KGB Imagine the reaction of Cuba s Fidel Castro who knew that Kennedy personally supported persistent CIA efforts to kill him and had expressly warned the Americans that he was prepared to retaliate in kind Yes Oswald had offered to attempt killing Kennedy on Fidel s behalf but did Cuban intelligence officers ever imagine that Oswald might actually succeed And imagine that you were America s new President Lyndon Johnson What would you do If only the Cubans were involved then you might simply bomb the island back to the stone ages But what if the nuclear armed Soviets were implicated as well E B Held brings the Kennedy Assassination to life including photos and walking tours of key sites in Washington New Orleans and Dallas A retired CIA operations officer and former Director of Intelligence and Counterintelligence at the Department of Energy Held provides a straightforward explanation based on undisputed historical facts of the relationship between Oswald and the Soviet Cuban and American intelligence services
