Pdf Lost Mandate Heaven American President:

America and Vietnam, 1954-1963 Michael M. Walker, Col., USMC (Ret.), 2022-08-31 The conventional narrative of the Vietnam War often glosses over the decade leading up to it Covering the years 1954 1963 this book presents a thought provoking reexamination of the war s long prelude from the aftermath of French defeat at Dien Bien Phu through Hanoi s decision to begin reunification by force to the assassination of South Vietnamese President Ngo Dinh Diem Established narratives of key events are given critical reappraisal and new light is shed on neglected factors The strategic importance of Laos is revealed as central to understanding how the war in the South developed **Routledge Handbook of Strategic**

Culture Kerry M. Kartchner, Briana D. Bowen, Jeannie L. Johnson, 2023-10-11 This handbook offers a collection of cutting edge essays on all aspects of strategic culture by a mix of international scholars consultants military officers and policymakers The volume explicitly addresses the analytical conundrums faced by scholars who wish to employ or generate strategic cultural insights with substantive commentary on defining and scoping strategic culture analytic frameworks and approaches levels of analysis sources of strategic culture and modalities of change in strategic culture The chapters engage strategic culture at the civilizational regional supra national national non state actor and organizational levels The volume is divided into five thematic parts which will appeal to both students who are new to the subject and scholars who wish to incorporate strategic culture into their toolbox of analytical techniques Part I assesses the evolving theoretical strengths and weaknesses of the field Part II lays out elements of the theoretical and methodological foundations of the field including sources and components of strategic culture Part III presents a number of national strategic cultural profiles representing the state of contemporary strategic culture scholarship Part IV addresses the utility of strategic culture for practitioners and scholars Part V summarizes the key theoretical and practical insights offered by the volume s contributors This handbook will be of much interest to students of strategic studies defense studies security studies and international relations in general as well as to professional practitioners **Discord Or "harmonious Society"?** John P. a voice for a more seasoned constructive vision of our international relations with East Asia Christian Science Monitor In this engrossing book bestselling author James Bradley introduces us to the prominent Americans including Franklin Delano Roosevelt s grandfather Warren Delano who in the 1800s made their fortunes in the China opium trade As these men profited by addicting millions American churches sent missionaries in search of a myth noble Chinese peasants eager to westernize The media enthusiastically propagated this image and FDR agreed that US support for Chiang Kai shek and his glamorous American educated wife would turn China into America s best friend in Asia But Chiang was on his way out and when Mao Zedong came to power Americans were shocked wondering how we had lost China Taking us from the nineteenth century through World War II and to the origins of the Vietnam War Bradley reveals how American misconceptions about China have distorted our domestic and foreign policies and led to the avoidable deaths of millions Thrillingly told The China Mirage dynamically explores the troubled history that defines US China relations to this day A vivid bracing and careful study Bradley s valuable book offers a warning about past and future unnecessary entanglements History News Network Bradley has produced another gripping historical account with ramifications for today s world World Affairs Council The China Mirage underscored the missed opportunities in our relationship with China a lesson for our current leaders Portland Press Herald

When Heaven and Earth Collide Alan Cross,2014-02-05 When Heaven and Earth Collide is an investigation into what went wrong in the American South in regard to race and religion and how things can be and are being made right Why in a land filled with Christian churches was there such racial oppression and division Why didn t white evangelicals do more to bring racial reconciliation to the South during the 19th and 20th centuries These questions are asked and answered through an exploration of history politics economics philosophy and social and theological studies that uncovers the hidden impetus behind racism and demonstrates how we can still make many of the same errors today just perhaps in different ways The investigation finally leads us in hopeful directions involving how to live out the better way of Jesus with an eye on heaven in a world still burdened and broken under the sins of the past Strategic Studies Quarterly ,2009
