Saving the Light at Chartres Victor A. Pollak, 2020-03-16 Built around 1200 and now a UNESCO World Heritage Site that draws more than a million visitors and pilgrims each year Chartres Cathedral is one of the jewels of Western Civilization How Chartres Cathedral and its priceless stained glass today the largest such collection in one location survived World War II's widespread destruction of cultural monuments is one of the great stories of recent history Saving the Light at Chartres begins half a decade before World War II when a young French architect developed a plan to save the cathedral's precious stained glass As war engulfed Europe in the fall of 1939 master glass artisans dismantled the hundreds of windows and soldiers tradesmen and laborers with local volunteers crated thousands of glass panels stowed them in the crypt and months later just before German invaders reached Chartres hauled them across the country to an underground quarry This effort to save the stained glass is but a prologue By August 1944 the U S Army had broken out of Normandy and was racing across France toward Paris and the Seine Chartres became a key battleground Allied bombing blew out the cathedral's temporary window coverings and when the Americans assisted by French Resistance fighters entered the city in the face of unexpectedly heavy defiance and snipers in the cathedral many soldiers believed German artillery spotters were occupying the cathedral's spires When Colonel Welborn Griffith Jr a senior operations officer of Twentieth Corps in Patton's Third Army arrived some were pressing to countermand the army's standing order to avoid the cathedral and threatened to destroy it to neutralize the German spotters Griffith was skeptical He inspected the cathedral himself climbed its towers but found no Germans so he rang the bell waved an American flag and ordered that the cathedral be spared saving it from destruction Griffith would be killed later that day Victor Pollak tells both stories the rescue of the windows and Colonel Griffith's fateful role in a compelling narrative Saving the Light at Chartres honors the government and local teams who saved the windows the Resistance that performed a vital role in the liberation of Chartres Welborn Griffith and the enduring treasure that is Chartres Cathedral

Fascist Italy at War James J. Sadkovich, 2025-03-27 Rather than a chronological account this history contains discussions of topics ranging from economics and diplomacy to industrial capacity and armored doctrine The author challenges claims that Italians were militarily incompetent by examining the influence of demography natural resources industrial capacity and Italy's allies on its war efforts during both world wars He also challenges assertions that ideology determined the choice of allies and formulation of military doctrine and arguments that Italy's war effort was negligible in world wars Based on primary and secondary sources this revisionist history contains seventy four tables and arguments rarely found in the literature in English

Fascism, Aviation and Mythical Modernity Fernando Esposito, 2015-09-29 Flying and the pilot were significant metaphors of fascism's mythical modernity Fernando Esposito traces the changing meanings of these highly charged symbols from the air show in Brescia to the sky above the trenches of the First World War to the violent ideological clashes of the interwar period
