Pdf New Ethnographies Football Europe Passions:

New Ethnographies of Football in Europe Alexandra Schwell, Michał Buchowski, Malgorzata Kowalska, Nina Szogs, 2016-04-29 Football has emerged as an important symbolic field through which various social cultural political economic and historical dimensions and antagonisms are negotiated This volume covers a variety of themes illuminating the multiple ways that football impacts on people's everyday lives Using anthropological research methods and data collected from ethnographic fieldwork the contributors scrutinize not only the social fields of football fans and the specific socio cultural contexts in which they are embedded but also other actors beyond the pitch and the possibilities for both agency and subversion Taking into account processes of Europeanization globalization commercialization and migration the collection offers fresh insights into fan identity formations and practices and highlights the importance of anthropology's self reflexive and actor centred perspective

The European Football Championship Albrecht Sonntag, Alexandra Schwell, Basak Alpan, 2015-11-08 The UEFA European football championship was the first European mega event to take place in post socialist Europe Taking this as a departure point this volume focuses on football as a realm of constructing and negotiating identities using rich ethnographic fieldwork and in depth media analysis

Antisemitism in Football Emma Poulton, 2025-03-14 This book investigates the nature and prevalence of expressions of antisemitism within the context of football in Europe and beyond as well as attempts to challenge and combat this problematic phenomenon Drawing on empirical research the book presents a series of case studies of countries in which both football and antisemitism have been prominent including England Italy Germany Holland Poland Argentina and Hungary Each chapter explains the historical context of why antisemitism prevails in their country and their country's football culture considers those football clubs with a Jewish heritage and identity which tend to be the catalyst for antisemitic abuse and critically examines the measures being taken in that country to tackle antisemitism in football by organisations including governing bodies campaign groups supporter groups and football clubs themselves No other book has looked as deeply into this highly topical issue which continues to blight contemporary football Antisemitism in Football is important reading for anybody with an interest in football fan cultures the sociology of sport Jewish studies antisemitism and other forms of racism and discrimination in society

Politics, Social Issues and the 2023 FIFA Women's World Cup Danielle Sarver Coombs, Molly Yanity, 2025-05-16 This book takes a close look at politics and social issues in the context of the 2023 FIFA Women's World Cup one of the most attended women's sporting events in history Featuring the work of leading researchers from around the world the book is arranged into two thematic sections with the first examining power structures and inequalities and the second exploring nationalism identities and experiencing the women's game The book presents a series of important and fascinating cases including campaigns for equal pay for players governance ethics and women's rights in Spanish football the legacies of the Australian Matildas and the impact of fan spaces that together form a multi layered picture of a signature event in the history

of women's sport This book is vital reading for anybody with an interest in women's sport gender and sport the sociology of sport the politics of sport event studies or sport business and management **Female Football Players and Fans** Gertrud Pfister, Stacey Pope, 2018-02-19 This volume draws upon social science and historical approaches to provide insights into the world of women's football and female fans It gives an in depth analysis of the development of the women's game in different European countries and examines the experiences of female fans An overview about women's football in Europe shows the rise and development of the game and the increasing inclusion of girls and women in football and fan communities To date there has been a lack of research on female participation in football but drawing on research studies from various European countries the volume explores a range of issues including how girls and women become football fans and players how women combine football with their everyday lives and how they may encounter stereotypes and barriers when they challenge male dominance by entering this traditionally male sport This collection will be of interest to students and scholars in a range of fields including sports sociology sport sciences gender studies leisure studies women's studies as well as fandom and cultural studies **Football Hooliganism, Fan Behaviour and Crime** M. Hopkins, J. Treadwell, 2014-05-13 Focusing on a number of contemporary research themes and placing them within the context of palpable changes that have occurred within football in recent years this timely collection brings together essays about football crime and fan behaviour from leading experts in the fields of criminology law sociology psychology and cultural studies *Non è solo un gioco* Federico Casotti, 2022-02-17 T00:00:00+01:00 Secondo uno spot pubblicitario di qualche anno fa il calcio ha conquistato il mondo l dove hanno fallito i pi grandi condottieri della storia Un concetto che inquadra alla perfezione quanto questo sport sia penetrato in profondit nella vita quotidiana delle persone in tutto il mondo Non solo un gioco di Federico Casotti un analisi socio antropologica delle tante sfaccettature che caratterizzano il gioco del calcio e del suo rapporto in continua evoluzione con l individuo e con le comunit Nel testo i concetti base dell antropologia i riti di passaggio il fatto sociale totale la corporeit il social drama la communitas il capitale sociale vengono spiegati attraverso il calcio in maniera rigorosa ma con un approccio accessibile a tutti *Das politische Fußballstadion* Başak Alpan, Albrecht Sonntag, Katarzyna Herd, 2024-11-12 Dieses Buch konzentriert sich auf das Fußballstadion als politischen Raum und untersucht wie Stadien als Objekte und Katalysatoren des politischen Wandels betrachtet werden können Stadien sind nicht nur funktionale Konstruktionen die für die Austragung von Fußballspielen konzipiert wurden sondern sie sind auch Wahrzeichen der Stadt die als Versammlungsorte für große Gemeinschaften dienen Die Manifestation des Politischen in Fußballstadien zeigt sich in der Unzufriedenheit die durch Fan Aktivismus zum Ausdruck kommt in der Nutzung von Stadien für nationale und lokale Identitätspolitik in Versuchen der Instrumentalisierung von Emotionen sowohl durch totalitäre als auch durch demokratische Regime in Fangruppen bei politischen Aufständen und in der Überwachung von Fans durch Eintrittskarten und Sitzplatzvergabe Dieser Sammelband vereint eine Vielzahl von Fallstudien aus den unterschiedlichsten Kontexten Die Beiträge stammen aus den Bereichen

Politikwissenschaft Soziologie Geschichte Anthropologie Humangeographie und Urbanistik Das Buch definiert und erweitert das Verständnis der politischen Dimension des Fußballstadions neu The Ultras Mark Doidge, Martin Lieser, 2020-12-17

Over the last 50 years the ultras have become the most widespread outspoken and spectacular form of football fandom across the globe Whilst the ultras phenomenon began in Italy then spread across Southern Europe into Northern Europe it is now the dominant style of fandom in North Africa South East Asia and East Asia and is spreading into North America and Australia This spectacular style of fandom has been spread through global media social media and increased travel where fans can view engage and interact with a range of fans from across the globe and bring various local dimensions to their fandom This volume brings together a range of articles about the ultras style of football fandom It is designed to be an introduction a first account of ultras for the uninitiated What follows are analyses and accounts of ultras in Italy France Germany Poland Turkey Israel North America Australia Indonesia and Croatia Not only does this volume demonstrate the prevalence of the ultras style of fandom across the globe it shows how football becomes an important cultural arena to see the intersections of globalization and localism This book was originally published as a special issue of *Sport in Society*

Sport and Nationalism Stuart Whigham, 2024-02-08 *Sport and Nationalism Theoretical Perspectives* aims to advance the academic study of the interconnections between sport and nationalism by firstly reviewing the current state of play in this field of study and secondly highlighting the potential for the development of future theoretically informed analysis of the relationship between sport nationalism and national identity This book offers a critical appraisal of the utility of various theoretical concepts used to explore the nature of contemporary nationalism when applied to the specific topic of sport Bringing together a range of contemporary academics in this field of study it offers an opportunity to showcase contrasting theoretical positions on this topic Furthermore the central focus of the book regarding extended application of theories of nationalism to the field of sport provides an opportunity for novel and critical contributions to this field of study This book will be beneficial to students researchers and professionals with an interest in sport and in the relationship between sport politics and nationalism The chapters in this book were originally published as a special issue of *Sport in Society* *Against Modern Football* Benjamin Perasović, Christian Brandt, Marko Mustapić, 2024-11-20 This is the first book to offer in depth analysis of the Against Modern Football movement through the comparison of two AMF clubs The movement has emerged in opposition to the rampant commercialisation of football and the lack of supporters influence over the governance of the clubs they support Drawing on long term ethnographic research the book examines the foundation organisation and governance of new clubs set up by supporters as part of the AMF movement Centred on detailed case studies of two clubs in particular HFC Falke in Germany founded in 2014 and Varteks Vara din in Croatia founded in 2011 the book explores supporter cultures and identity and considers the social processes at work in the foundation of new football clubs By examining the unique local and national contexts in which HFC Falke and Varteks Vara din have emerged as well the broader international context that

encompasses well known AMF clubs such as FC United of Manchester the book makes an important contribution to our understanding of supporters their activism the significance of football clubs and social movements more broadly This book is fascinating reading for anybody with an interest in football the sociology of sport sport management the politics of sport social movements subcultures or ethnography

The Passion and the Fashion Steve Redhead,1993-01-01 The culture of the soccer terrace is changing Commentators are now as likely to refer to the carnival or party atmosphere at football matches as violence and disorder This does not mean that football hooliganism as the media labelled it for the last 30 years has somehow disappeared It is manifestly on the rise in countries such as Italy and Holland and especially in Germany where it has ugly associations with the neo Nazi right it may be marginalized in countries like Scotland and more lately England but public disorder around professional football has deep historical roots in such heavily masculinized national cultures Nevertheless the football crowd and moreover football fandom in general is undergoing significant change which reflect wider shifts in gender popular culture modernity and post modernity

Football Fandom and Migration Nina Szogs,2017-04-17 This book studies how transnationalisation Europeanisation and migration processes intersect with football fandom through an analysis of the transnational narratives and practices of Fenerbah e and Galatasaray football fans in Vienna Austria Based on ethnographic fieldwork in Austria Turkey and Germany the author analyses the ways in which narratives about football fandom are often linked to migrant experiences including practices of self culturalization in the diasporic context in Austria The book shows how constructed ethnicities and also masculinities and femininities meet in football fan performances and in the construction of what makes a proper football fan Turkish football fandom is a field where powerful prejudices and stereotypes amalgamate and interact This study enables the reader to look into migration processes and discussions about related topics from a different angle the love of a football club Football Fandom and Migration will be of interest to students and scholars across a range of disciplines including anthropology sociology European studies political sciences gender studies leisure studies sport sociology and history

Ultras Mark Doidge,Radoslaw Kossakowski,Svenja-Maria Mintert,2020-01-31 Ultras are the most prominent form of football fandom in the 21st century from their origins in Italy in the 1960s this style of fandom has spread across Europe and then across the globe This book provides the first European wide monograph on the ultras phenomenon

Football and Accelerated Culture Steve Redhead,2015-06-26 In Football and Accelerated Culture Steve Redhead offers a new and challenging theorisation of global football culture exploring the relationship between sport and culture in a rapidly shifting world Incorporating cutting edge concepts from accelerated culture and claustropolitanism to non postmodernity he reflects on the demise of working class football cultures and the rapid media globalisation of the people s game Drawing on international empirical research and a unique and ground breaking study of football hooligan memoirs the book delves into a wide array of disciplines examining fascinating topics such as the relationship between music and football hooligans and ultras the rise of social media and anti

modern football movements and ultra realist criminology Football and Accelerated Culture offers a new way of thinking about sporting cultures that expands the boundaries of physical cultural studies As such it is important reading for anybody with an interest in the culture of sport and leisure social theory communication studies criminology or socio legal studies

Football Fandom in Europe and Latin America Bernardo Buarque de Hollanda, Thomas Busset, 2023 This book combines pieces of work on Europe and Latin America the two continents where football arouses the most ardent passions among its spectators Curiously an undertaking to compare on a large scale the forms extreme fandom takes in these two geographical areas is still lacking A situational analysis of the scientific literature devoted to the subject over the last two or three decades represents a step in this direction making a scattered store of knowledge accessible It thus answers a need to clarify regional differences in identities and in the practices of supporters *Football, Europe, and the Press* Liz Crolley, David Hand, 2002 The Sport in the Global Society series provides studies in the political cultural anthropological ethnographic social economic geographical and aesthetic elements of sport proliferating in institutions of higher education worldwide **Spirit High and Passion Pure** Charlie Connelly, 2000 Is modern European football just big business or is the game a vehicle for passion spirit and national identity In an attempt to find out Charlie Connelly embarks upon a European journey in search of the soul of the European game From Spain s Primera Liga to the Faroe Islands Second Division this book examines the game at all levels in some of Europe s most diverse nations and puts the game in its political and social context In Bosnia Charlie Connelly finds football succeeding where politics has failed in uniting ethnic rivals In Spain he visits the top flight club that represents a fiercely independent people and a journey to Northern Ireland reveals a struggling side forced to play every match across an international border Spanish Football and Social Change , 2015 *The European Ritual* Anthony King, 2003 Football constitutes a vivid public ritual in contemporary European culture through which emergent social solidarities and new economic networks have come into being This fascinating and unique volume traces the transformation of European football from the 1950s to the present focusing in particular on the dramatic changes that have occurred in the last decade and linking them to the wider process of European integration The examination of football illuminates how the growing dominance of the free market has changed European society from an international order in which the nation state was dominant to a more complex transnational regime in which cities and regions are becoming more prominent than in the past The study is supported by detailed ethnographic accounts emerging from the author s fieldwork at Manchester United and interview data with some of the most important figures in European football at clubs including Juventus Milan Bayern Munich Schalke and Barcelona It also includes a highly topical examination of racism in European football
